Freak or Drink Questions: A Fun Twist to Party Games and Icebreakers

freak or drink questions have become a popular way to add excitement and spontaneity to social gatherings, parties, and even casual hangouts. This game combines elements of truth-or-dare and drinking games, challenging participants to reveal quirky truths or perform amusing dares—or take a drink if they choose to skip. It's a playful way to break the ice, encourage honesty, and spark laughter among friends. Whether you're hosting a small get-together or attending a larger party, incorporating freak or drink questions can elevate the mood and create memorable moments.

What Are Freak or Drink Questions?

At its core, freak or drink questions are prompts or challenges designed to push people slightly out of their comfort zones. The "freak" part involves answering a bold or revealing question—usually about personal preferences, embarrassing moments, or hypothetical scenarios. If the person opts not to answer or refuses the challenge, they must take a drink instead. This dynamic makes the game both entertaining and interactive.

These questions often cover a wide range of topics, from relationships and crushes to funny habits and secret talents. The unpredictability of the questions keeps everyone on their toes, making the game especially engaging.

Why Are Freak or Drink Questions So Popular?

There's a certain thrill in sharing secrets or daring someone to reveal something unexpected. Freak or drink questions tap into this by blending humor, curiosity, and a little bit of risk. The game also lowers social barriers, making it easier for people to connect and laugh together.

Additionally, the drinking element introduces a playful consequence, encouraging participants to weigh their comfort against the potential fun. For many, this mix of social daring and lighthearted challenge is what makes freak or drink questions so addictive at parties.

Best Types of Freak or Drink Questions to Use

Choosing the right questions can make or break the game. It's important to strike a balance between fun, respectful, and appropriate content depending on your group. Here are some popular categories to consider:

Funny and Lighthearted Questions

These questions are perfect for breaking the ice without making anyone uncomfortable. Examples include:

- What's the weirdest thing you've ever eaten?
- Have you ever accidentally sent a text to the wrong person?
- What's your most embarrassing dance move?

Such questions invite laughter and amusing stories, keeping the vibe relaxed.

Flirty and Relationship-Oriented Questions

If your group is comfortable with a more intimate tone, these questions can spark interesting conversations:

- Who was your first crush?
- Have you ever had a crush on someone in this room?
- What's your biggest turn-on?

These prompts can bring a playful edge to the game, perfect for close friends or couples.

Bold and Revealing Questions

For groups that enjoy pushing boundaries, these questions can stir up excitement:

- What's a secret you've never told anyone?
- Have you ever broken the law?
- What's the most rebellious thing you've done?

It's important to ensure everyone feels safe and willing before diving into these deeper questions.

How to Host a Great Freak or Drink Game Night

Hosting a freak or drink questions game can be straightforward, but a few tips can help ensure everyone has a blast.

Set Clear Boundaries

Before starting, it's crucial to establish what types of questions are off-limits. This prevents anyone from feeling uncomfortable or pressured. Encourage honesty but respect personal

limits.

Keep the Atmosphere Light and Fun

The goal is to enjoy and connect, not to embarrass or upset anyone. Remind participants that they can always choose to take a drink instead of answering a question.

Use a Mix of Question Types

Variety keeps the game interesting. Alternate between silly, flirty, and daring prompts to maintain energy and engagement.

Prepare Backup Questions

Sometimes the flow of the game can stall if a question feels too challenging or dull. Having a list of backup freak or drink questions ready can keep things moving smoothly.

Tips for Creating Your Own Freak or Drink Questions

Personalizing your questions can make the game more relevant and engaging for your group. Here are some strategies:

- **Know your audience:** Tailor questions based on the group's interests, age, and comfort levels.
- **Keep it conversational:** Phrase questions naturally to avoid sounding scripted.
- **Mix humor with sincerity:** Include a blend of silly and meaningful prompts.
- **Avoid overly sensitive topics:** Steer clear of questions about trauma, finances, or anything that could cause discomfort.
- **Be creative:** Think outside the box by incorporating inside jokes or references relevant to your group.

Alternative Versions and Variations

If you want to mix things up, there are several variations of freak or drink questions that can add a new flavor to the game.

Freak or Dare

Instead of drinking, players can opt to perform a dare if they don't want to answer the question. This can be a fun twist for groups who prefer active challenges over drinking.

Freak or Truth

This variation combines elements of truth-or-dare, where players must choose between answering a freaky question truthfully or facing a dare. It's a great way to keep the game dynamic.

Freak or Shot

Similar to the traditional game, but with shots instead of casual drinks. This ups the stakes and is better suited for adult parties where everyone is comfortable with stronger drinks.

Popular Freak or Drink Questions to Get You Started

Here are some tried-and-true questions that work well in most settings:

1. What's the weirdest thing you've ever done on a dare?
2. Have you ever lied to get out of trouble?
3. What's a guilty pleasure you're embarrassed to admit?
4. Who in this room would you most want to switch lives with for a day?
5. Have you ever had a crush on a teacher or boss?
6. What's the most ridiculous excuse you've used to avoid a date?
7. What's one thing you'd never want your parents to find out about?

8. Have you ever snooped through someone's phone or messages?
9. What's the strangest dream you've ever had?
10. If you had to eat one food for the rest of your life, what would it be?

These prompts are designed to encourage storytelling, laughter, and sometimes surprising revelations.

Integrating Freak or Drink Questions Into Virtual Gatherings

With more socializing happening online, freak or drink questions have adapted well to virtual platforms. Apps like Zoom, Skype, or Google Meet make it easy to play remotely.

Some tips for virtual play:

- Use breakout rooms for smaller group interactions.
- Share a list of questions via chat or screen share.
- Encourage participants to prepare their own questions in advance.
- Be mindful of varying alcohol consumption habits, and allow non-alcoholic alternatives for those who prefer.

Virtual freak or drink games can help friends stay connected and have fun despite physical distance.

Playing freak or drink questions is more than just a game—it's a way to build camaraderie, laugh together, and make social moments unforgettable. Whether you're a seasoned pro or a first-time player, the right questions and a playful attitude can turn any gathering into a lively celebration. So next time you want to spice up your party or break the ice, consider pulling out some freak or drink questions and watch the fun unfold.

Frequently Asked Questions

What are 'freak or drink' questions?

'Freak or drink' questions are a type of party game where participants must choose to either perform a bold, often embarrassing or revealing dare (the 'freak') or take a drink as a consequence.

How do you play the 'freak or drink' game?

Players take turns answering provocative or challenging questions. If they refuse to answer or perform the dare, they must take a drink. The game continues with each player facing

their own 'freak or drink' dilemma.

What types of questions are common in 'freak or drink'?

Questions typically involve personal, daring, or intimate topics that encourage honesty or bold actions, such as revealing secrets, performing dares, or sharing embarrassing moments.

Is 'freak or drink' suitable for all audiences?

No, 'freak or drink' often contains mature or risqué content and is best suited for adult audiences in a private, consensual setting.

Can 'freak or drink' be played without alcohol?

Yes, players can substitute alcoholic drinks with non-alcoholic beverages or other fun penalties to accommodate different preferences or maintain sobriety.

What are some examples of 'freak or drink' questions?

Examples include: 'Have you ever had a crush on someone in this room?', 'Show your best dance move', or 'Share your most embarrassing moment.' Players then choose to answer or drink.

How can 'freak or drink' enhance social gatherings?

The game encourages openness, laughter, and bonding by prompting participants to share stories or perform fun dares, breaking the ice and creating memorable moments.

Are there any safety tips for playing 'freak or drink'?

Yes, ensure everyone consents to the questions and dares, avoid pressuring anyone, set limits on drinking, and prioritize respect and comfort to keep the game enjoyable for all.

Freak or Drink Questions: An In-Depth Exploration of the Popular Party Game

freak or drink questions have surged in popularity as a central element in many social gatherings, parties, and virtual hangouts. This game, blending elements of truth, dares, and drinking challenges, invites participants to answer provocative questions or take a sip of their chosen beverage instead. Its appeal lies in its simplicity, spontaneity, and the social dynamics it sparks among players. As an investigative look into this phenomenon, it is essential to analyze the structure, appeal, and implications of freak or drink questions within contemporary social contexts.

Understanding Freak or Drink Questions

At its core, freak or drink is a party game that revolves around players being faced with a choice: answer a potentially embarrassing or revealing question ("freak") or consume an alcoholic drink ("drink"). The questions often probe personal boundaries, preferences, or experiences, designed to encourage openness or discomfort, depending on the participants' willingness to engage. These questions range from lighthearted and humorous to more intimate or risqué, depending on the setting and group dynamics.

The game's format creates a unique social interaction, where players balance risk and reward, vulnerability and avoidance. The "freak" component encourages honesty and self-disclosure, often leading to laughter, surprise, or sometimes awkwardness. Conversely, the "drink" option introduces an element of consequence and social lubrication, influencing the mood and often the pace of the game.

The Appeal of Freak or Drink Questions in Social Settings

The widespread attraction to freak or drink questions can be attributed to several psychological and social factors:

- **Breaking the Ice:** In new or mixed company, these questions serve as an effective icebreaker, facilitating conversation and easing social anxiety.
- **Encouraging Authenticity:** The game pushes participants to reveal truths or opinions they might otherwise withhold, fostering a sense of authenticity and connection.
- **Injecting Humor and Entertainment:** Many questions are crafted to be funny or absurd, adding a layer of entertainment and lightheartedness.
- **Facilitating Group Cohesion:** Shared vulnerability and laughter can strengthen social bonds among participants.

However, the game also walks a fine line, as questions that are too invasive or personal can lead to discomfort or conflict, highlighting the importance of setting clear boundaries and maintaining respect within the group.

Types of Freak or Drink Questions and Their Effects

The diversity of freak or drink questions is vast, and the selection of questions often shapes

the game's atmosphere. Broadly, these questions can be categorized as follows:

Light and Humorous Questions

These questions are designed to amuse and entertain without crossing personal boundaries. Examples include:

- "What's the weirdest food you've ever eaten?"
- "If you could have any superpower, what would it be?"
- "What's your most embarrassing childhood memory?"

Such questions tend to keep the mood upbeat and foster playful interactions without risking discomfort.

Personal and Revealing Questions

These inquiries delve into personal experiences, preferences, or opinions and often prompt more serious or intimate disclosures:

- "Have you ever had a crush on someone at this party?"
- "What's a secret you've never told anyone?"
- "What's your biggest fear?"

While these questions can deepen connections, they may also introduce tension if players feel pressured or exposed.

Risqué and Provocative Questions

This category includes questions that are suggestive or flirtatious, often intended to spice up adult gatherings:

- "What's your wildest fantasy?"
- "Have you ever kissed someone of the same sex?"

- “What’s the craziest place you’ve had sex?”

These questions can elevate the game's intensity but require careful consideration to avoid crossing personal boundaries or causing discomfort.

Analyzing the Social Dynamics and Psychological Impact

Freak or drink questions serve as a microcosm of social interaction, revealing how people navigate vulnerability, peer pressure, and social norms. Several psychological mechanisms are at play:

Pressure and Choice

Players must decide between revealing information or consuming alcohol. This binary choice introduces social pressure, often amplified by group dynamics. The decision-making process can reveal individual comfort zones and coping strategies.

Facilitation of Social Bonding

When participants willingly engage in self-disclosure, the game can foster empathy and trust. Shared secrets or humorous admissions can enhance feelings of belonging and acceptance.

Potential for Discomfort and Conflict

Not all questions are received positively. Intrusive or inappropriate questions risk alienating players, leading to embarrassment or conflict. This underscores the necessity of consent and sensitivity in selecting questions.

Incorporating Freak or Drink Questions into Events: Best Practices

For hosts or participants aiming to integrate freak or drink questions into social events, several best practices can enhance the experience:

1. **Set Clear Boundaries:** Establish what topics are off-limits to ensure all participants

feel safe and respected.

2. **Gauge the Group's Comfort Level:** Tailor questions to the participants' age, relationship dynamics, and cultural backgrounds.
3. **Encourage Voluntary Participation:** Players should feel free to choose the "drink" option without judgment to avoid coercion.
4. **Balance Question Difficulty:** Mix lighthearted questions with more personal ones to maintain a comfortable atmosphere.
5. **Monitor Alcohol Consumption:** Encourage responsible drinking to prevent overindulgence or negative consequences.

These guidelines can help maintain the game's fun and engaging nature while safeguarding participants' well-being.

Digital Adaptations and Online Popularity

In recent years, freak or drink questions have transitioned successfully to virtual platforms, especially amid increased online socializing. Mobile apps, online party games, and social media have popularized digital versions, which often include curated question decks and customizable settings. These adaptations retain the core mechanics but add convenience and scalability, enabling friends separated by distance to connect through playful interaction.

Comparisons with Similar Party Games

Freak or drink questions share similarities with other popular party games like "Truth or Dare" and "Never Have I Ever." Each game emphasizes revealing truths or completing challenges but varies in structure and social dynamics.

- **Truth or Dare:** Players choose between answering a question truthfully or performing a dare, often physical or embarrassing.
- **Never Have I Ever:** Participants disclose experiences they have or haven't had, often accompanied by drinking penalties.
- **Freak or Drink:** Focuses on answering provocative questions or drinking, combining elements of both truth-telling and consequence.

Freak or drink questions distinguish themselves by explicitly linking the decision to answer a question with the alternative of consuming alcohol, creating a direct behavioral

consequence tied to social disclosure.

The rising popularity of freak or drink questions reflects a broader cultural trend toward interactive, experiential entertainment that emphasizes social connection and spontaneity. When deployed thoughtfully, it can be a catalyst for memorable and meaningful social experiences.

freak or drink questions: *Love On the Defense* Marika Ray, 2018-03-15 When you've lived your whole life on the defense, true love isn't something you believe in anymore. Dean This girl should have a warning label: comes with baggage. But hell, we all have baggage and mine is saying I need to save Brinley. She pushes me away at every opportunity and then drops the most ridiculous jokes that catch me off guard. She's so much more than a beautiful face. I want to show her how a real man treats the woman he loves. If she lets me... Brinley I had a nightmare of a childhood surviving the abuse of my father. Through it all I've had one goal: become a professional beach volleyball player. My life plan was going so well until I met Dean, a gorgeous lifeguard determined to save me from myself. And don't get me started on the crazy Beach Squad that tries to befriend me and pull me out of my shell. When everything I thought I knew about my past changes, can I find lasting love with Dean while still achieving my pro career? *Love on the Defense*, formerly titled *Beach B!tch*, is the second book in a series of small town romance novels with a splash of humor. If you like strong, sassy heroines, witty banter, and happily ever afters set at the beach, then you'll love Marika Ray's *Beach Squad* series.

freak or drink questions: *Irresponsible Freaks* Bob Edwards, 2011-11-15 Bob Edwards, the Great White North's equivalent to H. L. Mencken, remains a singular figure in Canadian journalism. His newspapers, published in Wetaskiwin, Leduc, High River, Strathcona, Winnipeg, Port Arthur, and most famously Calgary, skewered politics, society, and business leaders with a fearlessness and outrageousness rarely seen then, now, or in between. As editor James Martin points out in his illuminating introduction, Bob Edwards seems more modern the farther back in history he recedes; he was the granddaddy of Gonzo Journalism à la Hunter S. Thompson, a freewheeling cultural critic in the spirit of Lester Bangs, a pioneer of satirical reform as evidenced in *Frank* magazine, and a spoofer of the po-faced reporting of his day in precisely the same way that *The Onion* is now. *Irresponsible Freaks*, *Highball Guzzlers* and *Unabashed Grafters* features mountains of Edwards's superb aphorisms, a generous helping of his longer and lesser-known works, and some choice items which have never before seen print, as well as miraculous archival discoveries and many cartoons from Edwards's celebrated *Eye Opener*. It is a welcome addition to the Bob Edwards canon for those who thought they knew everything about him, and an eye-opening introduction to the uninitiated: He was writing this stuff a hundred years ago!

freak or drink questions: *Jesus Freaks: Sins of the Father* Andrea Randall, 2014-08-24 Intelligent, thought-provoking, heart-twisting. Andrea Randall proves once again that she is an eloquent writer and creator of characters who will stay with you long after you finish the book. ~Melissa Brown, author of *Wife Number Seven* Kennedy Sawyer is the valedictorian of her upper

middle class, liberal high school. Roland Abbot is the charismatic, attractive televangelist from New Life Church with a dark past and an illegitimate child. Ignoring the cautions of her mother and the confusion of her Ivy League-bound friends, Kennedy enrolls at the conservative Christian Carter University where her sights are set on Roland Abbot—her birth father. Kennedy's intentions are to learn more about her father than the Bible. However, roommates who are quick to evangelize to strangers, an RA who seems to be hiding something, and friends in the most unlikely places challenge everything she's ever held as true in the raging battle of us vs. them.

freak or drink questions: Managing Humans Michael Lopp, 2012-11-30 The humor and insights in the 2nd Edition of *Managing Humans* are drawn from Michael Lopp's management experiences at Apple, Netscape, Symantec, and Borland, among others. This book is full of stories based on companies in the Silicon Valley where people have been known to yell at each other and occasionally throw chairs. It is a place full of dysfunctional bright people who are in an incredible hurry to find the next big thing so they can strike it rich and then do it all over again. Among these people are managers, a strange breed of people who, through a mystical organizational ritual, have been given power over the future and bank accounts of many others. Whether you're an aspiring manager, a current manager, or just wondering what the heck a manager does all day, there is a story in this book that will speak to you—and help you survive and prosper amongst the general craziness. Lopp's straight-from-the-hip style is unlike any other writer on management. He pulls no punches and tells stories he probably shouldn't. But they are massively instructive and cut to the heart of the matter whether it's dealing with your boss, handling a slacker, hiring top guns, or seeing a knotty project through to completion. This second editions expands on the management essentials. It will explain why we hate meetings, but must have them, it carefully documents the right way to have a 1-on-1, and it documents the perils of not listening to your team. Writing code is easy. Managing humans is not. You need a book to help you do it, and this is it.

freak or drink questions: Irresponsible Freaks, Highball Guzzlers & Unabashed Grafters Bob Edwards, 2004 Bob Edwards, the Great White North's equivalent to H. L. Mencken, remains a singular figure in Canadian journalism. His newspapers, published in Wetaskiwin, Leduc, High River, Strathcona, Winnipeg, Port Arthur, and most famously Calgary, skewered politics, society, and business leaders with a fearlessness and outrageousness rarely seen then, now, or in between. As editor James Martin points out in his illuminating introduction, Bob Edwards seems more modern the farther back in history he recedes; he was the granddaddy of Gonzo Journalism à la Hunter S. Thompson, a freewheeling cultural critic in the spirit of Lester Bangs, a pioneer of satirical reform as evidenced in *Frank* magazine, and a spoofer of the po-faced reporting of his day in precisely the same way that *The Onion* is now. *Irresponsible Freaks, Highball Guzzlers and Unabashed Grafters* features mountains of Edwards's superb aphorisms, a generous helping of his longer and lesser-known works, and some choice items which have never before seen print, as well as miraculous archival discoveries and many cartoons from Edwards's celebrated *Eye Opener*. It is a welcome addition to the Bob Edwards canon for those who thought they knew everything about him, and an eye-opening introduction to the uninitiated: He was writing this stuff a hundred years ago!

freak or drink questions: Beach Squad Boxed Set Marika Ray, 2018-12-01 A complete small town beach romance series for readers who love their romance with laughs, steam, and strong heroines! freak or drink questions: *Horde* Ann Aguirre, 2013-10-29 Salvation is surrounded, monsters at the gates, and this time, they're not going away. When Deuce, Fade, Stalker and Tegan set out, the odds are against them.

freak or drink questions: *The Terrible We* Cameron Awkward-Rich, 2022-08-08 In *The Terrible We* Cameron Awkward-Rich thinks with the bad feelings and mad habits of thought that persist in both transphobic discourse and trans cultural production. Observing that trans studies was founded on a split from and disavowal of madness, illness, and disability, Awkward-Rich argues for and models a trans criticism that works against this disavowal. By tracing the coproduction of the categories of disabled and transgender in the United States at the turn of the twentieth century and analyzing transmasculine literature and theory by Eli Clare, Elliott DeLine, Dylan Scholinski, and others, Awkward-Rich suggests that thinking with maladjustment might provide new perspectives on the impasses arising from the conflicted relationships among trans, feminist, and queer. In so doing, he demonstrates that rather than only impeding or confining trans life, thought, and creativity, forms of maladjustment have also been and will continue to be central to their development. Duke University Press Scholars of Color First Book Award recipient

freak or drink questions: *Guards of Haven* Simon R. Green, 2007-09-04 He's Hawk. She's Fisher. They're cops, patrolling the mean streets of the ancient city misnamed Haven, a sinister place where demons, thieves, sorcerers, and murderers own the night and anything can be bought-except justice.

freak or drink questions: *Drinking with Men* Rosie Schaap, 2013-01-24 NPR "Best Books of 2013" BookPage Best Books of 2013 Library Journal Best Books of 2013: Memoir Flavorwire 10 Best Nonfiction Books of 2013 A vivid, funny, and poignant memoir that celebrates the distinct lure of the camaraderie and community one finds drinking in bars. Rosie Schaap has always loved bars: the wood and brass and jukeboxes, the knowing bartenders, and especially the sometimes surprising but always comforting company of regulars. Starting with her misspent youth in the bar car of a regional railroad, where at fifteen she told commuters' fortunes in exchange for beer, and continuing today as she slings cocktails at a neighborhood joint in Brooklyn, Schaap has learned her way around both sides of a bar and come to realize how powerful the fellowship among regular patrons can be. In *Drinking with Men*, Schaap shares her unending quest for the perfect local haunt, which takes her from a dive outside Los Angeles to a Dublin pub full of poets, and from small-town New England taverns to a character-filled bar in Manhattan's TriBeCa. Drinking alongside artists and expats, ironworkers and soccer fanatics, she finds these places offer a safe haven, a respite, and a place to feel most like herself. In rich, colorful prose, Schaap brings to life these seedy, warm, and wonderful rooms. *Drinking with Men* is a love letter to the bars, pubs, and taverns that have been Schaap's refuge, and a celebration of the uniquely civilizing source of community that is bar culture at its best.

freak or drink questions: *Why Can't I Drink Like Everyone Else?* Rachel Hart, 2017-06-09 From a certified life coach, a guide for the sober curious on how to take a break from alcohol. Many people have silently asked themselves why can't I drink like everyone else? They wonder why sometimes it feels like alcohol has a pull over them, that they don't understand, and don't like to talk about. They are frustrated that other people can control how much they drink without any problem, when their efforts are often hit or miss. Rachel Hart has spent years trying to answer these questions for herself and untangle this mystery. Deep down, she was afraid that her drinking was always going to be a problem, and grew more and more frustrated of the repercussions. As the years mounted, she worried that not being able to rein herself in meant something was really wrong with her. There is a solution?and it doesn't require anyone to wear a label for the rest of their life or admit to being powerless. In fact, the tools outlined inside will reveal just how much power there is within each and every person struggling with this issue.

freak or drink questions: *Catspaw* Joan D. Vinge, 2002-11-23 Cat, a telepathic half-human, half-alien orphan and future punk, is kidnapped, taken to Earth, and forced to protect those he hates most, the taMings, until he discovers that he is not a bodyguard, he is the bait.

freak or drink questions: *101 Road Patrol Tales* E. W. Tompkins, Jr., 2011-08 Bringing to light an entertaining array of anecdotes, this collection of police stories recalls some of the strangest, funniest, and most poignant accounts from the freeways, highways, and country roads throughout California. From the family who pulled over for a picnic on the median strip of a busy freeway to the angelic-looking 5-year-old girl who defused a tense traffic stop by sweetly confessing, my daddy has a beer under the seat, this is an uncompromising view of the everyday pursuits, enforcement stops, arrests, accidents, and weird encounters that patrolmen must endure. Also featured is a panoply of unlikely drunk-driving suspects, including Santa Claus, a Boy Scout troop leader, a newlywed couple, and an airline pilot on his way to fly a plane; the traffic stop of an elderly driver whose license had expired 35 years earlier--and who explained he was on his way to the DMV; and many more hilarious, odd, and tragic stories of life and death on the open road. Encouraging a renewed respect for the men and women in uniform who risk their lives to protect the public, this compilation also contains advice on highway safety and how to behave when pulled over by a patrol officer.

freak or drink questions: *The Freak Show: Freaks, Monsters, Ghouls, Etc* Peter Haining, 1972

freak or drink questions: *Lucky* Jane Smiley, 2025-03-18 From the best-selling, Pulitzer Prize-winning writer, a soaring, soulful novel about a folk musician who rises to fame across our changing times Before Jodie Rattler became a star, she was a girl growing up in St. Louis. One day in 1955, when she was just six years old, her uncle Drew took her to the racetrack, where she got lucky—and that roll of two-dollar bills she won has never since left her side. Jodie thrived in the warmth of her extended family, and then—through a combination of hardwork and serendipity—she started a singing career, which catapulted her from St. Louis to New York City, from the English countryside to the tropical beaches of St. Thomas, from Cleveland to Los Angeles, and back again. Jodie comes of age in recording studios, backstage, and on tour, and she tries to hold her own in the wake of Janis Joplin, Joan Baez, Judy Collins, and Joni Mitchell. Yet it feels like something is missing. Could it be true love? Or is that not actually what Jodie is looking for? Full of atmosphere, shot through with longing and exuberance, romance and rock 'n' roll, *Lucky* is a story of chance and grit and the glitter of real talent, a colorful portrait of one woman's journey in search of herself.

freak or drink questions: *Insiders* Marvin H. McIntyre, 2011-06 For veteran Wall Street adviser Mac McGregor, a plunging stock market, global panic, and white-knuckled clients create a trifecta of agony. Against this backdrop of guaranteed sleepless nights, McGregor receives a bizarre request from old friend Sam Golden, who leads the new president's transition team with the ambitious mission to clean up Wall Street. Golden's first target is Jeremy Lyons, a former colleague of McGregor's and a hedge fund manager who plays by his own rules. With no physical or electronic footprint to guide them, can Mac and Sam somehow locate a billionaire who does not want to be found?

freak or drink questions: *The Razorland Trilogy* Ann Aguirre, 2014-11-18 The Razorland Trilogy: *Enclave*, *Outpost*, and *Horde* The New York Times—bestselling trilogy is the story of two young people in an apocalyptic world—facing dangers, and feelings, unlike any they've ever known. *Enclave*: Fifteen-year-old Deuce lives in a world below New York City which has been decimated by war and plague. As part of her new role as Huntress, Deuce is paired with Fade, another teenage Hunter. When the pair discovers that the neighboring enclave has been decimated by tunnel monsters, the elders refuse to listen to their warnings. And when Deuce and Fade are exiled from the enclave, the girl born in darkness must survive in daylight in the ruins of a city whose population has dwindled to a few dangerous gangs. *Outpost*: Deuce's whole world has changed. Down below, she was considered an adult. Now, topside in a town called Salvation, she's a brat in need of training in the eyes of the townsfolk. To make matters worse, her Hunter partner, Fade, keeps Deuce at a distance. Her feelings for Fade are still strong, but he seems not to want her around anymore. Things have been changing on the surface, just as they did below ground. The monsters don't intend to let Salvation survive, and it may take a girl like Deuce to turn back the tide. *Horde*: The survival of Salvation is up to Deuce, Fade, Stalker, and Tegan. Deuce decides the only way to fight an army is

to raise one. At first, everyone laughs at the idea of a girl leading humanity's forces against the Freaks, but then she proves herself in combat. Can Deuce render a permanent truce with the Freaks? Who will survive? Includes bonus chapters from Ann Aguirre's *Mortal Danger*!

freak or drink questions: The End of My Life Vance Bourjaily, 2015-04-28 Vance Bourjaily's classic novel of World War II dramatizes an entire generation's loss of innocence. When Thomas "Skinner" Galt leaves Greenwich Village to volunteer as an ambulance driver with the British Army, he anticipates the adventure of a lifetime. What he fails to understand is that no matter where he comes from or how many books he has read, once he dons a military uniform, his life will cease to be his own. Stationed first in the Middle East and then in Italy, Skinner and his fellow American volunteers, Rod, Freak, and Benny, endure boredom, fear, and the exquisite frustration of following orders. They seek solace in their friendship with one another and in the debauched diversions available to men during wartime. But as the days and nights drag on, Skinner begins to drift away from his comrades—and from himself. Too late, he discovers that the path he has chosen leads only to tragedy. Inspired by Vance Bourjaily's experiences as an ambulance driver in the American Field Service and commissioned by legendary editor Maxwell Perkins, *The End of My Life* marked the arrival of a writer heralded by the *New York Times* as "a Dostoevsky of the generation that came of age in World War II." Elegant, spare, and fiercely honest, this is a timeless portrait of the devastating effects of war on the human spirit.

freak or drink questions: The Last Queen of the Gypsies William Cobb, 2010-11-01 William Cobb's first novel in nine years is a brilliant, quirky, highly readable story as compelling as it is original. Its main characters journey on parallel quests: Lester Ray, a fourteen-year-old boy who was deserted by his mother when he was a baby and has now escaped his abusive alcoholic father, and Minnie, a woman who was abandoned by her Gypsy family of migrant fruit pickers when she was eleven. The novel interweaves their searches for families they never really knew. It ranges from the Great Depression to the mid-1960s, and from the panhandle of Florida, where much of the novel is set, to New York City during World War II, to the Georgia and Carolina coasts, to Fort Myers and south Florida. Lester Ray finds work with a carnival as he looks for his mother, accompanied by all the odd and strange and wonderful people who make up that world. Minnie moves from the dry sandy heat of central Florida in 1933, to a brothel in Cedar Key, to New York, to the little town of Piper, to the winter camps of the Gypsies near Fort Myers. She is—first as a girl, then as a woman—a person of immense fortitude and strength, as engaging and unforgettable as Scarlett O'Hara.

freak or drink questions: Fate High School Sophie Stern, All three novels included! Fate smiles upon the wicked... Prison. That's where my dad is, and the word tastes sour and wrong on my tongue. Prison. He doesn't deserve to be there. I know that. The set-up was done by someone wicked, someone who wants him out of the game. After all, there's a lot of truth to the saying, Out of sight, out of mind. My aunt takes pity on me and takes me in, which means I get to spend all of my days at Fate High School. The school is its own sort of prison, but it doesn't matter. I'm just biding my time until I can actually prove that my dad is innocent: that he doesn't deserve what happened to him. In the meantime, I'm stuck navigating a new school, new groups, and new cliques. Oh, and the Legends. The three bad-boy bullies of the school have their own little group, one I want no part of. Too bad they can't seem to take their eyes off of me. This omnibus edition includes all three Fate High School romances. Each story is a complete why-choose standalone featuring a snarky, sassy heroine and the bad boys who won't let her go.
