

hojoki visions of a torn world

****Hojoki Visions of a Torn World: Exploring Impermanence and Transience in Medieval Japan****

hojoki visions of a torn world invite us into a profound reflection on impermanence, chaos, and the fragile nature of human existence. Originally penned by the Japanese Buddhist monk Kamo no Chomei in the early 13th century, **Hojoki** (translated as **An Account of My Hut**) offers poignant insights through vivid descriptions of natural disasters, social upheaval, and personal solitude. Its meditative prose captures a world seemingly unraveling at the seams, yet also points toward a deeper acceptance of life's fleeting beauty. In this article, we'll explore how **Hojoki** presents these visions of a torn world, their cultural and philosophical significance, and why they continue to resonate in today's fast-changing society.

The Heart of Hojoki: A Snapshot of a Torn World

Hojoki was written during a period marked by turbulence—the late Heian to early Kamakura era—when Japan experienced wars, fires, famines, and earthquakes. Kamo no Chomei's reflections are shaped by these cataclysmic events, which he uses as metaphors for the impermanence of all things. The text opens with a vivid and almost haunting depiction of a city in ruins, setting the stage for what can be described as "visions of a torn world."

These scenes are more than mere reportage; they express a Buddhist worldview that emphasizes the transient nature of worldly attachments. Chomei retreats from society and builds a small hut, symbolizing a physical and spiritual withdrawal from the chaos. His narrative captures the anxiety and dislocation of living amid constant upheaval, while also offering a refuge in simplicity and detachment.

Impermanence and Buddhist Philosophy

Understanding the **Hojoki** visions requires grasping the Buddhist concept of **mujo** (impermanence). Chomei's descriptions of calamities—fires that consume entire neighborhoods, floods that drown homes—aren't just historical events; they are manifestations of a universal truth: everything is subject to change and decay. This perspective encourages readers to reconsider their attachments to material possessions, status, and even life itself.

By living in a humble hut and embracing solitude, Chomei embodies the ideal of non-attachment, suggesting that peace comes not from controlling the external world but from cultivating inner tranquility. These themes resonate deeply with readers who seek meaning amid instability, making **Hojoki** a timeless meditation on the human condition.

Historical Context: The World Torn Apart by Disaster and Change

The Japan of Kamo no Chomei's time was far from stable. The late 12th and early 13th centuries witnessed a series of devastating events that shook society to its core:

- **The Great Fire of Kyoto (1177):** This fire destroyed large parts of the imperial capital, displacing thousands and symbolizing the fragility of urban life.
- **Earthquakes and Floods:** Natural disasters compounded the suffering, often wiping out crops and homes, leading to famine and social unrest.
- **Political Upheaval:** The decline of the aristocracy and the rise of the samurai class introduced new dynamics of power and conflict.

These events form the backdrop of *Hojoki* and contribute to its powerful imagery. The "torn world" Chomei describes is not just a metaphor—it was a lived reality for many. His writings offer an eyewitness perspective on how people grappled with uncertainty and loss.

The Role of Nature in *Hojoki*'s Visions

Nature in *Hojoki* is both destructive and sublime. It is the force that dismantles human constructs but also the source of beauty and renewal. Chomei's detailed observations of changing seasons, flowing rivers, and mountains create a rich tapestry that contrasts with the chaos of human affairs.

This duality reminds readers that while the world may seem torn and unstable, it is also part of a larger, harmonious cycle. Recognizing this can foster a sense of humility and acceptance.

Literary Style and Impact of *Hojoki* Visions of a Torn World

The style of *Hojoki* is deceptively simple, marked by poetic elegance and clarity. Chomei's use of imagery and metaphor paints vivid pictures that engage the senses and emotions. The text flows between external events and internal reflection, inviting readers into a contemplative space.

This blend of personal narrative and universal insight has made *Hojoki* a classic not only in Japanese literature but also in world literature. Its themes have influenced countless writers and artists who explore human vulnerability and resilience.

Why *Hojoki* Still Matters Today

In an era defined by rapid technological change, environmental crises, and social instability, the visions

of a torn world in *Hojoki* feel remarkably relevant. Many people today experience a sense of dislocation similar to that expressed by Chomei—whether through natural disasters, pandemics, or political upheaval.

The wisdom of *Hojoki* lies in its call to embrace impermanence and find peace within, rather than resisting the inevitable changes. This message can offer solace and guidance for anyone facing uncertainty.

Lessons from Hojoki for Modern Life

- **Simplify and detach:** Like Chomei's humble hut, creating physical and mental spaces free from clutter can help reduce stress and foster clarity.
- **Accept change:** Instead of fighting the flow of life's ups and downs, learning to adapt with grace can lead to resilience.
- **Cultivate mindfulness:** Being present in the moment, appreciating nature's beauty amid turmoil, can ground us.
- **Reflect on impermanence:** Remembering that all things pass encourages gratitude and prioritizes what truly matters.

Exploring Interpretations and Adaptations of Hojoki

Over the centuries, *Hojoki* has inspired various interpretations, from scholarly analyses to creative adaptations in art, film, and theater. Each reimagining highlights different facets of the torn world vision—whether focusing on ecological disaster, spiritual solitude, or societal collapse.

Modern readers and creators often use *Hojoki* as a lens to examine contemporary issues like climate change, urban alienation, and existential anxiety. This ongoing dialogue between past and present enriches our understanding of impermanence and human resilience.

Notable Adaptations and Cultural References

- **Japanese calligraphy and painting:** Artists interpret *Hojoki*'s themes through evocative brushwork that captures fleeting moments.
- **Literary works:** Poets and novelists have drawn on Chomei's reflections to explore themes of loss and renewal.
- **Film and theater:** Performances inspired by *Hojoki* often emphasize solitude and the passage of time, inviting audiences to contemplate their own place in a changing world.

Final Reflections on Hojoki Visions of a Torn World

Engaging with *Hojoki* is like stepping into a mirror that simultaneously reflects a distant past and our inner present. Its visions of a torn world remind us that chaos and beauty coexist, that destruction paves the way for renewal, and that peace is found not in permanence but in acceptance.

Whether as a historical document, a spiritual guide, or a literary masterpiece, *Hojoki* continues to offer invaluable insights. It challenges us to confront the impermanence around and within us and to find meaning in the fleeting moments that make up our lives. The torn world may seem daunting, but through *Hojoki*'s eyes, it becomes a canvas for profound reflection and enduring hope.

Frequently Asked Questions

What is 'Hojoki: Visions of a Torn World' about?

'Hojoki: Visions of a Torn World' is a reflective essay written by Kamo no Chomei in the 13th century, depicting the impermanence and chaos of the world through vivid descriptions of natural disasters and social upheaval.

Who is the author of 'Hojoki: Visions of a Torn World'?

The author of 'Hojoki: Visions of a Torn World' is Kamo no Chomei, a Japanese poet and essayist from the late Heian and early Kamakura periods.

What themes are explored in 'Hojoki: Visions of a Torn World'?

'Hojoki' explores themes of impermanence, suffering, detachment from worldly desires, and the search for peace amid chaos.

Why is 'Hojoki: Visions of a Torn World' considered an important work in Japanese literature?

'Hojoki' is considered important for its poetic prose style and its profound philosophical reflections on the impermanent nature of life, influencing Japanese aesthetics and Buddhist thought.

How does 'Hojoki' reflect the historical context of its time?

'Hojoki' reflects the turbulent times of 12th-13th century Japan, marked by natural disasters, fires, famines, and political instability, which deeply impacted the author's worldview.

What literary style is used in 'Hojoki: Visions of a Torn World'?

'Hojoki' is written in a poetic and contemplative prose style, blending narrative with philosophical meditation, often categorized as *zuihitsu* (random jottings).

How has 'Hojoki: Visions of a Torn World' influenced modern literature and philosophy?

'Hojoki' has influenced modern literature and philosophy by inspiring reflections on impermanence, simplicity, and the human condition, resonating with themes in existentialism and minimalism.

Where can I find an English translation of 'Hojoki: Visions of a Torn World'?

English translations of 'Hojoki' are available in various anthologies of Japanese literature and standalone editions; notable translators include Donald Keene and Meredith McKinney.

****Hojoki Visions of a Torn World: Exploring Impermanence in a Fragmented Society****

hojoki visions of a torn world resonate deeply within the literary and philosophical realms, offering a poignant reflection on impermanence and societal upheaval. Originating from the 13th-century Japanese essay *Hōjōki* by Kamo no Chōmei, this work captures the fragility of human existence amid natural disasters, political turmoil, and the transient nature of life's pleasures. In today's context, the themes articulated in *Hojoki* continue to find relevance, especially as modern societies grapple with environmental crises, social fragmentation, and the relentless pace of change. This article delves into the enduring significance of *Hojoki visions of a torn world*, dissecting its thematic essence and its implications for contemporary discourse on impermanence and societal breakdown.

Unpacking the Historical Context of Hojoki

Kamo no Chōmei's Hōjōki, often translated as *An Account of My Hut*, was composed during a period marked by profound instability in Japan. The early 1200s witnessed a series of devastating events including earthquakes, fires, famines, and political strife. Chōmei's narrative is not merely a personal memoir but an evocative meditation on the widespread suffering and the ephemeral nature of worldly attachments. By situating his reflections in a time of crisis, the essay transcends its immediate historical moment, inviting readers across centuries to contemplate the universal truth of impermanence.

The *hojoki visions of a torn world* emerge vividly through Chōmei's vivid descriptions of the destruction caused by natural disasters and his subsequent withdrawal from urban life into a modest hut. This act symbolizes a renunciation of materialism and a search for spiritual solace amid chaos. Understanding this historical backdrop is crucial to appreciating how *Hojoki* serves as both a social critique and a philosophical treatise on the human condition.

Thematic Exploration of Hojoki Visions of a Torn World

At its core, *Hojoki* grapples with the concept of **impermanence (mujō)**¹, a fundamental idea in Buddhist philosophy. The essay's portrayal of a world constantly subject to upheaval reflects a deep awareness of the transient nature of existence. This theme resonates with contemporary issues such as climate change, political instability, and social fragmentation, making *Hojoki* remarkably prescient.

Impermanence and Human Attachment

Chōmei's reflections underscore the futility of clinging to material wealth and social status in a world where such constructs are vulnerable to sudden collapse. His retreat into simplicity contrasts sharply with the urban chaos, illustrating a conscious choice to embrace impermanence rather than resist it. This philosophical stance encourages a mindset of detachment and acceptance, which remains relevant in today's fast-paced, consumption-driven societies.

Societal Fragmentation and Natural Disasters

The *hojoki visions of a torn world* are not limited to personal introspection but extend to a broader social commentary. The natural disasters described in the essay—fires, earthquakes, floods—serve as metaphors for social disintegration. In modern parallels, these disasters echo the vulnerabilities exposed by global crises such as pandemics, economic recessions, and political upheavals. The text

invites readers to consider how fragile societal structures can be and the importance of resilience.

Relevance of Hojoki in Contemporary Discourse

The enduring appeal of *Hojoki* lies in its universal themes and its capacity to provide perspective during times of crisis. Scholars and commentators often reference *hojoki visions of a torn world* when analyzing the psychological and social impacts of disaster and change.

Modern Interpretations and Adaptations

In recent years, *Hojoki* has inspired a range of cultural productions, including literature, visual arts, and environmental philosophy. Contemporary writers draw parallels between Chōmei's reflections and current global challenges, such as climate change-induced disasters and urban alienation. The work's emphasis on impermanence encourages adaptive thinking and humility in the face of uncertainty.

Philosophical and Psychological Insights

From a psychological standpoint, *Hojoki* offers insight into coping mechanisms for trauma and loss. The author's retreat into solitude and acceptance of impermanence can be interpreted as early forms of mindfulness and resilience training. Philosophically, the essay challenges readers to reevaluate their relationship with the material world, advocating for a balanced life that acknowledges both suffering and beauty.

Comparative Perspectives: Hojoki and Other Literary Works on

Impermanence

While **Hojoki** is a seminal text in Japanese literature, its themes find echoes in other cultural traditions. Comparing **hojoki visions of a torn world** with similar works enhances understanding of its unique contributions and universal resonance.

The Tale of Genji and Hojoki

Both **The Tale of Genji** and **Hojoki** explore themes of transience, though Genji's narrative focuses more on courtly life and romantic impermanence. **Hojoki**'s stark, minimalist style contrasts with Genji's elaborate storytelling, underscoring its philosophical urgency.

Buddhist Texts and the Concept of Mujō

Buddhist scriptures extensively discuss impermanence, with **Hojoki** functioning as a practical, literary embodiment of these teachings. The text's vivid imagery and personal tone make abstract doctrines accessible, bridging religious philosophy and lived experience.

Implications for Modern Urban Life and Environmental Awareness

The **hojoki visions of a torn world** offer a framework for reflecting on contemporary urban challenges and environmental sustainability. The essay's depiction of natural disasters destroying densely populated cities parallels current concerns about urban vulnerability.

- **Urban Vulnerability:** Like Chōmei's Kyoto, modern megacities face risks from natural and man-made catastrophes, emphasizing the need for resilient infrastructure and disaster preparedness.
- **Environmental Sustainability:** The transitory nature of life portrayed in *Hojoki* aligns with growing ecological awareness about the finite nature of resources and the importance of harmonious living with nature.
- **Minimalism and Mindfulness:** Chōmei's rejection of excess materialism parallels modern minimalist movements that advocate for intentional living and environmental responsibility.

Challenges and Critiques of Hojoki's Vision

Despite its profound insights, some critiques argue that *Hojoki* may romanticize withdrawal and detachment, potentially neglecting the need for social engagement and proactive change. While the text advocates acceptance of impermanence, it can be interpreted as advocating passivity in the face of injustice or suffering.

Moreover, the essay's focus on individual spiritual retreat may not fully address collective societal responsibilities, especially in an interconnected globalized world facing complex crises requiring collaborative solutions.

Nonetheless, the *hojoki visions of a torn world* serve as a vital reminder of humility and perspective amidst chaos, complementing rather than replacing active efforts toward social and environmental reform.

In revisiting *Hojoki*, readers encounter a timeless meditation on the fragility of human existence and

societal constructs. Its reflections on impermanence, loss, and resilience transcend cultural and temporal boundaries, offering a lens through which to examine the challenges of a fractured modern world. As contemporary societies continue to navigate uncertainty and change, *hojoki visions of a torn world* remain a powerful narrative urging awareness, acceptance, and thoughtful engagement with the impermanent nature of life.

hojoki visions of a torn world: Hojoki Kamo no Chomei, 1998-07-01 A luminous translation of the classic Buddhist poem. Japan's capital city of Kyoto was devastated by earthquake, storm, and fire in the late 12th century. Retreating from this unkind world, the poet and Buddhist priest Kamo-no-Chomei left the capital for the forested mountains, where he eventually constructed his famous ten-foot-square hut. From this solitary vantage point Chomei produced Hojoki, an extraordinary literary work that describes all he has seen of human misery and his new life of simple chores, walks, and acts of kindness. Yet at the end he questions his own sanity and the integrity of his purpose. Has he perhaps grown too attached to his detachment?

hojoki visions of a torn world: Hojoki Kamo no Chomei, 1998-07-01 An extraordinary literary work from the 12th century, a meditation on nature and mortality.

hojoki visions of a torn world: Artistic Visions and the Promise of Beauty Kathleen M. Higgins, Shakti Maira, Sonia Sikka, 2017-03-06 This volume examines the motives behind rejections of beauty often found within contemporary art practice, where much critically acclaimed art is deliberately ugly and alienating. It reflects on the nature and value of beauty, asking whether beauty still has a future in art and what role it can play in our lives generally. The volume discusses the possible "end of art," what art is, and the relation between art and beauty beyond their historically Western horizons to include perspectives from Asia. The individual chapters address a number of interrelated issues, including: art, beauty and the sacred; beauty as a source of joy and consolation; beauty as a bridge between the natural and the human; beauty and the human form; the role of curatorial practice in defining art; order and creativity; and the distinction between art and craft. The volume offers a valuable addition to cross-cultural dialogue and, in particular, to the sparse literature on art and beauty in comparative context. It demonstrates the relevance of the rich tradition of Asian aesthetics and the vibrant practices of contemporary art in Asia to Western discussions about the future of art and the role of beauty.

hojoki visions of a torn world: Encyclopedia of Life Writing Margaretta Jolly, 2013-12-04 First published in 2001. Routledge is an imprint of Taylor & Francis, an informa company.

hojoki visions of a torn world: Traditional Japanese Literature Haruo Shirane, 2012-09-25 Haruo Shirane's critically acclaimed Traditional Japanese Literature: An Anthology, Beginnings to 1600, contains key examples of both high and low styles of poetry, drama, prose fiction, and essays. For this abridged edition, Shirane retains substantial excerpts from such masterworks as The Tale of Genji, The Tales of the Heike, The Pillow Book, the Man'yoshu, and the Kokinshu. He preserves his

comprehensive survey of secular and religious anecdotes (setsuwa) as well as classical poems with extensive commentary. He features no drama; selections from influential war epics; and notable essays on poetry, fiction, history, and religion. Texts are interwoven to bring into focus common themes, styles, and allusions while inviting comparison and debate. The result is a rich encounter with ancient and medieval Japanese culture and history. Each text and genre is enhanced by extensive introductions that provide sociopolitical and cultural context. The anthology is organized by period, genre, and topic—an instructor-friendly structure—and a comprehensive bibliography guides readers toward further study. Praise for *Traditional Japanese Literature: An Anthology, Beginnings to 1600* Haruo Shirane has done a splendid job at this herculean task.—Joshua Mostow, University of British Columbia A comprehensive and innovative anthology.... All of the introductions are excellent.—*Journal of Asian Studies* One of those impressive, erudite, must-have titles for anyone interested in Asian literature.—*Bloomsbury Review* An anthology that comprises superb translations of an exceptionally wide range of texts.... Highly recommended.—*Choice* A wealth of material.—*Monumenta Nipponica*

hojoki visions of a torn world: *The Spirit of Design* Stuart Walker, 2021-12-24 Imaginative design will be a crucial factor in enacting sustainability in people's daily lives. Yet current design practice is trapped in consumerist cycles of innovation and production, making it difficult to imagine how we might develop a more meaningful and sustainable rendition of material culture. Through fundamental design research, *The Spirit of Design* challenges a host of common assumptions about sustainability, progress, growth and globalization. Walker's practice-based explorations of localisation, human meaning and functional objects demonstrate the imaginative potential of research-through-design and yield a compelling, constructive and essentially hopeful direction for the future - one that radically re-imagines our material culture by meshing mass-production with individuality, products with place, and utilitarian benefit with environmental responsibility. In so doing, the author explores: - How understandings of human meaning affect design and how design can better incorporate issues of personal meaning - How mass production needs to become integrated with localised production and service provision - How short-lived electronic goods can be brought into a more sustainable design paradigm - The changing role of the designer in a post-consumerist world Taking a design-centred approach - a combination of creative, propositional design practice, reasoned argument and theoretical discussion - the book will impel readers to investigate the nature of contemporary material culture and its relationship to both the natural environment and to deeper notions of human meaning.

hojoki visions of a torn world: *Now Comes Good Sailing* Andrew Blauner, 2023-03-07 An anthology of original reflections on Henry David Thoreau's life and work--

hojoki visions of a torn world: *The Star You Steer By*, 2021-10-18 This book explores Basil Bunting's continued reputation and influence in modern British poetry, and also the impact of a peculiarly 'Northern' inflection of Modernism (which Bunting largely defined) within the varieties of poetry being written in Britain today. The editors asked a variety of English, Scottish, Welsh and American poets and academics to reflect upon the themes, implications, impact or example of Bunting's work in the centenary year of his birth, looking back on the beginnings of Modernism at the start of the twentieth century into which he was born, or forward into the twenty-first century in which he continues to be read and learned from: a true poetic star to steer by. The resulting collection of fourteen new essays reveals the continued ability of Bunting's poetry both to delight and to challenge. Topics covered include the nature of influence; Celtic and Northumbrian contexts for the modern English long poem; prosodic patterns in early Bunting; Bunting as a reader of his own work; narrative sources in his poetry; the problem of patronage; his 'rueful masculinity'; women poets and Bunting; radical landscape poetry; his translations from the Persian Hafiz and the Roman Horace; economic and social tensions in his work; the poet as 'makar'; and a previously unpublished selection of his letters from the 1960s to the 1980s, commenting upon his own and others' poetry and on the political condition of Britain in those years. The collection will be of interest to teachers and readers of twentieth century English and American poetry, and to those exploring the processes

of literary translation. Contributors include David Annwn, Richard Caddel, Roy Fisher, Victoria Forde, Harry Gilonis, Ian Gregson, Philip Hobsbaum, Parvin Loloi, James McGonigal, Richard Price, Glynn Pursglove, Harriet Tarlo, Gael Turnbull, and Jonathan Williams.

hojoki visions of a torn world: Ash Holly Thompson, 2001-10-01 Caitlin Ober, an American English instructor in Japan, tries to deal with the loss of her childhood best friend, Mei, fifteen years earlier, while developing a friendship with fourteen-year-old Naomi.

hojoki visions of a torn world: Freunde, Gönner und Getreue Bernadette Descharmes, Eric Anton Heuser, Caroline Krüger, Thomas Loy, 2011 English summary: Close relationships that go beyond family ties and kinships have become an interdisciplinary research subject that has received a lot of attention. Variations of social ties such as friendship, patronage and social networks ensue from different historical and cultural contexts and, hence, constitute a significant yet under-represented subject of interdisciplinary research. Questions such as the changing semantics of friendship, historical, intercultural and political practices of friendship, patronage and loyalty were the focus of an international conference for a critical discussion and re-assessment of values and norms that constitute such relationships in different cultures and epochs, as well as the social circumstances that determine them. Aspects of interest included the constitution and representation of the body and gender and the growth of trust and deceit, as well as the culturally and historically different practices and semantics of friendship and patronage and the way they are perceived according to social status and social and historical contexts. The results of the conference are presented in this volume. German description: Nahbeziehungen, die über familiäre und verwandtschaftliche Bindungen hinausgehen, haben sich zu einem vielbeachteten Thema interdisziplinärer Forschung entwickelt. Beziehungen wie Freundschaft, Patronage und soziale Netzwerke als Variationen sozialer Bindungen sind das Ergebnis unterschiedlicher historischer wie kultureller Kontexte und stellen deshalb einen wesentlichen, aber immer noch unterrepräsentierten Gegenstand interdisziplinären Forschens dar. Fragen nach sich ändernden Freundschaftssemantiken, historischen und interkulturellen bzw. politischen Praktiken von Freundschaft, Patronage und Loyalität standen im Mittelpunkt einer internationalen Tagung, die eine kritische Diskussion und Neubewertung von Werten und Normen, die z.B. Freundschaft in verschiedenen Kulturen und historischen Epochen konstituieren, sowie der sozialen Umstände, die diese Nahbeziehungen bedingen, vorgenommen hat. Aspekte wie Konstitution und Repräsentation von Körper und Gender und das Entstehen von Vertrauen und Betrug waren dabei ebenso von Interesse wie die kulturell und historisch unterschiedliche Praxis und Semantik von Freundschaft und Patronage sowie deren jeweilige Wahrnehmung in Abhängigkeit von ihrer gesellschaftlichen Situation in verschiedenen sozialen und historischen Kontexten. Die Ergebnisse dieser Tagung werden nun im vorliegenden Band präsentiert.

hojoki visions of a torn world: Kyoto John Dougill, 2015-07-27 Kyoto, the ancient former capital of Japan, breathes history and mystery. Its temples, gardens and palaces are testimony to many centuries of aristocratic and religious grandeur. Under the veneer of modernity, the city remains filled with countless reminders of a proud past. John Dougill explores this most venerable of Japanese cities, revealing the spirit of place and the individuals that have shaped its often dramatic history. Courtiers and courtesans, poets and priests, samurai and geisha people the pages of his account. Covering twelve centuries in all, the book not only provides a historical overview but brings to life the cultural magnificence of the city of Purple Hills and Crystal Streams. City of Power: The seat of aristocrats and warriors; military might and spiritual authority; unification and the transition to modernity. City of Ritual: Buddhist sects and Shinto festivals; tea ceremony; the role of the geisha; the influence of Zen. City of Arts: Poetry and fiction; architecture and garden design; Heian verse and Noh theatre; art and handicrafts; the Japanese Hollywood.

hojoki visions of a torn world: The Routledge Handbook of Literary Translation Kelly Washbourne, Ben Van Wyke, 2018-10-10 The Routledge Handbook of Literary Translation provides an accessible, diverse and extensive overview of literary translation today. This next-generation volume brings together principles, case studies, precepts, histories and process knowledge from

practitioners in sixteen different countries. Divided into four parts, the book covers many of literary translation's most pressing concerns today, from teaching, to theorising, to translation techniques, to new tools and resources. Featuring genre studies, in which graphic novels, crime fiction, and ethnopoeetry have pride of place alongside classics and sacred texts, *The Routledge Handbook of Literary Translation* represents a vital resource for students and researchers of both translation studies and comparative literature.
