almost home my life story damien echols: Almost Home Damien Echols, 2005-06 *Almost Home* is a message to you from a faraway place. It is a message from a 12-foot by 9-foot cell in a cinderblock building surrounded by coils of razor wire in the middle of a dirt field in Arkansas. It was written by a young man named Damien Echols and it chronicles his life and his experiences in a way that clearly illuminates him, not as a monster, but as a human being. For over 10 years Damien has been an inmate on death row for a crime he did not commit. He, along with Jason Baldwin and Jessie Misskelley have become known as The West Memphis Three, and though the story of their arrest and conviction is widely known, most people don't know the real people behind the sound bites and the TV news segment clips. Damien has spent much of his time behind bars diligently maintaining his integrity and his sanity by writing. *Almost Home* is the product of that self-discipline, and in it you will meet someone who has survived an ordeal many of us would find impossible to live through. There are a few who still believe that Damien is a devil-worshipping child killer, but as time passes and more facts rise to the surface, it becomes even more clear that he is the victim of a peculiar species of hysteria. Read this book and know the truth about him. It is an urgent message from death row; the whole story of who Damien Echols really is.

almost home my life story damien echols: Life After Death Damien Echols, 2012-09-18 The New York Times bestselling memoir by Damien Echols of the West Memphis Three, who was falsely convicted of three murders and spent nearly eighteen years on Death Row. In 1993, teenagers Damien Echols, Jason Baldwin, and Jessie Misskelley, Jr.—who have come to be known as the West Memphis Three—were arrested for the murders of three eight-year-old boys in Arkansas. The ensuing trial was marked by tampered evidence, false testimony, and public hysteria. Baldwin and Misskelley were sentenced to life in prison; while eighteen-year-old Echols, deemed the "ringleader," was sentenced to death. Over the next two decades, the WM3 became known worldwide as a symbol of wrongful conviction and imprisonment, with thousands of supporters and many notable celebrities who called for a new trial. In a shocking turn of events, all three men were released in August 2011. Now Echols shares his story in full—from abuse by prison guards and wardens, to portraits of fellow inmates and deplorable living conditions, to the incredible reserves of patience, spirituality, and perseverance that kept him alive and sane while incarcerated for nearly two decades. In these pages, Echols reveals himself a brilliant writer, infusing his narrative with tragedy and irony in equal measure: he describes the terrors he experienced every day and his outrage toward the American justice system, and offers a firsthand account of living on Death Row in heartbreaking, agonizing detail. *Life After Death* is destined to be a riveting, explosive classic of prison literature.

almost home my life story damien echols: Life After Death Damien Echols, 2012-09-26 The true story of the wrongful conviction of the infamous West Memphis Three, *Life After Death* is a powerful and unflinching first-person account of life on death row. In 1993 three teenagers, Damien Echols, Jason Baldwin and Jessie Miskelley Jr, were arrested and charged with the murders of three eight-year-old boys in West Memphis, Arkansas. The ensuing trial was rife with inconsistencies, false testimony and superstition. Echols was accused of, among other things, practising witchcraft and satanic rituals - a result of the 'satanic panic' prevalent in the media at the time. Baldwin and Miskelley were sentenced to life in prison. Echols, deemed the ringleader, was sentenced to death. He was eighteen years old. In a shocking reversal of events, all three were suddenly released in August 2011. This is Damien Echols' story in full: from abuses by prison guards and wardens, to

descriptions of inmates and deplorable living conditions, to the incredible reserves of patience, spirituality, and perseverance that kept him alive and sane for nearly two decades. Echols also writes about his complicated and painful childhood. Like *Dead Man Walking*, *Life After Death* is destined to be a classic. *West of Memphis*, a documentary produced by Peter Jackson (director of the *Lord of the Rings* trilogy) and Fran Walsh, details the campaign to have their sentences overturned. The West Memphis Three are also the subject of *Paradise Lost*, a three-part documentary series produced by HBO. 'Damien Echols suffered a shocking miscarriage of justice. A nightmare few could endure. An innocent man on death row for more than eighteen years, abused by the very system we all fund. His story will appal, fascinate, and render you feeble with tears and laughter.' Johnny Depp 'This is a stunning piece of work. Such hope while faced with injustice. Damien teaches us how to live.' Eddie Vedder 'Wrongfully imprisoned by willfully ignorant cops, prosecutors and judge, Damien Echols draws on all his wits and his unique view of humanity to survive eighteen years on death row. My admiration for him, and the strength of his spirit, increases with every page.' Peter Jackson, Academy Award-winning director, producer and screenwriter 'Even for this remarkable young man, every day was a struggle, and his survival, his sanity, is won on every page. This is a deeply moving book, almost Dickensian in its moral scope: religion, hypocrisy, evil in office, with virtue and good fellowship finally triumphant.' Weekend Australian 'Exceptional memoir by the most famous of the West Memphis Three...bare facts alone would make for an interesting story. However, Echols is at heart a poet and mystic, and he has written not just a quickie one-off book to capitalize on a lurid news story, but rather a work of art that occasionally bears a resemblance to the work of Jean Genet...Essential reading.' Kirkus Reviews 'A shocking account of a travesty of justice written by an author without peer...This is the kind of book that deserves to be devoured, digested and savoured for good.' Dominion Post
