Black History Ideas for Church: Honoring Legacy and Inspiring Faith

black history ideas for church are essential for congregations seeking to celebrate the rich heritage, faith, and contributions of Black individuals throughout history. Churches have long been pillars in African American communities, providing spiritual guidance, social support, and leadership in civil rights movements. Integrating meaningful Black history observances into church activities not only educates but also inspires faith communities to appreciate the resilience, culture, and profound impact of Black Christians. Whether you are planning events for Black History Month or incorporating these themes year-round, there are numerous engaging ways to honor this legacy within a church setting.

Why Incorporate Black History Ideas for Church?

Churches are more than just places of worship; they are centers of learning, community building, and cultural preservation. For many Black Americans, the church has been a sanctuary amid adversity, a platform for social justice, and a beacon of hope. By weaving Black history into church programming, congregations can:

- Educate members about influential Black figures in the faith and broader society.
- Strengthen community bonds through shared storytelling and reflection.
- Inspire younger generations with examples of courage and faith.
- Promote diversity and inclusion within the church and beyond.

Understanding these purposes helps tailor activities that are both spiritually enriching and culturally affirming.

Creative Black History Ideas for Church Services

Church services provide a natural setting to spotlight the contributions of Black Christians and the historical journey of the Black church.

Incorporate Black Spirituals and Gospel Music

Music has always been a powerful medium in the Black church experience. Including traditional Black spirituals, gospel hymns, or contemporary Black Christian music during worship enhances the atmosphere and connects congregants to a deep, emotional history. Consider inviting local Black choirs or musicians to perform or leading a special musical segment dedicated to these genres.

Sermons Highlighting Black Faith Leaders

Plan sermons that focus on influential Black pastors, theologians, and activists such as Dr. Martin Luther King Jr., Sojourner Truth, or modern leaders like Bishop T.D. Jakes. These messages can explore themes of justice, perseverance, and faith under oppression, showing how these leaders' spiritual journeys intersect with their societal impact.

Scripture Readings and Reflections from Black Authors

Integrate readings from Black theologians, poets, or writers who have interpreted scripture through the lens of Black experience. This can provide fresh perspectives and deepen congregational understanding of biblical teachings in relation to racial justice and liberation.

Educational Activities to Celebrate Black History in Church

Learning opportunities beyond Sunday services can engage all age groups and create a lasting impact.

Black History Bible Study Groups

Organize Bible study sessions that focus on stories of Black biblical figures or the role of the church in the African American freedom struggle. By examining scripture alongside historical context, participants gain a richer appreciation of faith's role in overcoming adversity.

Guest Speakers and Panel Discussions

Invite historians, pastors, or community leaders who specialize in Black church history to speak. Panels can explore topics like the origins of the Black church, the civil rights movement's religious foundations, or current social justice issues within a faith framework.

Interactive Workshops for Youth

Engage younger church members with creative workshops such as storytelling, art projects, or drama performances that depict key moments in Black history. This hands-on learning approach helps children and teens connect emotionally and intellectually with the material.

Community Outreach and Service Projects

Faith in action is a powerful testament to the values taught through Black history.

Partner with Local Black-Owned Businesses and Organizations

Support the community by organizing church-sponsored events that highlight Black entrepreneurship and non-profits. This could include resource fairs, fundraisers, or joint service initiatives that benefit underserved populations.

Volunteer Efforts Rooted in Historical Significance

Create service projects that honor the legacy of Black leaders—such as voter registration drives inspired by civil rights activism or mentorship programs reflecting the church's role in education. These efforts demonstrate how history informs present-day faith and social responsibility.

Creative Visual and Artistic Displays in the Church

Visual storytelling can make Black history resonate deeply within the church environment.

Black History Exhibits and Memory Walls

Designate areas in the church to showcase photos, biographies, and artifacts related to Black Christian history. A memory wall highlighting local Black church founders and community heroes can personalize history and inspire pride.

Art Installations and Murals

Collaborate with Black artists or church members to create murals or art pieces that celebrate themes of liberation, faith, and hope. Such installations serve as ongoing reminders of the struggles and triumphs of Black believers.

Film Screenings and Discussions

Host movie nights featuring documentaries or films about Black history and faith, followed by group discussions. This can be a powerful way to unpack historical narratives and relate them to contemporary spiritual life.

Incorporating Black History Ideas for Church Year-Round

While Black History Month in February is a key time for focused activities, embedding these ideas throughout the year keeps the celebration alive and relevant.

Monthly Themes and Devotionals

Introduce monthly themes inspired by Black Christian values or historical milestones. Develop devotionals or prayer guides that highlight these topics, encouraging ongoing reflection among church members.

Celebrate Juneteenth and Other Significant Dates

Mark important dates such as Juneteenth, Emancipation Day, or the anniversary of landmark civil rights events with special services or community gatherings. These observances connect the congregation to the ongoing story of freedom and faith.

Collaborate with Other Churches and Faith Communities

Join forces with other local churches, especially predominantly Black congregations, to host joint events, worship nights, or educational series. These partnerships foster unity and broaden the impact of Black history celebrations.

Incorporating black history ideas for church enriches faith experiences, strengthens community ties, and honors the profound legacy of Black Christians. By thoughtfully blending worship, education, service, and art, churches can create vibrant, impactful celebrations that resonate deeply with all members. Through these efforts, the stories of courage, faith, and perseverance continue to inspire generations both inside and outside the pews.

Frequently Asked Questions

What are some effective Black history ideas for church programs?

Effective ideas include hosting guest speakers from the Black community, organizing Black history-themed worship services, showcasing Black Christian musicians, and holding educational workshops on influential Black church leaders.

How can churches celebrate Black History Month in a meaningful way?

Churches can celebrate by incorporating sermons focused on Black Christian heritage, organizing community service events inspired by Black leaders, displaying artwork by Black artists, and facilitating discussions on racial justice and reconciliation.

What are some Black history ideas for children's ministry in church?

Children's ministry can include storytelling sessions about prominent Black figures in Christianity, craft projects related to Black culture, interactive lessons on Black spirituals, and age-appropriate videos highlighting Black history in the church.

How can churches integrate Black history into regular worship services?

Churches can integrate Black history by including prayers and scripture readings by Black authors, singing hymns and spirituals rooted in Black heritage, sharing testimonies from Black congregants, and dedicating a portion of the service to reflect on Black Christian contributions.

What resources are available for churches looking to teach Black history?

Resources include books like "The History of Black Churches in America," documentaries on Black religious leaders, curriculum guides from organizations like the African American Lectionary, and online platforms offering sermon outlines and educational materials.

How can churches support Black artists and musicians during Black History Month?

Churches can invite Black artists and musicians to perform during services and events, host art exhibitions featuring Black creators, facilitate workshops led by Black musicians, and promote local Black-owned Christian music labels and art galleries.

Why is it important for churches to incorporate Black history into their activities?

Incorporating Black history fosters inclusivity, educates congregants about the diverse roots of Christianity, honors the contributions of Black believers, promotes healing and understanding, and strengthens the church community by embracing cultural richness.

Black History Ideas for Church: Honoring Heritage and Inspiring Faith

black history ideas for church present a meaningful opportunity to blend cultural heritage with spiritual growth, fostering a deeper understanding within congregations. As churches serve not only as places of worship but also as community pillars, integrating Black history into church activities enriches both faith and cultural awareness. This article explores diverse approaches and practical ideas for churches aiming to celebrate Black history thoughtfully and impactfully.

Understanding the Importance of Black History in Church Settings

Incorporating Black history into church activities is more than a commemorative act; it's a crucial step toward acknowledging the profound contributions of Black individuals to both religious life and broader society. Historically, Black churches have been central to social justice movements, education, and community cohesion. Recognizing this legacy within the church context strengthens communal bonds and aligns spiritual teachings with historical truth.

Churches that embrace Black history initiatives often witness increased engagement among members, particularly youth, who gain a richer perspective of their faith interwoven with cultural identity. Moreover, such efforts can foster inclusivity and empathy within diverse congregations, supporting reconciliation and unity.

Educational Programs and Sermon Series

One effective black history idea for church involves structured educational programs. These can take the form of weekly Bible studies or sermon series that highlight influential Black religious leaders and biblical interpretations shaped by African American perspectives. For example, sermons could focus on figures like Martin Luther King Jr., Sojourner Truth, or modern faith leaders who have merged spirituality with activism.

Such programs not only educate congregants about Black history but also deepen theological reflection. By exploring themes of liberation, justice, and resilience through a Black historical lens, pastors can connect scripture with lived experiences, making

sermons more relatable and impactful.

Commemorative Events and Worship Services

Churches can hold special worship services dedicated to Black History Month or Juneteenth, incorporating elements such as gospel music, poetry readings, and testimonies that celebrate Black heritage. These events provide a platform for storytelling and communal remembrance, reinforcing the church's role as a cultural as well as spiritual sanctuary.

Additionally, inviting guest speakers—historians, activists, or local community leaders—can enrich these events by providing diverse perspectives and inspiring calls to action. This approach transforms passive observance into dynamic participation, encouraging congregants to apply lessons from Black history in their daily lives.

Creative Approaches to Black History Celebration

Beyond traditional services and educational talks, innovative black history ideas for church can engage members creatively, making the learning experience more memorable and inclusive.

Art and Music Integration

Artistic expression has always been integral to Black culture and worship. Churches can organize art exhibitions showcasing works by Black artists that reflect themes of faith, struggle, and hope. Similarly, incorporating gospel choirs, spirituals, and contemporary Black Christian music into regular worship services pays homage to the rich musical heritage within the Black church tradition.

Such initiatives not only beautify the church environment but also provide avenues for younger members to participate actively, enhancing intergenerational connections.

Community Outreach and Service Projects

Another impactful idea is linking Black history celebrations with community service projects. For instance, churches might partner with local Black-owned businesses or cultural organizations to support economic empowerment. Alternatively, organizing volunteer initiatives in underserved areas can honor the legacy of Black leaders who championed social justice through tangible acts of kindness and advocacy.

This approach aligns with Christian values of service and compassion, translating historical appreciation into present-day action.

Interactive Storytelling and Oral Histories

Oral history projects within the church can capture personal narratives from older congregants or community elders, preserving firsthand accounts of historical events and cultural traditions. Hosting storytelling nights or digital archiving sessions encourages reflection and intergenerational dialogue, bridging gaps between past and present.

Such storytelling not only enriches the church's collective memory but also validates individual experiences, fostering a sense of belonging and identity among members.

Challenges and Considerations in Implementing Black History Initiatives

While the benefits of integrating Black history into church life are clear, there are challenges that leaders should consider carefully to ensure meaningful and respectful engagement.

Balancing Celebration with Reflection

It is essential that black history ideas for church go beyond superficial celebration to include critical reflection on complex issues such as systemic racism, inequality, and the church's role in these dynamics. Churches must create safe spaces for honest conversations that acknowledge past and present struggles while affirming hope and redemption.

Inclusivity Across Diverse Congregations

In racially diverse churches, Black history initiatives should be designed to resonate with all members, avoiding alienation or tokenism. Emphasizing universal themes within Black history—such as perseverance, justice, and faith—can foster shared understanding and solidarity.

Resource and Knowledge Constraints

Some congregations may face limitations in accessing accurate resources or knowledgeable speakers. Collaborating with local historical societies, universities, or Black cultural centers can provide valuable support. Additionally, leveraging online platforms and digital archives broadens access to educational materials and programming ideas.

Practical Black History Ideas for Church Implementation

To facilitate effective planning, here is a curated list of actionable black history ideas for church leaders:

- **Host a Black History Month worship series:** Integrate sermons, prayers, and hymns that reflect Black spiritual traditions.
- **Organize a film screening:** Show documentaries or movies about Black religious leaders or pivotal moments in Black church history followed by discussion.
- **Create a Black history reading group:** Engage members with books and articles on Black theology and history.
- **Celebrate Juneteenth with a church picnic or festival:** Include educational booths and performances.
- **Invite guest preachers or lecturers:** Bring diverse voices to share insights on faith and culture.
- **Develop youth programs:** Include storytelling, crafts, and interactive lessons about Black heroes in faith.
- **Commission art projects:** Encourage congregants to create murals or installations reflecting Black heritage.
- **Partner with local Black churches:** Promote unity and collaborative events.

These examples demonstrate the versatility of black history ideas for church, adaptable to various denominational contexts and congregation sizes.

The integration of Black history into church life enriches faith experiences by honoring a heritage deeply intertwined with spirituality and social justice. Thoughtful planning and intentional programming ensure that these celebrations inspire reflection, learning, and community strengthening, resonating long after the formal observances conclude.

black history ideas for church: African Americans and the Bible Vincent L. Wimbush, 2012-09-01 Perhaps no other group of people has been as much formed by biblical texts and tropes as African Americans. From literature and the arts to popular culture and everyday life, the Bible courses through black society and culture like blood through veins. Despite the enormous recent interest in African American religion, relatively little attention has been paid to the diversity of ways in which African Americans have utilized the Bible. *African Americans and the Bible* is the fruit of a four-year collaborative research project directed by Vincent L. Wimbush and funded by the Lilly Endowment. It brings together scholars and experts (sixty-eight in all) from a wide range of academic and artistic fields and disciplines—including ethnography, cultural history, and biblical studies as well as art, music, film, dance, drama, and literature. The focus is on the interaction between the people known as African Americans and that complex of visions, rhetorics, and ideologies known as the Bible. As such, the book is less about the meaning(s) of the Bible than about the Bible and meaning(s), less about the world(s) of the Bible than about how worlds and the Bible interact—in short, about how a text constructs a people and a people constructs a text. It is about a particular sociocultural formation but also about the dynamics that obtain in the interrelation between any group of people and sacred texts in general. Thus *African Americans and the Bible* provides an exemplum of sociocultural formation and a critical lens through which the process of sociocultural formation can be viewed.

black history ideas for church: Celebrating Black Heritage: 20 Days of Activities, Reading, Recipes, Parties, Plays, and More! Carole Marsh, 2014-11-14 Check out the *Celebrating Black Heritage 20 Days of Activities, Reading Recipes, Parties, Plays, & More!* book. It's great for home, class, camp, church, scouts, clubs and much more! kids will love the dramatic variety of activities designed to bring black history, achievements and current events to life. This book is ideal for Black History Month and other African American holidays! Some of the activities include: Spelling Bee Make a Quilt Family Tree Speeches Student Bios Collage Posters Game Day Class Newspaper Classroom Cooking Debates Plays Characters Scavenger Hunts Slave Diary "Get Involved" Projects Black History Timeline Current Events Underground Railroad Research Ideas

black history ideas for church: Urban Apologetics Eric Mason, 2021-04-06 *Urban Apologetics* examines the legitimate issues that Black communities have with Western Christianity and shows how the gospel of Jesus Christ—rather than popular, socioreligious alternatives—restores our identity. African Americans have long confronted the challenge of dignity destruction caused by white supremacy. While many have found meaning and restoration of dignity in the black church, others have found it in ethnocentric socioreligious groups and philosophies. These ideologies have grown and developed deep traction in the black community and beyond. Revisionist history, conspiracy theories, and misinformation about Jesus and Christianity are the order of the day. Many young African Americans are disinterested in Christianity and others are leaving the church in search of what these false religious ideas appear to offer, a spirituality more indigenous to their history and ethnicity. Edited by Dr. Eric Mason and featuring a top-notch lineup of contributors, *Urban Apologetics* is the first book focused entirely on cults, religious groups, and ethnocentric ideologies prevalent in the black community. The book is divided into three main parts: Discussions on the unique context for urban apologetics so that you can better understand the cultural arguments against Christianity among the Black community. Detailed information on cults, religious groups, and ethnic identity groups that many urban evangelists encounter—such as the Nation of Islam, Kemetic spirituality, African mysticism, Hebrew Israelites, Black nationalism, and atheism. Specific tools for urban apologetics and community outreach. Ultimately, *Urban Apologetics* applies the gospel to black identity to show that Jesus is the only one who can restore it. This is an essential resource to equip those doing the work of ministry and apology in urban communities with the best available information.

black history ideas for church: The Prophethood of Black Believers James Deotis Roberts,

1994-01-01 This valuable resource from one of the founding fathers of the black theology movement discusses how to minister to the black community. Using an interdisciplinary approach, J. Deotis Toberts shows how theological concepts can be applied to education, pastoral care, and political and economic issues.

black history ideas for church: The Color of Sound John Burdick, 2013-01-01 Throughout Brazil, Afro-Brazilians face widespread racial prejudice. Many turn to religion, with Afro-Brazilians disproportionately represented among Protestants, the fastest-growing religious group in the country. Officially, Brazilian Protestants do not involve themselves in racial politics. Behind the scenes, however, the community is deeply involved in the formation of different kinds of blackness—and its engagement in racial politics is rooted in the major new cultural movement of black music. In this highly original account, anthropologist John Burdick explores the complex ideas about race, racism, and racial identity that have grown up among Afro-Brazilians in the black music scene. By immersing himself for nearly a year in the vibrant worlds of black gospel, gospel rap, and gospel samba, Burdick pushes our understanding of racial identity and the social effects of music in new directions. Delving into the everyday music-making practices of these scenes, Burdick shows how the creative process itself shapes how Afro-Brazilian artists experience and understand their racial identities. This deeply detailed, engaging portrait challenges much of what we thought we knew about Brazil's Protestants, provoking us to think in new ways about their role in their country's struggle to combat racism.

black history ideas for church: *Encyclopedia of African American History, 1896 to the Present* Paul Finkelman, 2009 Alphabetically-arranged entries from A to C that explores significant events, major persons, organizations, and political and social movements in African-American history from 1896 to the twenty-first-century.

black history ideas for church: *Liberating Black Church History* Juan M. Floyd-Thomas, 2014-05-20 No serious scholar in biblical studies today can introduce students to his or her field without taking into account the contributions of African American scholarship. The long traditions of biblical interpretation in the Black Church, and the innovative research and writing performed by African American scholars in recent years are now essential components of a critical study of the Bible. Up to now, knowing how best to introduce the fruits of African American biblical scholarship to students has been difficult. Good resources exist, yet too often they are not written with the needs of introductory students in mind. This book meets that need by providing an overview of the most important developments in African American approaches to biblical scholarship. It offers insight into the particular ways that African American scholarship has shaped the world of biblical study.

black history ideas for church: *100 Drives, 5,000 Ideas* Joseph R. Yogerst, National Geographic, Joe Yogerst, 2020 From a vineyard route through Northwest wine country to a winter wonderland on Alberta's Icefields Parkway, this informative travel guide offers epic sights, good bites, and pure fun. Pack your car and hit the road to experience 100 drives--both classic and off the beaten track--across the United States and Canada. You'll find innovative itineraries outlining your route, along with when to go and what to see and do along the way.

black history ideas for church: Celebrating Black Heritage Carole Marsh, 2002-12 Provides educational activities relating to African-American history, culture, and current events.

black history ideas for church: *Black Freethinkers* Christopher Cameron, 2019-09-15 *Black Freethinkers* argues that, contrary to historical and popular depictions of African Americans as naturally religious, freethought has been central to black political and intellectual life from the nineteenth century to the present. Freethought encompasses many different schools of thought, including atheism, agnosticism, and nontraditional orientations such as deism and paganism. Christopher Cameron suggests an alternative origin of nonbelief and religious skepticism in America, namely the brutality of the institution of slavery. He also traces the growth of atheism and agnosticism among African Americans in two major political and intellectual movements of the 1920s: the New Negro Renaissance and the growth of black socialism and communism. In a final chapter, he explores the critical importance of freethought among participants in the civil rights and

Black Power movements of the 1960s and 1970s. Examining a wealth of sources, including slave narratives, travel accounts, novels, poetry, memoirs, newspapers, and archival sources such as church records, sermons, and letters, the study follows the lives and contributions of well-known figures, including Frederick Douglass, Zora Neale Hurston, James Baldwin, and Alice Walker, as well as lesser-known thinkers such as Louise Thompson Patterson, Sarah Webster Fabio, and David Cincore.

black history ideas for church: A Companion to American Religious History Benjamin E. Park, 2021-01-26 A collection of original essays exploring the history of the various American religious traditions and the meaning of their many expressions The Blackwell Companion to American Religious History explores the key events, significant themes, and important movements in various religious traditions throughout the nation's history from pre-colonization to the present day. Original essays written by leading scholars and new voices in the field discuss how religion in America has transformed over the years, explore its many expressions and meanings, and consider religion's central role in American life. Emphasizing the integration of religion into broader cultural and historical themes, this wide-ranging volume explores the operation of religion in eras of historical change, the diversity of religious experiences, and religion's intersections with American cultural, political, social, racial, gender, and intellectual history. Each chronologically-organized chapter focuses on a specific period or event, such as the interactions between Moravian and Indigenous communities, the origins of African-American religious institutions, Mormon settlement in Utah, social reform movements during the twentieth century, the growth of ethnic religious communities, and the rise of the Religious Right. An innovative historical genealogy of American religious traditions, the Companion: Highlights broader historical themes using clear and compelling narrative Helps teachers expose their students to the significance and variety of America's religious past Explains new and revisionist interpretations of American religious history Surveys current and emerging historiographical trends Traces historical themes to contemporary issues surrounding civil rights and social justice movements, modern capitalism, and debates over religious liberties Making the lessons of American religious history relevant to a broad range of readers, The Blackwell Companion to American Religious History is the perfect book for advanced undergraduate and graduate students in American history courses, and a valuable resource for graduate students and scholars wanting to keep pace with current historiographical trends and recent developments in the field.

black history ideas for church: Making Black History Jeffrey Aaron Snyder, 2018-02-01 In the Jim Crow era, along with black churches, schools, and newspapers, African Americans also had their own history. Making Black History focuses on the engine behind the early black history movement, Carter G. Woodson and his Association for the Study of Negro Life and History (ASNLH). Author Jeffrey Aaron Snyder shows how the study and celebration of black history became an increasingly important part of African American life over the course of the early to mid-twentieth century. It was the glue that held African Americans together as "a people," a weapon to fight racism, and a roadmap to a brighter future. Making Black History takes an expansive view of the historical enterprise, covering not just the production of black history but also its circulation, reception, and performance. Woodson, the only professional historian whose parents had been born into slavery, attracted a strong network of devoted members to the ASNLH, including professional and lay historians, teachers, students, "race" leaders, journalists, and artists. They all grappled with a set of interrelated questions: Who and what is "Negro"? What is the relationship of black history to American history? And what are the purposes of history? Tracking the different answers to these questions, Snyder recovers a rich public discourse about black history that took shape in journals, monographs, and textbooks and sprang to life in the pages of the black press, the classrooms of black schools, and annual celebrations of Negro History Week. By lining up the Negro history movement's trajectory with the wider arc of African American history, Snyder changes our understanding of such signal aspects of twentieth-century black life as segregated schools, the Harlem Renaissance, and the emerging modern civil rights movement.

black history ideas for church: Your Spirits Walk Beside Us Barbara Dianne Savage, 2012-10-22 Even before the emergence of the civil rights movement, African American religion and progressive politics were assumed to be inextricably intertwined. Savage counters this assumption with the story of a highly diversified religious community whose debates over engagement in the struggle for racial equality were as vigorous as they were persistent.

black history ideas for church: Troubling Beginnings Maurice Stevens, 2004-06-01 This interdisciplinary and creative study examines how African American culture is presented in American films and other media, and is a provocative re-reading of the historiography of black culture. The author examines and interprets a number of cultural texts deriving memory as interpreted by Freud and by Franz Fanon, mixed with Black Liberation Theology and Islamic mysticism.

black history ideas for church: American Countercultures: An Encyclopedia of Nonconformists, Alternative Lifestyles, and Radical Ideas in U.S. History Gina Misiroglu, 2015-03-26 Counterculture, while commonly used to describe youth-oriented movements during the 1960s, refers to any attempt to challenge or change conventional values and practices or the dominant lifestyles of the day. This fascinating three-volume set explores these movements in America from colonial times to the present in colorful detail. American Countercultures is the first reference work to examine the impact of countercultural movements on American social history. It highlights the writings, recordings, and visual works produced by these movements to educate, inspire, and incite action in all eras of the nation's history. A-Z entries provide a wealth of information on personalities, places, events, concepts, beliefs, groups, and practices. The set includes numerous illustrations, a topic finder, primary source documents, a bibliography and a filmography, and an index.

black history ideas for church: African American Religious Thought Cornel West, Eddie S. Glaude, 2003-01-01 Believing that African American religious studies has reached a crossroads, Cornel West and Eddie Glaude seek, in this landmark anthology, to steer the discipline into the future. Arguing that the complexity of beliefs, choices, and actions of African Americans need not be reduced to expressions of black religion, West and Glaude call for more careful reflection on the complex relationships of African American religious studies to conceptions of class, gender, sexual orientation, race, empire, and other values that continue to challenge our democratic ideals.

black history ideas for church: Mae Makes a Way Olugbemisola Rhuday-Perkovich, 2022-05-24 Tip your hat to fashion designer and civil rights icon Mae Reeves in this picture book biography written in collaboration with the Smithsonian National Museum of African American History and Culture! A fine introduction to a determined trailblazer. -The New York Times Mae had a dream to make one-of-a-kind hats. But the path for a Black female designer was unclear, so Mae made a way, leaving her home in the segregated South to study at the Chicago School of Millinery. Mae had the skills, but craved the independence to create her own styles. So Mae found a way. In Philadelphia, she became the first Black woman to own a business on South Street. Whether you were Lena Horne, Ella Fitzgerald, Marian Anderson or a lady from the neighborhood, Mae wanted you to look good and feel special in one of her original hats. A mother, a successful entrepreneur, and a community advocate, Mae led the way. Published in collaboration with the Smithsonian National Museum of African American History and Culture, acclaimed author Olugbemisola Rhuday-Perkovich (Two Naomis) and award-winning illustrator Andrea Pippins (I Love My Hair) bring the life of fashion entrepreneur and civic organizer Mae Reeves to the page. And when you are done reading, explore Mae's store and styles in person at her permanent exhibit at the National Museum of African American History and Culture.

black history ideas for church: The Dutch Dissenters: A Critical Companion to their History and Ideas Irvin Buckwalter Horst, 2018-12-24

black history ideas for church: The Struggle for Black History Abul Pitre, Ruth Ray, Esrom Pitre, 2008 The Struggle for Black History: Foundations for a Critical Black Pedagogy in Education captures the controversy that surrounds the implementation of Black studies in schools' curricula.

This book examines student experiences of a controversial Black history program in 1994 that featured critical discourse about the historical role of racism and its impact on Black people. The program and its continuing controversy is analyzed by drawing from the analyses of Elijah Muhammad, Carter G. Woodson, Maulana Karenga, Molefi Asante, Paulo Freire, Peter McLaren, James Banks, and others. Professors Abul and Esrom Pitre and Professor Ruth Ray use case studies and student experiences to highlight the challenges faced when trying to implement Black studies programs. This study provides the reader with an illuminating picture of critical pedagogy, critical race theory, multicultural education, and Black studies in action. The book lays the foundation for what the authors term critical Black pedagogy in education, which is an examination of African American leaders, scholars, students, activists, their exegeses and challenge of power relations in Black education. In addition, the book provides recommendations for schools, parents, students, and activists interested in implementing Black studies and multicultural education.

black history ideas for church: The Jim Crow Encyclopedia Nikki Brown, Barry M. Stentiford, 2008-09-30 Jim Crow refers to a set of laws in many states, predominantly in the South, after the end of Reconstruction in 1877 that severely restricted the rights and privileges of African Americans. As a caste system of enormous social and economic magnitude, the institutionalization of Jim Crow was the most significant element in African American life until the 1960s Civil Rights Movement led to its dismantling. Racial segregation, as well as responses to it and resistance against it, dominated the African American consciousness and continued to oppress African Americans and other minorities, while engendering some of the most important African American contributions to society. This major encyclopedia is the first devoted to the Jim Crow era. The era is encapsulated through more than 275 essay entries on such areas as law, media, business, politics, employment, religion, education, people, events, culture, the arts, protest, the military, class, housing, sports, and violence as well as through accompanying key primary documents excerpted as side bars. This set will serve as an invaluable, definitive resource for student research and general knowledge. The authoritative entries are written by a host of historians with expertise in the Jim Crow era. The quality content comes in an easy-to-access format. Readers can quickly find topics of interest, with alphabetical and topical lists of entries in the frontmatter, along with cross-references to related entries per entry. Further reading is provided per entry. Dynamic sidebars throughout give added insight into the topics. A chronology, selected bibliography, and photos round out the coverage. Sample entries include Advertising, Affirmative Action, Armed Forces, Black Cabinet, Blues, Brooklyn Dodgers, *Bolling v. Sharpe*, Confederate Flag, Congress of Racial Equality (CORE), Detroit Race Riot 1943, Ralph Ellison, Eyes on the Prize, G.I. Bill, Healthcare, Homosexuality, Intelligence Testing, Japanese Internment, Liberia, Minstrelsy, Nadir of the Negro, Poll Taxes, Rhythm and Blues, Rural Segregation, Sharecropping, Sundown Towns, Booker T. Washington, Works Project Administration, World War II.
