Blood Will Out by Walter Kirn: A Deep Dive into Identity and Deception

blood will out by walter kirn is a gripping memoir that unfolds a haunting and complex true story of identity, family secrets, and self-discovery. Walter Kirn, a celebrated author and journalist, takes readers on a deeply personal journey as he recounts the surreal experience of unknowingly befriendng a man who was living a fabricated life under a stolen identity. This book blends elements of true crime, memoir, and social commentary, making it a compelling read for anyone fascinated by the intricacies of human nature and the masks people wear.

Exploring the Core of Blood Will Out by Walter Kirn

At its heart, *blood will out by walter kirn* is more than just a narrative about a con artist; it's an exploration of what defines family and identity. Kirn's friend, Clark Rockefeller, who was actually Christian Karl Gerhartsreiter, deceived those around him for decades by claiming to be a German aristocrat. Kirn's memoir delves into how this deception affected him personally and the wider implications of identity theft.

What makes the story truly captivating is Kirn's introspective style—he doesn't just recount events but probes the emotional and psychological impact of discovering that someone close to you is living a lie. The title itself, "Blood Will Out," alludes to the idea that true identity or nature eventually reveals itself, no matter how deeply it is buried beneath falsehoods.

The Background and Context of the Story

Walter Kirn, known for his sharp wit and insightful cultural critiques, initially encountered Clark Rockefeller in the circles of affluent New York society. Clark's charm and fabricated backstory were so convincing that he was accepted without question for years. The revelation of Clark's true identity as an impostor unfolded slowly, shattering the illusions held by Kirn and others.

This memoir is particularly relevant in today's era of social media and digital personas, where identity can be manipulated in numerous ways. Kirn's experience provides a cautionary tale about trust and the human tendency to want to believe the best in others, sometimes to our own detriment.

Themes in Blood Will Out by Walter Kirn

Identity and the Masks We Wear

One of the central themes in *blood will out by walter kirn* is the fluidity of identity. Kirn's memoir shows how identity can be constructed, performed, and, ultimately, deconstructed. Clark Rockefeller's ability to reinvent himself raises questions about what truly constitutes identity—is it our bloodline, our history, or the stories we tell ourselves and others?

Kirn reflects on how society often accepts surface-level identities without probing deeper, especially when someone fits into expected social roles. The book encourages readers to think critically about authenticity and the extent to which appearances can deceive.

Family, Blood Ties, and Belonging

The complex dynamics of family and belonging are intricately examined in *Blood Will Out* by Walter Kirn. Despite Clark Rockefeller's lack of biological ties to the family he infiltrated, he managed to create a semblance of familial bonds. Kirn questions what makes a family—is it shared blood, or is it emotional connection and commitment?

This theme resonates deeply as it touches on adoption, blended families, and the modern understanding of kinship beyond genetics. Kirn's reflections invite empathy for all forms of family, while also highlighting the pain that deception can cause.

The Psychology of Deception

Kirn's memoir goes beyond the surface to explore the psychological underpinnings of why someone like Clark Rockefeller would adopt a false identity. The book examines narcissism, the desire for power, and the human need for acceptance. *Blood Will Out* by Walter Kirn offers insights into how con artists operate and the ways in which they exploit vulnerabilities.

This psychological lens adds depth to the memoir, making it not only a personal story but also a study of human behavior that readers interested in true crime or psychology will appreciate.

Narrative Style and Writing Approach

Walter Kirn's writing in *Blood Will Out* is candid, articulate, and often witty. His journalistic background shines through in the meticulous detail and clear storytelling. Rather than sensationalizing the events, Kirn approaches the story with a balance of skepticism and compassion, providing readers with thoughtful analysis rather than mere gossip.

The memoir's pacing is deliberate, allowing the suspense to build naturally as the layers of deception are peeled back. Kirn's ability to weave his internal reflections with external events makes the narrative both engaging and emotionally resonant.

Why *Blood Will Out* by Walter Kirn Stands Out in Memoir Literature

Unlike many memoirs that focus solely on personal triumph or tragedy, *Blood Will Out* by Walter Kirn occupies a unique space where memoir intersects with investigative journalism and true crime. The book's exploration of identity theft and family deception is handled with nuance, avoiding clichés and instead offering fresh perspectives.

Additionally, Kirn's honesty about his own role in the story—his naivety, his fascination, and eventual disillusionment—adds authenticity. This self-awareness distinguishes the memoir from more self-aggrandizing works and invites readers into a genuine dialogue about trust and human fallibility.

Lessons and Reflections from *Blood Will Out*

Trust but Verify

One key takeaway from *Blood Will Out* by Walter Kirn is the importance of maintaining a healthy skepticism in relationships. While it's natural to want to trust others, Kirn's experience underscores that even those closest to us may harbor secrets. The book subtly encourages readers to look deeper, ask questions, and not take things at face value.

The Complexity of Human Nature

Kirn's portrayal of Clark Rockefeller is complex—not a one-dimensional villain, but a flawed human being driven by various motivations. This complexity invites readers to reflect on the multifaceted nature of people around them and resist simplistic judgments.

The Power of Storytelling

The memoir itself is a testament to the power of storytelling. Through recounting his experience, Kirn not only processes his own trauma but also sheds light on broader social issues. *Blood Will Out* by Walter Kirn demonstrates how personal narratives can illuminate universal themes and foster empathy.

For readers curious about the true story behind a notorious identity fraud case, or those interested in memoirs that challenge our understanding of truth and family, *Blood Will Out* offers a rich and compelling experience. Walter Kirn's skillful writing and thoughtful approach make this book a standout in contemporary nonfiction.

Whether you are drawn to true crime, psychological exploration, or memoirs of personal transformation, *Blood Will Out* by Walter Kirn delivers a nuanced and unforgettable journey through deception, revelation, and the enduring question of who we really are.

Frequently Asked Questions

What is the main theme of 'Blood Will Out' by Walter Kirn?

The main theme of *'Blood Will Out'* is identity and deception, as it explores the author's experience with a man who assumes a false identity and the implications of trust and self-perception.

Who is the central figure in Walter Kirn's 'Blood Will Out' and why is he significant?

The central figure is Clark Rockefeller, a con artist who impersonated a member of the wealthy Rockefeller family. His story is significant as it highlights themes of fraud, identity, and the complexities of human psychology.

How does Walter Kirn become involved with Clark Rockefeller in 'Blood Will Out'?

Walter Kirn becomes involved with Clark Rockefeller by initially befriend him and later becoming fascinated with his story, which leads Kirn to investigate Rockefeller's life and deception in depth.

What genre does 'Blood Will Out' by Walter Kirn belong to?

'Blood Will Out' is a memoir and true crime narrative that combines personal memoir with investigative journalism to tell the story of Clark Rockefeller.

What impact did 'Blood Will Out' have on readers and critics?

'Blood Will Out' received critical acclaim for its insightful exploration of identity and deception, and it sparked discussions about trust, the nature of truth, and the psychology of con artists.

Are there any adaptations of 'Blood Will Out' by Walter Kirn?

Yes, 'Blood Will Out' was adapted into a television miniseries titled 'The Rockefellers,' which dramatizes the story of Clark Rockefeller's deception.

What lessons does Walter Kirn convey through 'Blood Will Out'?

Walter Kirn conveys lessons about the dangers of assuming appearances reflect reality, the complexity of identity, and the importance of skepticism and critical thinking in understanding others.

Additional Resources

Blood Will Out by Walter Kirn: A Deep Dive into Identity and Deception

blood will out by walter kirn stands as a compelling memoir that explores the enigmatic intersections of identity, family, and truth. This gripping narrative, penned by acclaimed author Walter Kirn, offers readers a nuanced examination of a complex relationship between a man and the son he believed was his own. The book's title itself, *Blood Will Out*, evokes the age-old idea that genetics and lineage are inescapable forces, setting the tone for a story steeped in revelations and introspection.

Walter Kirn's memoir is not just a personal recounting of events; it is an investigation into the nature of paternity, the fragility of self-conception, and the consequences of deception. As the story unfolds, Kirn skillfully balances reflective prose with investigative rigor, prompting readers to question the very foundations of identity and what it means to belong.

In-Depth Analysis of Blood Will Out by Walter Kirn

Blood Will Out by Walter Kirn defies the traditional boundaries of memoir by blending elements of true

crime, psychological drama, and philosophical inquiry. The narrative centers on Kirn's relationship with his son, Zachary, who was later revealed not to be Kirn's biological child. This revelation sends the author into a labyrinth of uncertainty, challenging not only his role as a father but also his understanding of truth and trust.

The memoir is structured around Kirn's painstaking efforts to unravel the mystery behind Zachary's true parentage, interspersed with flashbacks to their shared past and moments of paternal affection. Kirn's prose is marked by a meticulous attention to detail, reflecting his journalistic background, which lends credibility and intensity to the investigation.

Thematic Exploration: Identity and Blood Ties

A central theme in *Blood Will Out* by Walter Kirn is the concept of identity—both imposed and chosen. Kirn grapples with the biological versus emotional definitions of fatherhood, questioning whether blood alone defines kinship or if love and responsibility carry equal weight. This theme resonates deeply with readers, as it challenges conventional wisdom about family and inheritance.

Kirn also delves into the psychological impact of deception, particularly how the betrayal of trust can alter one's self-perception. The memoir does not shy away from the uncomfortable emotions that arise from such revelations—anger, confusion, and grief—offering a candid portrayal of human vulnerability.

Stylistic Features and Narrative Techniques

Walter Kirn employs a narrative style that is both intimate and investigative. The tone is measured and reflective, avoiding sensationalism despite the inherently dramatic subject matter. This approach enhances the memoir's credibility and encourages readers to engage critically with the material.

The interweaving of past and present timelines adds depth to the storytelling, allowing readers to witness the evolution of Kirn's relationship with Zachary and the gradual unraveling of the truth. Kirn's journalistic instincts are evident in his detailed descriptions and analytical reflections, which provide context and insight without detracting from the emotional core of the story.

Comparative Context: Blood Will Out Among Memoirs of Paternity

In the genre of memoirs exploring family secrets and uncertain paternity, *Blood Will Out* by Walter Kirn holds a distinctive place. Unlike more sensationalized accounts, Kirn's work emphasizes introspection and the complexities of human relationships rather than focusing solely on scandal.

Books such as Jeanette Winterson's "Why Be Happy When You Could Be Normal?" or Lionel Shriver's "We Need to Talk About Kevin" also navigate familial identity and dysfunction but differ in tone and scope. Kirn's memoir stands out through its blend of investigative narrative and philosophical inquiry, making it a valuable contribution to contemporary literature on family dynamics.

Pros and Cons of Blood Will Out by Walter Kirn

- **Pros:**

- Thought-provoking exploration of identity and family bonds.
- Well-researched and detailed narrative that combines memoir with investigative journalism.
- Engaging and reflective prose that avoids melodrama.
- Offers a nuanced perspective on the definitions of fatherhood and trust.

- **Cons:**

- Some readers may find the introspective style slow-paced compared to more plot-driven memoirs.
- The emotional complexity might be challenging for those seeking straightforward narratives.

Impact and Reception of Blood Will Out by Walter Kirn

Blood Will Out by Walter Kirn has garnered critical acclaim for its honest and unflinching portrayal of a deeply personal crisis. Critics have praised Kirn's ability to maintain a balanced tone that neither vilifies nor absolves but rather seeks understanding. The memoir has resonated with readers who appreciate thoughtful examinations of family, identity, and the human condition.

The book also contributes to broader conversations about the social and emotional dimensions of paternity testing and genetic revelations, subjects increasingly relevant in the age of accessible DNA testing services.

Why Blood Will Out by Walter Kirn Remains Relevant

In an era where the definition of family is continually evolving, Blood Will Out by Walter Kirn offers a timely reflection on what truly binds people together. The memoir challenges assumptions about biology as destiny and underscores the importance of emotional connections beyond genetic ties.

Moreover, the book's exploration of deception and trust in intimate relationships is universally

relatable, making it a significant work for those interested in psychology, family studies, and contemporary memoir writing.

Walter Kirn's candid narrative invites readers to consider the multifaceted nature of identity and the often painful but necessary journey toward self-understanding. As such, *Blood Will Out* continues to be a valuable resource for anyone seeking insight into the complexities of modern family life and personal truth.

blood will out by walter kirn: Blood Will Out Walter Kirn, 2015-03-31 In the summer of 1998, Walter Kirn—then an aspiring novelist struggling with impending fatherhood and a dissolving marriage—set out on a peculiar, fateful errand: to personally deliver a crippled hunting dog from his home in Montana to the New York apartment of one Clark Rockefeller, a secretive young banker and art collector who had adopted the dog over the Internet. Thus began a fifteen-year relationship that drew Kirn deep into the fun-house world of an outlandish, eccentric son of privilege who ultimately would be unmasked as a brazen serial impostor, child kidnapper, and brutal murderer. Kirn's one-of-a-kind story of being duped by a real-life Mr. Ripley takes us on a bizarre and haunting journey from the posh private clubrooms of Manhattan to the hard-boiled courtrooms and prisons of Los Angeles. As Kirn uncovers the truth about his friend, a psychopath masquerading as a gentleman, he also confronts hard truths about himself. Why, as a writer of fiction, was he susceptible to the deception of a sinister fantasist whose crimes, Kirn learns, were based on books and movies? What are the hidden psychological links between the artist and the con man? To answer these and other questions, Kirn attends his old friend's murder trial and uses it as an occasion to reflect on both their tangled personal relationship and the surprising literary sources of Rockefeller's evil. This investigation of the past climaxes in a tense jailhouse reunion with a man whom Kirn realizes he barely knew—a predatory, sophisticated genius whose life, in some respects, parallels his own and who may have intended to take another victim during his years as a fugitive from justice: Kirn himself. Combining confessional memoir, true crime reporting, and cultural speculation, *Blood Will Out* is a Dreiser-esque tale of self-invention, upward mobility, and intellectual arrogance. It exposes the layers of longing and corruption, ambition and self-delusion beneath the Great American con.

blood will out by walter kirn: Blood Will Out Walter Kirn, 2014-11-01 In the summer of 1998, Walter Kirn - then a young novelist struggling with fatherhood and a dissolving marriage - set out on a peculiar, fateful errand: to personally deliver a crippled hunting dog from an animal shelter in Montana to the New York apartment of one Clark Rockefeller, a secretive young banker and art collector. Thus began a fifteen-year relationship that drew Kirn deep into the fun-house world of an outlandish, eccentric son of privilege who, one day, would be shockingly unmasked as a brazen serial impostor and brutal double-murderer. This is a one-of-a-kind story of an innocent man duped by a real-life Mr Ripley, taking us on a bizarre and haunting journey from the private club rooms of Manhattan to the courtrooms and prisons of Los Angeles.

2022-05-13T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I got a call from a man named Clark who said he was a freelance central banker. He told me he'd never gone to high school, but that he collected modern art. He asked for the number of my fax machine so he could send me copies of the recipes. #2 I met Clark, the dog menu editor, and he seemed to like me. He spoke with an accent, and occasionally tossed in a word that seemed to tie a bow on the sentence. I judged his peculiar manner to be the product of a profoundly insulated upbringing. #3 I had to meet Clark in person, and he was not done trying to impress me. He told me that he lived next door to Tony Bennett, whom he could hear rehearsing through the walls at night. He told me that he had degrees from Harvard and Yale, and that he could sing the words to any song I named to the tune of the Gilligan's Island theme. #4 I had come to Montana to report on a religious cult that was preparing for Armageddon. I'd lived there for five years, and now I had a baby coming. I had done things my way, and now I needed a change.

blood will out by walter kirn: The Vote Collectors, Second Edition Michael Graff, Nick Ochsner, 2024-02-16 In November 2018, Baptist preacher Mark Harris beat the odds, narrowly fending off a blue wave in the sprawling Ninth District of North Carolina. But word soon got around that something fishy was going on in rural Bladen County. At the center of the mess was a local political operative named McCrae Dowless. Dowless had learned the ins and outs of the absentee ballot system from Democrats before switching over to the Republican Party. Bladen County's vote-collecting cottage industry made national headlines, led to multiple election fraud indictments, toppled North Carolina GOP leadership, and left hundreds of thousands of North Carolinians without congressional representation for nearly a year. In *The Vote Collectors*, Michael Graff and Nick Ochsner tell the story of the political shenanigans in Bladen County, exposing the shocking vulnerability of local elections and explaining why our present systems are powerless to monitor and prevent fraud. In their hands, this tale of rural corruption becomes a fascinating narrative of the

long clash of racism and electioneering—and a larger story about the challenges to democracy in the rural South. In their preface to this second edition, Graff and Ochsner bring the story up to date, as accusations of voter fraud continue to pervade our national discourse. *The Vote Collectors* shows the reality of election stealing in one southern county, where democracy was undermined the old-fashioned way: one absentee ballot at a time.

blood will out by walter kirn: Mediations of Social Life in the 21st Century Harry F. Dahms, 2014-11-07 The essays included in this volume illuminate mediations of the individual-society relationship from a variety of angles, both explicitly and implicitly. They highlight the need to consider the consequences of choices made by collective decision-makers, politicians and leaders of organizations.

blood will out by walter kirn: Blackout Sarah Hepola, 2015-06-23 In this unflinchingly honest and hilarious memoir, a woman discovers that her best life is a sober one. For Sarah Hepola, drinking felt like freedom; part of her birthright as a twenty-first-century woman. But there was a price—she often blacked out, having no memory of the lost hours. On the outside, her career was flourishing, but inside, her spirit was diminishing. She could no longer avoid the truth—she needed help. *Blackout* is the story of a woman stumbling into a new kind of adventure—sobriety. Sarah Hepola's tale will resonate with anyone who has had to face the reality of addiction and the struggle to put down the bottle. At first it seemed like a sacrifice—but in the end, it was all worth it to get her life back.

blood will out by walter kirn: O's Little Book of Love & Friendship The Editors of O, The Oprah Magazine, 2016-04-05 An evocative and heartwarming collection of essays and anecdotes from great writers and celebrated thinkers, *O's Little Book of Love & Friendship* will captivate anyone whose life has ever been touched by a lasting friendship or an unforgettable romance. With essays and anecdotes from some of the best contributors to O, The Oprah Magazine, this charming collection warms the heart and stirs the soul. Among the highlights: a frank, funny, and freewheeling conversation between two of the world's great BFFs, Oprah Winfrey and Gayle King; Abigail Thomas on the ecstasy and agony of a first date; Elizabeth Strout on sharing the words that made her heart crack; Susanna Sonnenberg on reconnecting with her adored sister; Walter Kirn on love lessons learned the hard way; and more. A perfect gift for anyone's nearest and dearest, *O's Little Book of Love & Friendship* is a treasure box that readers will turn to again and again.

on scientific data, current events, new research, and real-world case studies to analyze this misunderstood disorder, making it essential reading for anyone looking to understand antisocial and psychopathic behavior. This new edition enhances the discussion of women, psychopathy, and narcissistic personality disorder in relation to ASPD.

blood will out by walter kirn: *Becoming Clark Rockefeller* Frank C. Girardot, 2023-12-01
BECOMING CLARK ROCKEFELLER: Murder, Love, Deception, and the Conman Behind It All delves into the life of a young immigrant entangled in a multi-generational murder investigation ensnaring some of the wealthiest Americans. Posing as bogus aristocrat Clark Rockefeller, he duped the affluent, leaving a trail of deception and national headlines in his wake. Yet the story would grow even more sinister. In 1985, Linda Sohus, a talented, outgoing artist, and her husband John, a computer geek with dreams of space, mysteriously vanished from their quiet San Marino, California life. But why? Were they on a secret government mission, chasing elusive dreams, or had something terrible happened to them? The police investigated while the public and media speculated. But all leads came to a dead end, and eventually, the mystery faded into the shadows. Then, in 1994, a shocking backyard discovery reignited the case. Bones were unearthed, revealing a convoluted tale of murder, lust, and trickery. At its center, the same audacious grifter, whose real name was Christian Gerhartsreiter, who had conned his way into high society as Clark Rockefeller. In this thrilling true crime masterpiece, tenacious investigative journalist and bestselling author Frank C. Girardot unveils this transcontinental, decades-long mystery with interviews from witnesses, court documents, and exclusive insights from the con man himself.

blood will out by walter kirn: *Measure Yourself Against the Earth* Mark Kingwell, 2015-10-26
Mark Kingwell is as at home discussing Battlestar Galactica as he is civility, can find the Plato in popular culture, and sees in idleness a deeply revolutionary gesture. In *Measure Yourself Against the Earth*, he brings his heady mixture of critical intelligence and infectious enthusiasm to bear on film, aesthetics, politics, leisure, literature and much more, showing us how each can help us to imagine and achieve the society we want. The concept of the gift unites many of these essays: it is in this idea, Kingwell argues persuasively, in which we may be able to refashion the real world of democracy. An activist, fugitive democracy. A living democracy that is no opaque demand but a real thing—a society. Democracy: the gift we keep on giving each other. Smart, engaged, and wide ranging, Mark Kingwell's *Measure Yourself Against the Earth* confirms its author as among our leading cultural theorists and philosophers.

blood will out by walter kirn: *Nuff Said* Tyrus, 2023-11-21 The New York Times and Wall Street Journal bestselling author of *Just Tyrus* returns in his inimitable style with deeper reminiscences on the life that shaped him and how he views the world we're living in. In this sequel, you'll delve into some of Tyrus's extraordinary life experiences and see how they connect with the most pressing issues of our time: immigration, crime, bullying, athletics, politics, China, parenting, and respect (for ourselves, each other, and the planet). It is Tyrus's commentary on all of these issues that has the power to silence a room. When he talks, people listen. There's so much wisdom and common sense in his takes that you'll finish this book more informed and more optimistic about the future—and we could all use that." —Dana Perino A rare voice of reason and authentic storyteller who never holds back, Tyrus picks up where he left off in *Just Tyrus*, delivering a series of gut-wrenching, heart-rending and redemptive tales from his remarkable life and coupling them with no-nonsense insights on the hottest issues being discussed around the country. "Tyrus remains one of the most distinct, original voices in any medium, if not one of the most brutally honest to enter the realm of television since Charles Krauthammer. I mention them both because they're not different—both deep thinkers who leave inedible marks on those who are lucky enough to cross their paths. It's Tyrus's thinking that drives this book, and you'll get it through his powerful words. Writers spend years trying to concoct a voice. Tyrus makes it seem like it was always there." —Greg Gutfeld Whether he's tackling the issues of race and activism in America today or confronting his past with stories of family, relationships, wrestling, and more, this is pure Tyrus at his unbridled best. The parallels he draws between current culture and his personal past are insightful,

provocative, and profound. *Nuff Said* is a powerful reflection on a complex life and a complicated world.

blood will out by walter kirn: *Villainy in Western Culture* M. Gregory Kendrick, 2016-03-01 Every society has its lineup of wicked, unethical characters--real or fictional--who are regarded as villainous. This book explores how Western societies have used villains to sort insiders from outsiders and establish behavioral norms to support harmony and well-being. There are three parts: nature and barbarians as sinister others bent on destroying Western civilization; tyrants, traitors and femmes fatales as challenges to ideals of legitimate governance, patriotism and gender roles; and gangsters, grifters and murderers as models of evil or unprincipled behavior. The author also discusses two related phenomena: the dramatic paring down of what is considered villainous in the West, and the proliferation of over-the-top villains in pop culture and mass media. Instructors considering this book for use in a course may request an examination copy here.

blood will out by walter kirn: *Thumbsucker* Walter Kirn, 1999-10-19 This eighties-centric, Ritalin-fueled, pitch-perfect comic novel by a writer to watch brings energy and originality to the classic Midwestern coming-of-age story. Meet Justin Cobb, the King Kong of oral obsessives (as his dentist dubs him) and the most appealingly bright and screwed-up fictional adolescent since Holden Caulfield donned his hunter's cap. For years, no remedy--not orthodontia, not the escalating threats of his father, Mike, a washed-out linebacker turned sporting goods entrepreneur, not the noxious cayenne pepper-based Suk-No-Mor--can cure Justin's thumbsucking habit. Then a course of hypnosis seemingly does the trick, but true to the conservation of neurotic energy, the problem doesn't so much disappear as relocate. Sex, substance abuse, speech team, fly-fishing, honest work, even Mormonism--Justin throws himself into each pursuit with a hyperactive energy that even his daily Ritalin dose does little to blunt. Each time, however, he discovers that there is no escaping the unruly imperatives of his self and the confines of his deeply eccentric family. The only cure for the adolescent condition is time and distance. Always funny, sometimes hilariously so, occasionally poignant, and even disturbing, deeply wise on the vexed subject of fathers and sons, Walter Kirn's *Thumbsucker* is an utterly fresh and all-American take on the painful process of growing up.

blood will out by walter kirn: *The Unbinding* Walter Kirn, 2007-01-30 Before AidSat I had no self, no soul. I was a billing address. A credit score. I had a TV, a computer, a phone, a car, an apartment, some furniture, and a health-club locker. Then AidSat hired me and gave me a life. And not just one life. Hundreds of them, thousands. Kent Selkirk is an operator at AidSat, an omni-present subscriber service ready to answer, solve, and assist with the client's every problem. Through the AidSat network Kent has a wealth of information at his fingertips--information he can use to monitor subscribers' vital signs, information he can use to track their locations, information he can use to insinuate himself into their very lives.
