The Forbiddens of the Bible: Understanding What Is Prohibited and Why

the forbiddens of the bible have fascinated scholars, believers, and curious readers alike for centuries. These prohibitions, often seen as moral or spiritual guidelines, offer insight into ancient cultures, religious values, and theological principles that continue to influence the lives of millions today. Exploring these biblical forbiddens reveals not only what was considered taboo but also why such restrictions were established, how they shaped communities, and what lessons they might hold for contemporary readers.

What Are the Forbiddens of the Bible?

At its core, the Bible contains numerous laws, commandments, and teachings that define what followers should avoid. These forbiddens range from dietary restrictions and social behaviors to ethical mandates and ritual observances. Often, these prohibitions are embedded within larger legal codes, such as the Mosaic Law found in the Old Testament, or within the moral teachings of the New Testament.

Understanding the forbiddens involves grasping their historical and spiritual context. Many of these commands were designed not only to maintain social order but also to cultivate holiness and obedience to God. They served as boundaries, setting apart the people of Israel from other nations and fostering a distinct identity grounded in faithfulness.

Dietary and Cleanliness Restrictions

One of the most well-known sets of biblical forbiddens revolves around food. The book of Leviticus, for example, details clean and unclean animals, specifying which creatures are permissible to eat and which are forbidden. Animals like pigs, shellfish, and certain birds were deemed unclean, and consuming them was prohibited.

These dietary laws served multiple purposes. Practically, they may have protected ancient communities from diseases associated with certain foods. Spiritually, they symbolized purity and obedience. Following these food laws was a tangible way to live out faith daily.

Similarly, laws concerning ritual cleanliness – such as prohibitions against contact with blood, bodily fluids, or certain skin diseases – reinforced a sense of holiness and separation from impurity.

Sexual and Social Forbiddens

The Bible also includes clear instructions about sexual morality and social conduct. Adultery, incest, homosexuality (as interpreted in various passages), and other sexual behaviors were explicitly forbidden in several biblical texts. These prohibitions were meant to preserve family integrity, social stability, and spiritual sanctity.

Beyond sexual ethics, social forbiddens included prohibitions against practices like witchcraft, divination, and idolatry. These were considered not only socially disruptive but also spiritually dangerous, as they diverted people from exclusive worship of God.

Why Were These Forbiddens Important?

To fully appreciate the forbiddens of the Bible, it's crucial to consider the underlying reasons behind these commands. They were not arbitrary rules but had deep theological significance.

Holiness and Separation

A recurring theme in the biblical forbiddens is the call to holiness. The people of Israel were repeatedly urged to be "holy because I, the Lord your God, am holy" (Leviticus 19:2). This holiness was expressed through obedience to God's laws, including the prohibitions that set them apart from other nations.

By avoiding certain foods, behaviors, or associations, believers demonstrated their commitment to God's covenant. These restrictions acted as visible markers of identity and faithfulness.

Protection and Community Cohesion

Some forbiddens addressed practical concerns, such as health and social harmony. Dietary laws helped prevent the spread of disease; prohibitions against theft, murder, and dishonesty safeguarded community welfare.

Additionally, many rules fostered trust and respect among people. Keeping promises, honoring parents, and avoiding harmful behaviors contributed to a stable and just society.

How New Testament Teachings Interact with Old Testament Forbiddens

When exploring the forbiddens of the Bible, it's important to recognize the distinctions between Old and New Testament teachings. The New Testament, especially through the teachings of Jesus and the apostles, reinterprets or fulfills many Old Testament laws.

The Shift in Dietary and Ritual Laws

For instance, in the New Testament book of Acts, Peter's vision in Acts 10 challenges the dietary restrictions by declaring all foods clean. This event signifies a move toward greater inclusivity, emphasizing faith and grace over ritual purity.

Similarly, many ritual laws were seen as fulfilled in Christ, who brought a new covenant. While moral principles remained, the strict ceremonial laws were no longer binding for Christians.

Continuing Moral Forbiddens

However, ethical forbiddens—such as prohibitions against sexual immorality, theft, and falsehood—continue to hold significance in Christian life. The New Testament reinforces these principles, focusing on the heart's intentions and love as the law's fulfillment.

Understanding the Forbiddens Today

For modern readers, the forbiddens of the Bible may sometimes seem foreign or difficult to apply. Yet, they offer enduring wisdom about living a life aligned with spiritual values.

Contextualizing Ancient Laws

To appreciate these forbiddens, it helps to consider their original cultural and religious contexts. Many prohibitions were responses to specific historical circumstances and served particular community needs.

Today, believers interpret these laws through theological reflection, tradition, and guidance from religious leaders. Some forbiddens continue to shape ethical standards, while others inform symbolic or spiritual practices.

Practical Lessons from Biblical Forbiddens

The forbiddens teach discipline, respect for boundaries, and commitment to a higher moral order. They encourage mindfulness about what influences we allow into our lives, whether through diet, behavior, or associations.

Moreover, they challenge individuals to consider the reasons behind rules—whether in scripture or society—and to engage with them thoughtfully rather than dismissively.

Common Misunderstandings About Biblical Forbiddens

It's easy to misunderstand or oversimplify the forbiddens of the Bible. Some see them as harsh or outdated restrictions, while others might ignore their deeper significance.

Not Just Legalism

The forbiddens are not merely legalistic commands but expressions of a relationship with God and community. They invite believers to live in harmony with divine principles that promote life, justice, and love.

Varied Interpretations

Different religious traditions interpret forbiddens in diverse ways. What one group views as a strict command, another might see as a cultural guideline. This diversity reflects the dynamic nature of scripture and faith.

Exploring these perspectives can enrich understanding and foster respectful dialogue among believers.

Final Thoughts on the Forbiddens of the Bible

The forbiddens of the Bible open a window into a rich tapestry of faith, culture, and morality. They reveal how ancient communities sought to live in obedience to God while navigating complex social realities. Whether through dietary laws, moral prohibitions, or ritual instructions, these sacred restrictions continue to inspire reflection on how to live with integrity and devotion.

Engaging with these forbiddens invites each person to explore their own beliefs, values, and practices, fostering a deeper appreciation for the wisdom woven throughout the biblical narrative.

Frequently Asked Questions

What are some common things forbidden in the Bible?

The Bible forbids various actions such as idolatry, adultery, theft, murder, lying, and coveting. These prohibitions are found primarily in the Ten Commandments and other biblical laws.

Why does the Bible forbid eating certain foods?

In the Old Testament, particularly in Leviticus and Deuteronomy, certain foods like pork and shellfish are forbidden as part of dietary laws given to the Israelites. These laws were intended to set them apart and promote ritual purity.

Is the prohibition of working on the Sabbath still relevant today?

The Bible forbids work on the Sabbath as a day of rest, commemorating God's rest after creation. While some Christian denominations observe the Sabbath on Sunday and keep it holy, others interpret this command differently or see it as part of Old Testament law not binding under the New Covenant.

Does the Bible forbid divorce?

The Bible generally discourages divorce and views marriage as a lifelong covenant. However, it allows divorce in certain situations, such as marital unfaithfulness, as stated by Jesus in the New Testament (Matthew 19:9).

Are there biblical prohibitions about mixing different materials, like fabrics?

Yes, the Bible forbids mixing certain materials, such as wearing garments made of both wool and linen (shatnez) as stated in Leviticus 19:19 and Deuteronomy 22:11. This prohibition is part of the Old Testament purity laws.

What does the Bible say about forbidden sexual relationships?

The Bible forbids various sexual relationships, including adultery, incest, homosexuality, and bestiality. These prohibitions are found in books like Leviticus and are intended to maintain moral and social order.

Are there any forbidden practices related to worship in the Bible?

Yes, the Bible forbids practices such as idol worship, divination, witchcraft, and consulting mediums. These actions are seen as contrary to worshipping the one true God and are condemned in both the Old and New Testaments.

The Forbiddens of the Bible: An Analytical Exploration

the forbiddens of the bible encompass a complex tapestry of moral, ritualistic, and societal injunctions that have shaped Judeo-Christian ethics for millennia. From dietary restrictions to prohibitions on certain behaviors, these commandments reflect the historical context, theological principles, and cultural norms embedded within biblical texts. Understanding these forbiddens requires a nuanced investigation into scriptural sources, interpretations across different denominations, and their implications for contemporary faith and practice.

Contextualizing the Forbiddens of the Bible

The concept of forbiddens in the Bible is rooted primarily in the Old Testament (Hebrew Bible), where laws and commandments were given to the Israelites to guide their conduct in accordance with divine will. These prohibitions cover various domains, including food consumption, interpersonal relationships, worship practices, and ethical behavior. The New Testament also addresses certain prohibitions but often with reinterpretations or relaxations in light of the teachings of Jesus Christ.

The forbiddens of the Bible are not merely arbitrary rules; they often serve to delineate sacred from profane, clean from unclean, and just from unjust. For example, dietary laws such as the prohibition of pork or shellfish in Leviticus 11 and Deuteronomy 14 helped to establish a unique cultural identity for the Israelites and symbolized purity. Meanwhile, moral prohibitions like those articulated in the Ten Commandments provide foundational ethical standards.

Dietary Restrictions and Ritual Purity

One of the most well-known categories of biblical forbiddens concerns dietary laws. The Torah's detailed instructions on clean and unclean animals have had lasting religious significance, especially within Judaism. These laws specify which animals may be eaten and which must be avoided, often based on

characteristics like the type of hoof or method of locomotion.

- **Clean vs. Unclean Animals:** Animals such as cattle, sheep, and deer are deemed clean and permissible, while pigs, camels, and rabbits are forbidden.
- **Seafood Restrictions:** Only fish with fins and scales are allowed; shellfish and other aquatic creatures without these features are prohibited.
- **Blood Consumption:** The Bible explicitly forbids consuming blood, emphasizing the sanctity of life.

These dietary forbiddens have practical, symbolic, and spiritual dimensions. From a health perspective, some scholars argue that such regulations may have had protective effects in ancient times. Symbolically, these laws demarcate the covenant community's identity and obedience to God.

In Christianity, many of these dietary rules are reinterpreted. The New Testament book of Acts (chapter 10) recounts Peter's vision in which previously forbidden animals are declared clean, signaling a shift toward inclusivity and the removal of certain ceremonial restrictions.

Sexual and Social Prohibitions

The Bible contains explicit forbiddens related to sexual behavior and social conduct, which have influenced societal norms and legal frameworks throughout history. These commandments often seek to preserve family integrity, social order, and spiritual purity.

Key prohibitions include:

1. **Adultery and Fornication:** Prohibited in both Testaments, these acts are viewed as violations of covenantal faithfulness and moral order.
2. **Incestuous Relationships:** Leviticus outlines prohibited degrees of kinship for marriage and sexual relations.
3. **Homosexual Acts:** Certain passages (e.g., Leviticus 18:22) explicitly forbid same-sex relations, reflecting ancient cultural and religious perspectives.
4. **Idolatry and Pagan Practices:** Worship of other gods or idols is strongly condemned as a fundamental transgression.

The forbiddens related to sexuality and social behavior are among the most debated in modern theological discourse. Different denominations and faith communities interpret these passages with varying degrees of literalism, contextualization, and inclusivity.

Prohibitions on Work and Rest

Another critical aspect of biblical forbiddens pertains to work and rest, especially concerning the Sabbath day. The Fourth Commandment emphasizes rest from labor on the seventh day, a principle enshrined in both Jewish and Christian traditions.

This prohibition against working on the Sabbath serves several purposes:

- Promoting physical and spiritual renewal.
- Honoring God's creation by emulating divine rest.
- Establishing community rhythms and social justice by allowing rest for servants and animals.

The interpretation of what constitutes "work" and the specific day designated for rest varies among religious groups, illustrating how biblical forbiddens evolve within cultural contexts.

Theological and Ethical Dimensions of Biblical Forbiddens

The forbiddens of the Bible often function as ethical boundaries that define community identity and individual responsibility. They are embedded in a covenantal framework where adherence to God's laws is linked to blessings and communal well-being.

From a theological perspective, these prohibitions reflect:

- The holiness of God and the call for humans to emulate divine holiness.
- The need for order and justice in human relationships.
- The distinction between sacred and profane, serving as a guide to spiritual purity.

Ethically, the forbiddens challenge believers to navigate complex issues such as justice, compassion, and obedience. They also raise questions about the relevance and application of ancient laws in contemporary society.

Comparative Perspectives: Judaism and Christianity

Judaism tends to maintain many of the biblical forbiddens, particularly those found in the Torah, as binding commandments (mitzvot). Observant Jews adhere to kosher dietary laws, Sabbath restrictions, and moral prohibitions, viewing them as integral to religious identity and divine obedience.

Christianity, in contrast, often interprets these forbiddens through the lens of the New Testament and the teachings of Jesus. The Apostle Paul's letters, for example, suggest that faith in Christ supersedes certain ceremonial laws. This theological shift has led to variations in practice:

- **Dietary Laws:** Most Christian denominations do not observe Old Testament dietary restrictions.
- **Sabbath Observance:** Many Christians observe Sunday as a day of worship and rest rather than the traditional Jewish Sabbath (Saturday).
- **Sexual Ethics:** While moral teachings are upheld, interpretations and applications differ widely.

These differences illustrate how the forbiddens of the Bible are interpreted and applied differently across faith traditions, influenced by doctrinal developments and cultural contexts.

Modern Interpretations and Controversies

In contemporary religious and secular discourse, the forbiddens of the Bible continue to provoke debate. Issues such as dietary restrictions may seem less contentious, but sexual ethics, gender roles, and Sabbath observance often intersect with broader societal values and human rights discussions.

Progressive theologians argue for contextual readings that emphasize the underlying principles of love and justice rather than strict legalism. Conservative perspectives typically stress adherence to traditional interpretations as essential for faithfulness.

This ongoing dialogue reflects the dynamic nature of biblical interpretation and the challenge of applying ancient texts to modern life.

The forbiddens of the Bible thus remain a vital area of study for scholars, clergy, and laypersons alike, representing an enduring intersection of history, theology, ethics, and culture.

the forbiddens of the bible: The Forbidden Books of the New Testament William Wake, 2009
A translation of many of the forbidden books of the Bible banned by the Council of Nicene, including the Gospels of the Infancy of Jesus, translated and published by William Wake, Archbishop of Canterbury 1716-1737. Less than a century before, William Tyndale had been executed by the church for daring to translate the Bible into English. Wake believed that many, if not most, of these passages were historically accurate, even those showing the young Jesus in a less than sympathetic light. Some of the information contained herein may have been used as source material by proponents of the Da Vinci Code and other Templar-based legends. Well formatted and reset from earlier versions, with notes and references from the translator, this book is easy to read and makes a great addition to any library of the historical and non-canonical works of Christianity. From The Forbidden Books of the New Testament: The suppressed gospels and epistles of the original New Testament of Jesus the Christ and other portions of the ancient holy scriptures. Now extant, attributed to His apostles, and their disciples, and venerated by the primitive Christian churches during the first four centuries, but since, after violent disputations forbidden by the bishops of the Nicene Council, in the reign of the Emperor Constantine and omitted from the Catholics and Protestant editions of the New Testament, by its compilers translated from the original tongues, with historical references to their authenticity, by Archbishop Wake and other learned divines.

the forbiddens of the bible: Hidden Bible Taboos Forbidden By Organized Christianity James Slobodzien, 2014-05-01 Have you ever wondered about the Mysteries of God's wisdom or the secret to knowledge? Jesus condemned the religious leaders of his day for taking away the "Key to Knowledge," (Luke 11:52). This remarkable article anthology may have accidentally uncovered some of these ancient mysteries that are now considered TABOO - to help you to read and really understand the Bible. Less Could the 7 Pillars or dimensions of Wisdom (Pro. 9:1) possibly be related to the "Key to Knowledge?" Hidden Bible Taboos began as one short essay that just for fun proposed a "7 Dimension Theory of Everything" but several readers encouraged me to continue researching it, and I soon discovered that it is the nature of the Universe for things to exist in 7's. For example, there are 7 types of Matter and 7 forms of Energy in the universe. When we consider "Time," the 7 Day calendar week continues to be universal and immemorial in its observance among all nations and in all times. Space - our earthly physical space is divided up into 7 Continents, 7 Oceans, and 7 Seas. After studying the multiple patterns of 7s in the universe's numerical DNA, I turned my focus to ancient cultures and was shocked to find that in the ancient wisdom writings including Christianity, the number 7 stands for spiritual perfection and divine completeness. For example, the Bible's book of Isaiah mentions the 7 Spirits of God the Father (Isaiah 11:2). The Apostle John mentions the 7 Stars of God the Son (Rev. 1:20), and the Apostle Paul mentions the 7 Gifts of God the Holy Spirit (Rom. 12:6-8). In addition, Zechariah mentions the 7 Eyes of the Lord, which range throughout the earth (Zech. 4:10). This incredible phenomenon of multiples of 7 cannot be explained by chance or human design. It is in these "7 Pillars of God's Wisdom," that I have experienced a paradigm shift that has opened my eyes to see this divine tapestry to gain a better understanding of the Bible. The 7 Dimension articles were written as independent brief essays over a period of 7 years. After receiving comments from many readers over the years (sometimes secretly) a theme became apparent that seemed to be pointing to the fact that these divine truths of the 7 dimensional (7D) biblical patterns of 7 were not being taught by the professional religious leaders of Catholic and Protestant Churches, because they were forbidden by custom or tradition. They are TABOO. This

compilation of independent articles indirectly provides a historical overview of the ancient world that leads up to the time of Jesus and the Early Church, and reveals some Taboos related to sex, drugs, violence and racism. The majority of the Taboos in this book however, are not related to ancient mysterious pagan practices. The most significant Taboos in this book are coming from professional church leaders of organized religions of Christianity today who forbid their church members from knowing and practicing what is written in the New Testament, and commanded by Jesus and his Apostles. Hidden Bible Taboos is a collection of these 7D articles that have accidentally uncovered and systematically integrated ancient religious mythologies; archeological mysteries; scientific and historical facts; and End Time prophecies to reveal the Christian Sun-god conspiracy. It is not a formal theological treatise on spirituality and/or religion as it is a work in progress that is very, very far from perfect. With the above disclaimer to having and/or knowing the absolute truth, I would like to present what I believe to be the 7 dimension (7D) origins of ancient religious knowledge and ageless wisdom that have been passed down to us by our ancestors - So put on your 7D glasses! Dedication: This book is dedicated to Peter Waldo (Founder of the Waldensians) and the 50 million other Christians who were persecuted and slaughtered by the Organized Religion of Christianity (Papacy) in the middle ages and later. Spiritual/Religious Reading Material Warning: The contents of this article anthology may shock and inspire you into developing your spiritual life. Don't let yourself or your friends go without reading this life-changing book!

the forbiddens of the bible: *The Bible and Its Influence* Cullen Schippe, Chuck Stetson, 2006 Biblical allusions are found in great literature and in the daily newspaper as well. Rock musicians, screenwriters, television producers, and advertisers use the Bible as a source. Politicians use the words and accounts of the Bible to frame their debates.

the forbiddens of the bible: The Millenary Fraud: The Bible Arquimedes De Jesus, 2014-05-16 The Millenary Fraud is a book on the Bible that is the product of more than 18 years of my life as a Christian. What I have done in this book is nothing more than invite people to check the Bible thoroughly and to compare the different verses that contradict each other as other authors have done. I want people to have the same knowledge of the Bible as I and decide for themselves. · Evidence has been found in the Bible that god never spoke to Abraham. · Evidence has been found in the Bible that god never spoke to Moses and the Israelites on Mount Sinai. · Evidence has been found in the Bible that god forgets and lies. · Evidence has been found in the Bible that god does not keep his promises. · Evidence has been found in the Bible that god does not know everything. · Evidence has been found in the Bible that Jesus was a thief and a fraudster. · Evidence had been found in the Bible that Jesus was not the son of Virgin Mary. · Evidence has been found in the Bible that Jesus lied openly at least 10 times. · Evidence has been found in the Bible that Jesus will not come back, for he is 1800 years late. · Evidence has been found in the Bible that it is impossible for Jesus to come back. · This is not a book about delusive thoughts or interpretations of the Bible and Qur'an by the author. It is about clear proof, with evidence throughout 'given' by the books of faith.

the forbiddens of the bible: The Forbidden Tale kameel ahmady, 2021 ,گندم گندم Gender is one of the most important aspects of human life. It encompasses sexual identities and roles, sexual orientation, lust, pleasure, intimacy, and reproduction. It can also include people's thoughts, dreams, desires, beliefs, views, values, behaviors, practices, roles, and relationships; but these aspects are not always directly experienced or expressed. Gender is affected by biological, psychological, social, economic, cultural, moral, legal, historical, religious and spiritual interactions. There is little in the way of media coverage or reports about the Iranian LGBT community, and most of these reports are documentaries about people who have left Iran and live in another country. There has been only limited research on the experience of LGB communities in contemporary Iranian society and their views concerning this community. The research for Forbidden Tale seeks to fill this knowledge gap, and is the first research about the LGB community in Iran and the distinctive contexts in which this community functions. The anthropological and fieldwork study of LGB people in Iran by Kameel Ahmady and his team examines the field of gender by looking at the many complex aspects of sexual identity and its intricacies in that community, in the context of an increasing recognition of sexual

orientation and the challenges that current practices of LGB and gender in Iran present. Myths and narratives that have often led to misconceptions about gender, and the mistaken policies and practices which ensue from them, are examined to provide a more holistic approach. This study is complex because it enters the realm of private and public life in today's Iran beyond a simple and general view of sexual orientation and gender-related Impressions. This research first focused on in-depth interviews of over 300 LGB people, 60% male and 40% female, in the three metropolitan cities of Tehran, Mashhad and Isfahan. One specific feature of the research is that it focuses solely on LGB and on trans-sex people who have both male and female sexes, both of which are active at the same time. The focus is on challenges arising from present-day changes in gender relations and interaction in Iran, examining the theoretical and methodological frameworks created by the LGBT community, as well as by universities and research centers, public and social activists, and students outside that community. The main goals of this research project are to understand LGB community's feelings and beliefs through a critical analysis of their own perspective, and to examine their challenges in living in a religious, class-based, traditional and patriarchal society that rejects LGB as an identity. The vulnerability of LGBT people in Iran has been routinely suppressed. The aim now is to clarify the situation of those who have been deliberately ignored and marginalized. The present study takes advantage of a combination of methods and approaches in order to provide a theoretical method suited for research on LGBT experience and nevertheless, to encompass the feelings and perceptions of the researcher as an 'objectivity' in the research confirmation criteria. This research was conducted between 2017-2018 and field data were collected in summer and autumn, 2017.

the forbiddens of the bible: The Forbidden Fruit & The Tree of Knowledge Blake C. Erickson, 2008-09-24 As a human being living in today's reality, information is readily available for interpretation and subjectivism. The information provided in this book may cause a few readers to prop up on the edge of their seat as they ponder such notions as: Psychology, Consciousness, Spirituality, Religion, Ancient History, Mythology, Symbolism, Shamanism, Music, Art, Crop Circles, and UFOs. 'The Forbidden Fruit & The Tree of Knowledge' is a book that is intended to raise some very curious questions about seemingly random topics which hold a sacred geometrical outline for understanding who and what we are.

the forbiddens of the bible: The Forbidden Secret Jonathan Gray, 2011-05-15 The one thing that isn't a secret is that our world is in a monstrous MESS! A murderous mob has seized control of our planet. They have chilling plans for you and your family. The elite have sworn to suppress the forbidden secret, discredit it, and keep it from the public. They have deceitfully manipulated every aspect of our society--mentally conditioning us to doubt, ignore, or reject the survival strategy offered in The Forbidden Secret. But a powerful figure is set to smash their agenda. Meanwhile, a rescue plan is in place, and simple steps will guarantee your survival.

the forbiddens of the bible: The Forbidden Tree: History or Folklore? Jabulani Midzi, 2016-08-05 The Forbidden Tree: History or Folklore? turns its attention to the book that forms one of the key foundation stones laying at the base of the worlds cultures. It reviews the nature of its contents and the content of its claims to truth. The author, Jabulani Midzi, brings to the books audacious task a keen eye focused and a listening ear attuned to the messages contained in the pages of the Bible. As he notes, the Bible contains law, history, poetry, prophecy, gospels and epistles. By surveying the nature of these various types of writing and summarising the Bibles claims contained in them, he gives readers the background they need to understand the Bibles assertions about God. Then, by using insights and observations informed by the developments in the history of thought, he presents the options for readers to contemplate as they consider whether they believe the Bible contains the infallible word of God. This book attends to the Scriptures, assesses scholarly insights, and shares observationsnot judgementsabout the reliability of the Bibles assertions that it

contains and proclaims Gods infallible word.

the forbiddens of the bible: The Secrets Of Eden And The Forbidden Fruit Menelik CC Ngene, 2020-05-08 Based on what is written in the Bible, God introduced himself as a bad guy who punishes truth tellers and hides when good men suffer. Everyday reality across the earth shows that 99.999% of all crimes, frauds, lies, corruption, mass murders, organised deception, injustices, cruelties and discrimination of earth are done by religious people. Is God truly bad? Are religious people truly behaving like their God? The OLD TESTAMENT bible story of God, Adam, Eve and the Serpent shows God hates the truth and punishes truth tellers. The NEW TESTAMENT Bible story of God and Jesus Christ shows God hides when good people suffer. Is it time for you to re evaluate some of your RELIGIOUS beliefs about the BIBLE God? The Secrets of Eden studied the Bible story of the origins of humans and evil on earth and uncovers the following shocking information included in the Bible story of creation in the days when God played the roles of Satan, Devil and Demons. -God told the first lie in the Bible. -The serpent told the first truth in the Bible. -Mankind was innocent from the beginning. God corrupted man's innocence with lies, deception, anger, unjustified punishment and enmity against truth and the truth telling serpent. Discover why religious ,people and spiritual followers of God get angry and curse truth tellers for pointing them to the truth already written in their Bibles plus other 4 billion year old secrets embedded in the Bible story of the origin of man on the planet. This secrets are being released for very first time this secret is being revealed in the over four billions years of Earth's existence. Isn't it time, you re evaluated your beliefs about religion, Spirituality, God, Satan, Andrls and Demons?

the forbiddens of the bible: The Forbidden Hills Al Lacy, Joanna Lacy, 2010-04-21 Gold Glimmers, and the Rush Is On! An expedition led by George Custer in the 1870s confirms that the rumor of gold is true, and now its glimmer beckons from the Black Hills of Dakota Territory. And the rush is on in spite of the threat of war with the Indians. No one seems to desire to strike it rich more than Jim Bannon, a farmer who seeks Alyssa McGuire's hand in marriage. Her father is the owner of the Bank of Cheyenne and refuses to let her marry below her class. So Jim boldly departs his Wyoming farm in hot pursuit of the wealth that is his ticket to the love of his life. But conflict between miners and Indians heats up, and Jim returns home unsuccessful. How will he ever make Alyssa his bride? book two Dreams of Gold Trilogy When gold was discovered out West during the nineteenth century, men rushed from all parts of the globe to stake their claims. Fortunes were made and lost, families uprooted, and a continent shaped by men driven by dreams of gold. (end series header) Gold Discovered in the Black Hills! 1875. Jim Bannon is a young farmer, a fine Christian man in love with Alyssa Rose McGuire, the daughter of a wealthy banker in Cheyenne . Her father, Frank, wants her to marry a Christian, of course...but a wealthy Christian. So when the Black Hills of the Dakota Territory (and Sioux country) are opened for gold prospecting, Jim stakes a claim, hoping to strike it rich enough to win Alyssa's hand with her father's approval. Thousands of people converge on the Black Hills , seeking gold for everything from medical bills to oil investments. Jim realizes he's in a mission field among the prospectors—and even the Sioux Indians. But will he ever find enough gold to satisfy Frank McGuire and marry his beloved Alyssa Rose? Story Behind the Book We read books on the history of North America and found ourselves captivated with the three big gold rushes in the nineteenth century—the California Gold Rush of 1849, the Dakota Territory Black Hills Gold Rush of 1874, and the Yukon Gold Rush in Canada of 1896. Some gold seekers embraced success, delight, and happiness, but others faced failure, tragedy, and sorrow. In the Dreams of Gold series, we captivate our readers' imaginations, as well as touch their hearts with both types of results in the gold seekers' experiences—good and bad. —Al and JoAnna Lacy

the forbiddens of the bible: The Forbidden Bible Stories L. O. U. SKOCZEK, 2020-01-20 THE FORBIDDEN BIBLE STORIES is not meant to convince believers of any brand of faith to switch to another better one, or to announce a new faith. There are many stories in the Bible that the clergy in all brands of Judeo-Christianity must hide from public knowledge to keep the faith vibrant. The author is a former ordained Bible minister of a fundamentalist conviction who spent a lifetime supporting the church making a living in secular enterprises, not out of church people, while freely

spreading the gospel of Jesus Christ everywhere. The prestigious Bible schools attended provided the fundamentals to promote the tenets of the selected brand of faith. To acquire the fullest knowledge of the Bible, one must read it many times over, setting aside some detrimental issues with stories that the apologists are still trying to resolve. There are no contradictions in the Bible; they are all options of what to believe as appropriate for the occasion and brand of faith. After nearly forty years of reading the Bible and reasoning with God, giving him the fullest benefit of the doubt, an honest believer slowly notices that many of the Bible stories are too embellished, absurd, and even grossly immoral. The preaching today is on selected stories that delight the cheerful givers. The clergy warily ostracize annoying inquisitors. The Bible is not a trivial book. After considering the power that Religion exerts in politics came the idea of writing this book without reservations laying the Bible on the table for the readers to ponder, especially in America where ill-advised politicians may destroy this nation. All the comments are based on stories taken from the Bible describing the many choices of absolute morality and political correctness that the writers laid open for the clergy to manipulate at their discretion. Since humankind is made of clay in God's image and likeness, we can easily compare each other's attributes. Reading this book provides an insight into the mystic rationale of the Bible writers and the nature of the God that they concocted for the Jews that even Christian Americans still trust, politicians pivot around, and the clergy banks in this One Nation under God.

the forbiddens of the bible: *The Matrix & The Forbidden Knowledge - Extraterrestrial Edition* Malik Bade, 2023-10-01 Extraterrestrials have long been documented throughout history. The hidden rulers and powers of planet earth are non-human. This publication provides the ultimate field guide for a number of alien races and encounters with full in-depth descriptions and images.

the forbiddens of the bible: *The Forbidden Instruction Book* Neil Riding, 2012-06 I am writing from a place that is a long way from the halls of fame. Working through two video clips, the god delusion and the virus of faith. Eminent scientist Richard Dawkins produced the clips several years ago. There has been some reviews done on these videos in the past. Each time a comment has been made--it is from either side of the 'fence.' What makes this book so different; is that I am neither a religious-fundamentalist nor a scientist. One day, we may see a follow-up video. The purpose of this book is to chip away at your worldview. Many believe that the religions of this world actually read and follow an instruction book; however, that is definitely not the case. I invite you to challenge your worldview. Come along for the ride and take a fresh look at the world's number one bestseller.

the forbiddens of the bible: *The Forbidden Fruit* Pastor Monica Burks, 2010-11 This book is about Obedience and knowledge. I want each reader to know that Knowledge can be good or knowledge can be bad. The knowledge that Lucifer Recieved from the tree was bad, because it made him disobey God and lose his place with God.

the forbiddens of the bible: *The Forbidden Religion* Jose M. Herrou Aragon, 2012-07-03 Gnosis means knowledge. But we are not referring to just any knowledge. Gnosis is knowledge which produces a great transformation in those who receive it. Knowledge capable of nothing less than waking up man and helping him to escape from the prison in which he finds himself. That is why Gnosis has been so persecuted throughout the course of history, because it is knowledge considered dangerous for the religious and political authorities who govern mankind from the shadows. Every time this religion, absolutely different from the rest, appears before man, the other religions unite to try to destroy or hide it again. Primordial Gnosis is the original Gnosis, true Gnosis, eternal Gnosis, Gnostic knowledge in its pure form. Due to multiple persecutions, Primordial Gnosis has been fragmented, distorted and hidden.

the forbiddens of the bible: *The Forbidden Orchid* Sharon Biggs Waller, 2016 In 1861, Elodie sails from her home in England to China to help her father search for a rare and valuable orchid-- Provided by publisher.

the forbiddens of the bible: *The Forbidden Image* Alain Besançon, 2000 This book discusses the privileging and prohibition of religious images over two and a half millennia in the West.

the forbiddens of the bible: *The Forbidden Knowledge of the Book of Enoch* Harold Roth,

2024-12-02 Examines the meaning, context, secrets, and impact in a clear, accessible, secular, and respectful way so that readers can make up their own minds about the mysterious Book of Enoch. Forbidden knowledge is at the core of the Book of Enoch. Its text has captured interest from 300 BCE up to the present day. Ancient people living in the Qumran area of the Land of Israel, to the Near East, to Ethiopia, and to Eastern Europe have all consulted the Book of Enoch for their magical and mystical practices. Sometimes part of religious canon and doctrine, and sometimes outright banned, the Book of Enoch has persisted for well over 2,000 years. Roth interprets the content of the Book of Enoch and addresses how that knowledge has been used in the past and can be useful in the present. The Forbidden Knowledge of the Book of Enoch shows that the Book of Enoch remains as vital, if not more so, today as it has been for centuries. From Renaissance magic (Dr. John Dee) to early Christian apocalyptic texts, all the way down to today's conspiracy theories and modern magical angelology, the Book of Enoch has been influential in many spiritual and religious traditions. What has been missing from the various approaches to the Book of Enoch, more popular today than ever, has been any real attempt to find not only what is at the center of these stories but also their connections to magic. The Forbidden Knowledge of the Book of Enoch finds and elucidates those connections. This new work will be useful to magic workers, mystics, those who work with angels, those interested in Jewish magic and mystical practices, and those who are simply curious to peek at apocalyptic visions.

the forbiddens of the bible: The Forbidden Family Dream Adam Jon Hemmbd, 2010-07-19 Tiffany, Jordan Carter, and Brett Lee Young tell their two part tale of a Forbidden Family Dream. These many adventures continue from the Forbidden Love (The Jordan and Jon Carter Story). Many secrets are revealed as Tiffany tells her story of what it's like to live with two fathers. Brett tells his tale of the dream that was so badly destroyed years before, of Jordan and Jon. This two part tale will captivate the LGBT Christian community, as well as many others. Will Brett fulfill the forbidden dream, and will Tiffany last in the Forbidden Family?

the forbiddens of the bible: A Jesuit in the Forbidden City R. Po-chia Hsia, 2010-10-28 A 16th century Italian Jesuit, Matteo Ricci was the founder of the Catholic Mission in China and one of the most famous missionaries of all time. A pioneer in bringing Christianity to China, Ricci spent twenty eight years in the country, in which time he crossed the cultural divides between China and the West by immersing himself in the language and culture of his hosts. Even 400 years later, he is still one of the best known westerners in China, celebrated for introducing western scientific and religious ideas to China and for explaining Chinese culture to Europe. The first critical biography of Ricci to use all relevant sources, both Chinese and Western, A Jesuit in the Forbidden City tells the story of a remarkable life that bridged Counter-Reformation Catholic Europe and China under the Ming dynasty. Hsia follows the life of Ricci from his childhood in Macerata, through his education in Rome, to his sojourn in Portuguese India, before the start of his long journey of self-discovery and cultural encounter in the Ming realm. Along the way, we glimpse the workings of the Portuguese maritime empire in Asia, the mission of the Society of Jesus, and life in the European enclave of Macau on the Chinese coast, as well as invaluable sketches of Ricci's fellow Jesuits and portraits of the Chinese mandarins who formed networks indispensable for Ricci's success. Examining a range of new sources, Hsia offers important new insights into Ricci's long period of trial and frustration in Guangdong province, where he first appeared in the persona of a foreign Buddhist monk, before the crucial move to Nanchang in 1595 that led to his sustained intellectual conversation with a leading Confucian scholar and subsequent synthesis of Christianity and Confucianism in propagating the Gospels in China. With his expertise in cartography, mathematics, and astronomy, Ricci quickly won recognition, especially after he had settled in Nanjing in 1598, the southern capital of the Ming dynasty. As his reputation and friendships grew, Ricci launched into a sharp polemic against Buddhism, while his career found its crowning achievement in the imperial capital of Beijing, leaving behind a life, work, and legacy that is still very much alive today.
