the acclaimed documentary *Dear Zachary*, this brutally honest memoir chronicles a system's failure to prevent the murder of a child. In November 2001, the bullet-riddled body of a young doctor named Andrew Bagby was discovered in Keystone State Park outside Latrobe, Pennsylvania. For parents Dave and Kate, the pain was unbearable—but Andrew's murder was only the beginning of the tragedy they endured. The chief suspect for Andrew's murder was his ex-girlfriend Shirley Turner. Obsessive and unstable, Shirley lied to police and fled to Newfoundland before she could be arrested. While fending off extradition efforts by U.S. law enforcement, she announced she was pregnant with Andrew's son, Zachary. Hoping to gain custody of the child, the Bagbys moved to Newfoundland. They began a drawn-out court battle to protect their grandson from the woman who had almost certainly murdered their son. Then, in August 2003, Shirley killed herself and the one-year-old Zachary by jumping into the Atlantic Ocean. *Dance with the Devil* is David Bagby's eulogy for a dead son, an elegy for lives cut tragically short, and a castigation of a broken system. dance with the devil bagby: Justice on Demand Tanya Horeck, 2019-11-11 Explores the proliferation of true crime audiovisual texts across multiple media platforms. *Justice on Demand: True Crime in the Digital Streaming Era* offers a theoretical rumination on the question asked in countless blogs and opinion pieces of the last decade: Why are we so obsessed with true crime? Author Tanya Horeck takes this question further: Why is true crime thought to be such a good vehicle for the new modes of viewer/listener engagement favored by online streaming and consumption in the twenty-first century? Examining a range of audiovisual true crime texts, from podcasts such as *Serial* and *My Favorite Murder* to long-form crime documentaries such as *The Jinx* and *Making a Murderer*, Horeck considers the extent to which the true crime genre has come to

epitomize participatory media culture where the listener/viewer acts as a desktop detective or internet sleuth. While Facebook and Twitter have re-invigorated the notion of the armchair detective, Horeck questions the rhetoric of interactivity surrounding true crime formats and points to the precarity of justice in the social media era. In a cultural moment in which user-generated videos of real-life violence surface with an alarming frequency, *Justice on Demand* addresses what is at stake in the cultural investment in true crime as packaged mainstream entertainment. Paying close attention to the gendered and racialized dimensions of true crime media, Horeck examines objects that are not commonly considered true crime, including the subgenre of closed-circuit television (CCTV) elevator assault videos and the popularity of trailers for true crime documentaries on YouTube. By analyzing a range of intriguing case studies, Horeck explores how the audience is affectively imagined, addressed, and commodified by contemporary true crime in an on demand mediascape. As a fresh investigation of how contemporary variations of true crime raise significant ethical questions regarding what it means to watch, listen, and witness in a digital era of accessibility, immediacy, and instantaneity, *Justice on Demand* will be of interest to film, media, and digital studies scholars.

dance with the devil bagby: American Masculinities in Contemporary Documentary Film

Sara Martín, 2023-05-24 Most documentaries deal with men, but what do they actually say about masculinity? In this groundbreaking volume Sara Martín analyses more than forty 21st-century documentaries to explore how they represent American men and masculinity. From Jennifer Siebel Newsom's *The Mask You Live In* to Raoul Peck's *I Am Not Your Negro*, this volume explores sixteen different faces of American masculinity: the good man, the activist, the politician, the whistleblower, the criminal, the sexual abuser, the wrongly accused, the dependent man, the soldier, the capitalist, the adventurer, the sportsman, the architect, the photographer, the musician, and the writer. The collective portrait drawn by the documentaries discloses a firm critical stance against the contradictions inherent in patriarchy, which makes American men promises of empowerment it cannot fulfill. The filmmakers' view of American masculinity emphasizes the vulnerability of disempowered men before the abuses of the patriarchal system run by hegemonic men and a loss of bearings about how to be a man after the impact of feminism, accompanied nonetheless by a celebration of resilient masculinity and of the good American man. Firmly positioning documentaries as an immensely flexible, relevant tool to understand 21st-century American men and masculinity, their past, present, and future, this book will interest students and scholars of film studies, documentary film, American cultural studies, gender, and masculinity.

This second edition of *Child Welfare: Connecting Research, Policy, and Practice* has a special focus on Canadian child welfare and contains entirely new material on these important themes. The book highlights major developments in child welfare and shows how these inform directions taken in research, policy, and practice. The book includes new sections on Indigenous issues and best practices, and several of its chapters review efforts to increase supports for families in need. Contributions from new and international authors illustrate the endemic nature of child welfare challenges and how we can learn from these experiences. Contributors provide recommendations for promoting best practice and enhancing resilience among children and families. Closing chapters within each section and at the end of the book summarize key theoretical and practice issues along with recommendations to improve the research, policy, and practice continuum in child welfare. The challenge is to translate good research into policy and practice in ways that enhance the life chances of children who need our care and protection.

dance with the devil bagby: Shirley Turner Kelly Banaski, 2015-06-05 On November 6, 2001,

Dr. Andrew Bagby was found dead in a parking lot for day use at Keystone State Park in Derry Township, Pennsylvania. He had been shot to death. There were five gunshot wounds as well as blunt force trauma to the back of the head. He had been shot in both the face and chest as well as

the back of the head, back and buttocks. He was left face down in the parking lot in his scrubs, next to his Toyota Corolla. He died there. The bizarre murder case of Andrew Bagby entails far more than death, although it has that threefold. It also brought to light a woefully inept Canadian legal system and the frighteningly dark mental descent of a woman scorned. While evidence was steadily mounting against her, Dr. Shirley Turner dropped everything, left her car, apartment and every worldly possession, and went back to Canada. By the time Pennsylvania had an open warrant on her, she was in St. John's, Newfoundland, Canada. There, she gave birth to Andrew's son, Zachary. While in jail, she wrote to a judge. Against legal precedent, this judge wrote her back and gave her legal advice on how to proceed with her case. The United States presented evidence of her crimes and their investigation and findings thus far. It was overwhelming. Her lies were exposed, her gun casings matched and witnesses placed her car next to his at the time of the murder. What happened next is one of the strangest decisions in legal history.

En este volumen pionero, Sara Martín Alegre analiza más de cuarenta documentales para responder a la pregunta de cómo se representan las masculinidades de los Estados Unidos de América. Desde 'The Mask You Live In' hasta 'I Am not Your Negro', se analizan dieciséis caras distintas de la masculinidad americana: el buen hombre, el activista, el político, el denunciante, el criminal, el abusador sexual, el inocente injustamente acusado, el hombre dependiente, el soldado, el capitalista, el aventurero, el deportista, el arquitecto, el fotógrafo, el músico y el escritor. La visión de conjunto resalta la vulnerabilidad de los hombres ante los abusos patriarcales de un círculo hegemónico que controla el poder, con el doble propósito de ayudarles a librarse de sus máscaras patriarcales y de reivindicar el documental como un instrumento relevante para ello.
