When Peter scoffs that Hank has it easy compared to him, the two decide to switch jobs until Christmas Eve. To their surprise, the responsibilities of a bartender and a pastor are similar, but taking on the other's work is more difficult than either Peter or Hank expected. As the two begin to see each other in a new light—and each discovers a new love to cherish—their lives are forever changed. In *The Christmas Spirit*, Debbie Macomber celebrates the true meaning of the holidays and the inclusive community spirit that binds us all.

Lindy Carmichael isn't feeling particularly joyful when she returns home to Wenatchee, Washington, for Christmas. The man she thought was “the one” has cheated on her with her best friend, and she feels completely devoid of creativity in her graphic-design job. Not even carolers or Christmas cookies can cheer her up—but Lindy's mother, Ellen, remembers an old tradition that might lift her daughter's spirits. Reading through a box of childhood letters to Santa and reminiscing about what

she'd wished for as a young girl may be just the inspiration Lindy needs. With Ellen's encouragement, she decides to write a new letter to Santa, one that will encourage her to have faith and believe just as she'd done all those years ago. Little does Lindy know that this exercise in gratitude will cause her wishes to unfold before her in miraculous ways. And, thanks to some fateful twists of Christmas magic—especially an unexpected connection with a handsome former classmate—Lindy ultimately realizes that there is truly no place like home for the holidays. In *Dear Santa*, Debbie Macomber celebrates the joys of Christmas blessings, old and new.

And now she's hatched a plot to find her father a wife. Lovely Carrie Weston seems to fit the bill. Phillip claims he's not interested in remarriage, but could the magic of the holiday season — and Carrie's charms — help him change his mind? *The Twelve Months Of Christmas* - Sheila Roberts Sunny, Arianna and Molly are having three very different but equally terrible Christmases. Sunny is a newlywed with two new stepkids who want nothing to do with her; Arianna is newly divorced and hates having to send her daughter off to spend the holiday with her dad; for Molly, nothing is new, but her job at the post office is getting very, very old. The whole Christmas season has been a bust all around. But Sunny and Arianna have a wild idea: what if they had a Christmas do-over in January? February? On Saint Patrick's Day? Christmas all year long — what could that look like? As these three determined women chase the perfect holiday through twelve months of cooking disasters, over-the-top festivity, and lots of laughter and tears, they'll discover perfection is way overrated. *The Perfect Holiday* - Sherryl Woods What's a holiday without a handsome husband? To Aunt Mae, it isn't very festive at all! So she sends the perfect man to her single niece, Savannah Holiday. But can wealthy bachelor Trace Franklin become the perfect groom-to-be by Christmastime?
