Love and Law Ernest Holmes: Exploring the Spiritual Principles Behind Universal Harmony

love and law ernest holmes—these words evoke a profound connection between two fundamental forces that govern human experience according to the teachings of Ernest Holmes. As the founder of the Science of Mind philosophy, Holmes presents a unique perspective that intertwines love and law in a spiritual context, offering insights that resonate deeply with seekers of personal growth, spiritual enlightenment, and harmonious living.

In this exploration, we dive into the essence of Holmes' ideas on love and law, unpacking how these concepts form the backbone of his metaphysical teachings. Whether you're curious about the laws of attraction, the power of divine love, or the practical applications of these principles, understanding Holmes' approach can illuminate your path toward a more fulfilling and conscious life.

The Foundation of Ernest Holmes' Philosophy

Ernest Holmes developed the Science of Mind in the early 20th century, synthesizing ideas from various religious, philosophical, and scientific traditions. At its core, this philosophy teaches that the universe operates according to universal laws that are accessible and applicable to every individual. Among these laws, the Law of Cause and Effect and the Law of Attraction are central, but Holmes places a special emphasis on love as a fundamental spiritual force.

Understanding the “Law” in Holmes' Teachings

When Holmes refers to “law,” he’s describing universal spiritual laws—immutable principles that govern existence. These laws are not arbitrary but reflect the inherent order and intelligence of the universe. For example:

- The Law of Mind Action: The principle that thoughts are causes that bring about effects in our lives.
- The Law of Attraction: The idea that like attracts like, meaning that your thoughts and feelings draw corresponding experiences.
- The Law of Supply: The understanding that the universe is abundant and can provide for every need.

These laws aren't limited to physical or material phenomena but extend deeply into emotional and spiritual realms, with love being the highest expression of spiritual energy.

Love as the Supreme Law

For Ernest Holmes, love is more than just an emotion—it is the ultimate law that underpins all other laws. Love is the creative force of the universe, the energy that connects all beings and brings about harmony and healing.

How Love and Law Interact in the Science of Mind

Holmes teaches that love is the spiritual law that activates and harmonizes the other universal laws. When we operate from a place of love—whether self-love, compassion, or unconditional love—we align ourselves with the flow of universal intelligence. This alignment allows us to manifest our desires more easily, experience peace, and foster positive relationships.

One insightful way Holmes describes this is by suggesting that love is the “law of life’s expression.” In other words, love is the force that moves ideas into form, transforms challenges into opportunities, and turns separation into unity.

The Healing Power of Love in Holmes’ Philosophy

Another key aspect of Holmes’ teachings is the healing power of love. He believed that love could dissolve fear, anger, and discord, replacing them with understanding and peace. This idea is particularly relevant in today’s world, where stress and conflict often dominate.

By consciously choosing love as a daily practice, individuals can transcend negative mental patterns and tap into the spiritual law that heals not only the self but also the collective consciousness.

Applying Love and Law Ernest Holmes in Daily Life

Understanding the spiritual principles behind love and law is one thing, but applying them can transform everyday experiences. Holmes’ philosophy is practical and encourages active participation in manifesting a life aligned with these universal truths.

Practical Steps to Live by Love and Law

Here are some ways to embrace Holmes’ teachings in your daily routine:

1. **Mindful Thought Management**: Pay attention to your thoughts, recognizing that they are causes that produce effects. Replace limiting beliefs with affirmations rooted in love

and possibility.

2. ****Cultivate Compassion****: Practice empathy toward yourself and others, recognizing the shared spiritual essence in all beings.
3. ****Visualize Positive Outcomes****: Use the Law of Attraction by imagining your goals achieved with feelings of love and gratitude.
4. ****Meditate on Universal Love****: Spend time in meditation or prayer focusing on connecting with the infinite love that Holmes describes as the source of all life.
5. ****Act in Alignment with Love****: Make choices that reflect kindness, forgiveness, and generosity, reinforcing your connection to spiritual laws.

Love, Law, and Relationships

Holmes also emphasized that love and law play a crucial role in relationships. By understanding that love is a spiritual law, partners can nurture connections that are not based on neediness or control but on mutual respect and spiritual growth.

When couples and friends operate from this place, conflicts become opportunities for deeper understanding, and relationships become a mirror reflecting each person's higher self.

Legacy of Ernest Holmes on Modern Spiritual Thought

The influence of Ernest Holmes and his teachings on love and law continues to ripple through contemporary spiritual communities. Many modern self-help and New Thought movements draw inspiration from his work, emphasizing the power of thought, the law of attraction, and the central role of love in manifesting a meaningful life.

Holmes' writings, especially his seminal book **The Science of Mind**, remain foundational texts that encourage readers to awaken to their creative potential by understanding and living in harmony with universal love and law.

Integrating Holmes' Philosophy with Current Practices

Today, people combine Holmes' principles with mindfulness, positive psychology, and other holistic approaches. For example, meditation practices that focus on loving-kindness and compassion are in harmony with Holmes' vision of love as a spiritual law.

Similarly, affirmations and vision boarding techniques reflect the Law of Attraction, showing how Holmes' ideas continue to shape how individuals create their realities.

Love and law, as presented by Ernest Holmes, invite us to see beyond the surface of everyday life. They encourage a deeper recognition of the interconnectedness of all things and the power within each person to co-create a world grounded in love, harmony, and

spiritual truth. This perspective not only enriches individual lives but also contributes to the collective awakening of humanity.

Frequently Asked Questions

Who is Ernest Holmes and what is his connection to love and law?

Ernest Holmes was a spiritual teacher and founder of the Religious Science movement. His teachings often explore the metaphysical laws, including the Law of Attraction, emphasizing how love is a fundamental force in the universe and can influence one's experiences through mental and spiritual alignment.

What does Ernest Holmes say about the role of love in the Law of Attraction?

Ernest Holmes teaches that love is a powerful creative force within the Law of Attraction. By focusing on love and positive emotions, individuals can attract harmonious and fulfilling experiences into their lives, as love aligns one's thoughts and feelings with the highest good.

How can Holmes' principles be applied to improve relationships?

According to Ernest Holmes, applying spiritual laws such as affirmations, visualization, and maintaining a loving mindset can help individuals attract and nurture healthy relationships. By cultivating self-love and unconditional love towards others, one creates a positive environment that supports connection and understanding.

Does Ernest Holmes address the legal system or law in a societal sense?

Ernest Holmes primarily focuses on spiritual and metaphysical laws rather than the legal system. His concept of 'law' refers to universal principles governing life and consciousness, rather than man-made laws or legal frameworks.

What book by Ernest Holmes discusses love and universal laws?

Ernest Holmes' seminal work, 'The Science of Mind,' extensively discusses universal laws, including the power of love as a creative and transformative force in life, providing practical teachings on how to utilize these principles for personal growth and fulfillment.

How is love described as a spiritual law in Ernest Holmes' teachings?

In Ernest Holmes' teachings, love is described as a fundamental spiritual law that governs harmony and unity in the universe. It is seen as the essence of divine energy, and by embodying love, individuals can align themselves with the creative intelligence that shapes reality.

****Love and Law Ernest Holmes: Exploring the Intersection of Spirituality and Universal Principles****

love and law ernest holmes serve as a profound gateway into understanding the philosophy of Ernest Holmes, the founder of the Science of Mind movement. Holmes' exploration of spiritual laws, particularly the law of love, has influenced countless individuals seeking holistic approaches to personal development and metaphysical understanding. This article delves into the core concepts behind Holmes' teachings, examining how love operates as a universal law and how it interplays with other spiritual laws in his philosophy.

Understanding Ernest Holmes' Philosophy: The Science of Mind

Ernest Holmes, an early 20th-century metaphysical thinker, developed the Science of Mind, a spiritual philosophy grounded in the idea that the mind and spirit are powerful forces capable of shaping reality. At the heart of his teachings lies the concept of universal laws—immutable principles governing the universe. Among these, the law of love stands prominent, often described as the foundational force that connects all existence.

Holmes' approach bridges various religious and philosophical traditions, emphasizing practical application rather than dogmatic belief. His writings encourage individuals to align their thoughts and emotions with these universal laws to manifest health, prosperity, peace, and love.

The Law of Love in Ernest Holmes' Teachings

The law of love, according to Holmes, transcends mere emotion; it is a cosmic principle that binds all life and creation. This law is not just about interpersonal affection but encompasses unconditional love, compassion, and unity with the divine.

Holmes argued that love is the highest expression of spirit and the most powerful force for transformation. It acts as an energizing and harmonizing power, influencing all aspects of life and the universe. In his seminal work, **The Science of Mind**, Holmes writes about love

as an omnipresent energy that, when embraced, fosters healing, creativity, and spiritual growth.

Love and Law: The Relationship Between Spiritual Principles

"Love and law Ernest Holmes" is a phrase that captures the inseparable connection between love and universal laws in Holmes' philosophy. While love is a fundamental law, it functions within a broader framework of spiritual laws, including the law of attraction, the law of cause and effect, and the law of correspondence.

- **Law of Attraction:** Holmes believed that love amplifies the law of attraction. Positive, loving thoughts attract similar energies, creating a cycle of abundance and harmony.
- **Law of Cause and Effect:** Love acts as a cause that produces positive effects. Holmes teaches that acts of love lead to beneficial outcomes not only for the individual but for the collective.
- **Law of Correspondence:** Love reveals the interconnectedness of all things, demonstrating that inner harmony reflects in outer circumstances.

By integrating love with these laws, Holmes presents a comprehensive system where spiritual laws work cohesively, guiding individuals toward enlightenment and fulfillment.

Practical Implications of Love and Law in Daily Life

Ernest Holmes' teachings are not purely theoretical; they emphasize practical application. The interplay of love and law manifests in everyday experiences, shaping relationships, health, and personal success.

Manifesting Change Through Love and Law

Holmes encouraged practitioners to use affirmative prayer and meditation to align with the law of love and other spiritual laws. These methods involve consciously directing love-infused thoughts and feelings toward desired outcomes, thereby transforming one's reality.

This practice leverages the power of the subconscious mind, which Holmes believed responds to the vibrations of love and thought. By focusing on love as the fundamental energy, individuals can overcome fear, doubt, and negativity, replacing them with confidence and peace.

Healing and Emotional Well-being

One of the most significant applications of love and law in Holmes' philosophy is in the realm of healing. Holmes posited that love, as a spiritual force, has the capacity to heal physical and emotional ailments. This perspective aligns with modern holistic health approaches that recognize the mind-body connection.

By cultivating self-love and extending love to others, individuals can foster an environment conducive to recovery and emotional balance. Holmes' approach encourages compassionate understanding and forgiveness, both essential for emotional well-being.

Challenges and Criticisms

While the integration of love and law in Holmes' teachings offers an inspiring framework, it is not without critiques. Some skeptics argue that the emphasis on mind power and universal laws oversimplifies complex psychological and social issues. Others caution against potential misinterpretations that might lead to blaming individuals for their misfortunes under the guise of "not aligning properly" with spiritual laws.

Nonetheless, many practitioners find value in the empowering aspects of Holmes' philosophy, especially its focus on love as a transformative force.

Comparative Perspectives: Holmes and Other Spiritual Thinkers

To fully appreciate "love and law Ernest Holmes," it's useful to compare his ideas with those of other spiritual traditions and thinkers.

Ernest Holmes vs. New Thought Movement

Holmes was a prominent figure in the New Thought movement, which emphasizes the power of the mind to influence reality. Unlike some New Thought proponents who focus heavily on material success, Holmes' philosophy places greater emphasis on love as the foundational principle. This distinction highlights his unique contribution to metaphysical thought.

Parallel Concepts in Eastern Philosophies

The law of love in Holmes' teachings shares similarities with concepts such as *metta* (loving-kindness) in Buddhism and *agape* (unconditional love) in Christian mysticism. Like Holmes, these traditions recognize love as a universal, self-transcending energy that fosters unity and spiritual awakening.

Modern Psychological Insights

Contemporary psychology corroborates some aspects of Holmes' ideas, particularly the role of positive emotions and love in mental health. Research on the benefits of compassion, gratitude, and loving relationships supports the notion that love functions as a vital force for well-being, aligning with Holmes' spiritual law of love.

Key Takeaways on Love and Law Ernest Holmes

- Ernest Holmes identifies love as a universal, spiritual law that transcends emotion, acting as a cosmic binding force.
- Love interacts dynamically with other spiritual laws, such as attraction and cause and effect, creating a holistic metaphysical system.
- Practical applications of Holmes' teachings include affirmative prayer, meditation, and cultivating loving thoughts to manifest positive change.
- Holmes' emphasis on love aligns with various spiritual traditions and modern psychological findings on emotional well-being.
- While inspiring, Holmes' ideas warrant cautious interpretation to avoid oversimplifying complex life challenges.

Exploring "love and law Ernest Holmes" reveals a rich philosophical tapestry that blends metaphysics, spirituality, and practical wisdom. His teachings continue to resonate with those seeking a deeper understanding of how love functions as a fundamental principle governing life and consciousness. Through this lens, love transcends sentimentality, emerging as a powerful law guiding human experience and universal harmony.

love and law ernest holmes: Chakrakey Rick Ireton, 2013-03-29 CHAKRAKEY is a book for spiritual students and teachers who seek a greater understanding of the meaning of life. If we are to evolve in a loving way here on Earth, we will do so because we grow in knowledge of our spiritual nature, and begin to love and honor one another as the kind and gentle people we truly are. ChakraKey reveals the human spiritual design. Through the marriage of two ancient symbols, and one symbol recently found in the form of a crop circle, ChakraKey is an educational tool that reveals the energetic nature of all humanity, and thus our purpose in life. It is through understanding and awareness of our human spiritual nature that we are able to transcend our bodies and live in the light of love as spiritual beings. We do better, when we know better. ChakraKey marries ancient Hindu wisdom of the chakra system with the seven-candle menorah. When the menorah is turned sideways and placed next to the seven energetic points of the human chakra system, a map is revealed of our human spiritual design, our core essence, and love. The Knowledge and Wisdom contained within the ChakraKey, will provide you with the greatest gift you might ever hope to find, the ability to live a life filled with love, meaning, and purpose. For more information about ChakraKey visit www.chakrakey.com

love and law ernest holmes: Beyond Fear Aeshah Ababio Clotey, 1999 Despite the race issue being at the core of American society, Americans have yet to achieve much in the way of racial healing, but this text aims to pave the way for readers to bring about a meaningful change in their own lives and the lives of others. The authors use personal stories and the twelve spiritual keys of attitudinal healing to look at racism in fresh, open, and non-judgmental ways. Exercises aid the reader in clarifying their personal intention as they progress through the twelve spiritual keys. Using universal spiritual principles, topics include the essence of our being is love, health is inner peace, and ways to let go of the past and of the future.

love and law ernest holmes: The Greatest Stories Ever Told Dr. Neil A. Mence, 2015-01-20 *The Parting of the Red Sea, Noah's Ark and the Flood, David and Goliath, Samson and Delilah, the*

Tower of Babel they're stories we all know only too well. But what lies behind them? Should they be taken at face-value or does each have an underlying message? I believe they do but such messages are relevant only when we can apply them to our daily experiences. Each day we have our own Red Sea to cross (a personal challenge), and each day we're called upon to knock down the Walls of Jericho (overcome something). It often feels that as we move further into the 21st century that life is becoming increasingly fast-paced where the desire for 'instant answers' is the norm. I believe that the insights given in this book provide a glimmer of hope and reassurance. Enjoy the journey.

love and law ernest holmes: Ramblin On Clyde Rosser, 2003 This book was prepared by Clyde and Wenogene Rosser, for our children and any other people that might have an interest in reading it. RAMBLIN ON was chosen for the name because that is just what we are doing. The book is in no order. We collected, over a fifty-year period, many items we thought to be of interest to people in all walks of life. At first our idea was to write a sales manual. We later decided to include something for everyone. For the page header my wife thought, A PATTERN FOR LIVING would be appropriate. You need a pattern to make a dress, a quilt, and a birdhouse. In fact you need a pattern to do a good job making almost anything. A blue print is a pattern for building a home. Why not a pattern for living which is the most important thing we do? We believe we have in our book many ideas that will help you build a good, strong, prosperous, happy, healthy and enjoyable life. We know it will answer most all the problems you may have. The book is based on belief and the importance of maintaining a positive mental attitude. We know it is important to live every minute, every hour and every day with positive expectancy. We believe your attitude controls not only your successful living but also your health. We are supported in our belief by many prominent people who have been leaders in our time and also most of the great men and women history has recorded for a few thousand years. They have contributed many fine ideas that have been proven successful for them and many others who have made good use of them. We know you will enjoy reading and benefiting from these thoughts. Just one idea could give you the extra lift, or push, or belief that will cause you to reach your dream goals. The book is filled with motivational thoughts. It is designed to be opened at any page and read. This will lead you to investigate the other pages. Also you will find an index by page number. The index is not in any order as it follows the book. This is intentional and we think and we hope you will enjoy it this way. We feel certain you will find many things you can relate to. If you feel a lot of it is sales oriented remember sixty percent of the people depend totally or partially on sales for their livelihood and that it is Many topics are covered from how to get along with people to weight control. We hope this material will benefit you. We know it will if you use it. You will find quotes from people such as the following we will list plus others not listed here. We quote, Disraeli, Bovee, Aristotle, Corbett, Ford, Edison, Johnson, Lincoln, Schweitzer, Emerson, Plato, Socrates, Apostle Paul, Jesus, Thoreau, Presidents Franklin Roosevelt and Theodore Roosevelt, King Solomon, Burbank, Kettering, Omar Kahyyam, William James, Galileo, Mark Twain, Kaiser, Voltaire, Shakespeare, Ben Franklin, Hugo, Pasteur, Confucius, Dr Oyle, Carlyle, Darwin and Vandyke. This book will be very helpful in rearing children. It will be helpful for anyone in a negotiating position such as union officials, diplomats, managers, salesman, homemakers or business people in any vocation. Successfully Yours, Clyde E. Rosser Wenogene Rosser

love and law ernest holmes: A Year on the Journey Deanna Allcorn Smith RScP, 2022-12-12 Within these pages, you will find personal, practical guidance for creating a Joy-filled and effective relationship with God. A Year On The Journey offers a unique approach to teaching spiritual principles, spiced up with stories, allegory and metaphor, deductive reasoning, humor, and real-life experiences. In 366 daily 'lessons' in New Thought spirituality, a rewarding and fulfilling way of living are found. Readers are guided to consider compelling possibilities — how to create a truly useful God consciousness, or to build upon the ones we already know. The principles presented are logical and yet profound, challenging us to find, and live, our highest Good. Author Deanna Allcorn Smith weaves exhilarating and thought-provoking prose, lighting a way for a greater experience of life. Her deep commitment to her spiritual path shines through her words, paving a delightful path

of God's Love, Power, and Peace.

love and law ernest holmes: Rebirthing Into Androgyny Berenice Andrews, 2012-11 In these interesting times, when many people are searching for spiritual nourishment, this book is intended to be a means of providing it. *Rebirthing Into Androgyny: Your Quest For Wholeness, And Afterward* offers to the hungry ones a familiar yet totally different feast. While it sets forth an already-established metaphysics, it also presents a radical new idea--one that has been implicit in that spiritual thought but unavailable until now and the new awareness associated with quantum physics. In other words, while this book provides soul searchers--also known as learners--with an ages-old means of generating a fundamental inner change (a rebirthing), it also provides a new, living prototype of what is being reborn. Thus, a person's rebirthing is both a gestation and a labor (a quest) producing an ever-increasing knowing (gnosis), which gradually becomes being that can finally merge with the Beloved/Self. And the new, living prototype is that of the human soul, not as what a person has but as what a person is: a creative energy being who generates its own bodies out of its soul substance--its creative consciousness energy--by means of its archetypal human energy system, while always being guided by its nucleus of divinity. In this book, which is a textbook for soul searchers, all of this transformative change is offered, explored and explained in a series of carefully-crafted lessons lovingly taught by a shamanic teacher/healer in a stone circle classroom, the ancient site of a modern teaching. There is a grand feast awaiting! The cover design was created by Paula Kozak, Sarasota, Florida: set in a circle representing the Unity of the Cosmos, the Oneness that includes all people, the hexagram is an ancient symbol of androgyny. The Nordic rune Dagaz across its center signifies breakthrough and transformation. The gold of the hexagram against the white background indicates the ever-present divine energies that guide and sustain, while the light spectrum surrounding the circle and extending in all directions indicates the auric field of a human energy being, inseparable from its Creator.

love and law ernest holmes: Authentic Being Dr. James R. McCartney, 2013-06-29 This is a book about the importance of choice in the lives of people. Two philosophies, Existentialism and New Thought Philosophy, speak in their own language of taking the hero's journey by accepting and expressing life authentically. This book looks at things that get in the way of choosing our true life; it is about the courageous adventure of being authentic. It is a book about you and me, it is about the evolution of human kind. This book begins by defining and comparing philosophical concepts of authenticity. It continues by looking at the expectations and rewards of achieving self-discovery through authenticity. This is followed by a brief history of New Thought Philosophy from the time of transcendentalism to the present day. Existentialism is presented in a variety of forms such as the theological as represented by Soren Kierkegaard, and the atheism of Friedrich Nietzsche, Jean-Paul Sartre and Albert Camus. We also look at the basic premises of existential psychotherapy through the eyes of Rollo May. The chapter which follows describes the work of Henri Bergson's argument with Darwin's mechanistic concept of random variations in the evolutionary process of living things. The writing concludes by describing the spiritual childhood of two brothers who exemplify freedom and have authenticity. Colorful meditations are included at the end of the book with the intention of facilitating introspection and self-acceptance.

love and law ernest holmes: And So It Is Angelica Jayne Taggart, 2013-10 What People are Saying... "Rev. Angelica's messages are a combination of story-telling, enlightened insight, affirmative prayer, and honest communication around what it means to be spirit having a human experience." — Danika Dinsmore, author "Rev. Angelica has inspired me for years with her weekly messages and prayers. What a feast to have so much wisdom in one volume!" — Rev. Carrie Hunter, Banff, Alberta, Canada "Open and caring, joyful and sharing are the foundations on which Reverend Angelica builds to inspire us to be the best version of ourselves we can be. I hope you will find as much encouragement and inspiration in this collection of some of her finest messages as I have in reading them over the past ten years." — Brad McPhee, Financial Consultant "Rev. Angelica's Messages are an integral part of my spiritual practice. They are always such a great resource, personally inspiring me with many ideas to contemplate and down to earth inspiration that I often

quote in my own presentations.” — Rev. Lorraine Trout, Saskatoon, SK, Canada “Rev. Angelica writes with a blend of common sense and spiritual wisdom that is a treasure for beginners and advanced readers alike. She never fails to enlighten, entertain and make me think. I look forward to what she has to say and how she chooses to say it. Her affirmative prayers are pure poetry.” — Rev. Jane Claypool, author This insightful guide is like having my own practical mystic at my fingertips. Rev Angelica finds and shares extraordinary messages from life’s most ordinary events. — Rev. Sandy Shipley, Life Coach & Wedding Officiant “Rev. Angelica is phenomenal in her highly practical way of presenting Science of Mind principles . Through her teachings I have come to know my hearts desires manifest with as much ease as I allow myself.” — Beky Baxter

love and law ernest holmes: *INSIGHTS Along The Path* ,

love and law ernest holmes: **Wisdom From World Religions** John Marks Templeton, 2008-01-01 Every religion acknowledges certain spiritual principles and records them in its sacred literature and traditions. This book curates these ancient teachings and shows how they apply to modern life with the help of parables, quotations, and commentaries. By reading Wisdom from World Religions, people from all walks of life will be inspired to pursue their own spiritual growth and to contemplate questions central to our existence, such as how, through love and creativity, can we be agents of divinity on earth? Uplifting and instructional, this is a book to be treasured, studied, and practiced.

love and law ernest holmes: *The Crabby Angels Chronicles* Jacob Glass, 2010-02-02 Wouldn't it be great to have a little message from Heaven every day to send you on your way? Or a kind of oracle like the I Ching or the Runes with a modern voice to give some direction when you have a question? The Crabby Angels Chronicles is just that, the book that the author’s fabulous, nutty, funny, loving stalker angels wanted him to write. They’ve been after him for so long so he decided to let them write their book now. They’re a nutty bunch who fit his life perfectly. Jacob Glass, along with his Angelic Guides, has written a handy spiritual tool kit to soothe, uplift, guide, direct, and renew you on your daily walk through a sometimes overwhelming world in which it is easy to lose connection with what really matters and what is really true. Direct, simple and based on the profound principles of A Course in Miracles, these short lessons are here to give you the comfort and peace that you deserve by reminding you of who you are and why you came here.

love and law ernest holmes: *Engaging Grace* Mary E. Schroeder, 2002-10 Engaging Grace is a wonderful book! Mary Schroeder demonstrates an exceptional grasp of New Thought principles and expounds them beautifully. It is packed with profound wisdom. Engaging Grace can be a guiding light for any person wishing to deepen their spiritual life. Mary Manin Morrissey This is not an ordinary book-it exists through grace. It is composed of twelve lessons that examine the basic truths of the Universe brought to us through the teachings of great spiritual leaders, such as Ernest Holmes, Thomas Troward, Raymond Charles Barker, Buddha, Swami Muktananda, Ram Dass, and others. Life is a spiritual experience. There is no end to understanding God and ourselves more profoundly. As you understand and apply what is presented here, many things will change in your life. Why? Because you will have tapped into a divine and intimate connection with God, who has blessed us with the inherent power of co-creation. It is the power to create a life of heaven or hell here on earth. It is an awesome responsibility that, once understood, can turn each day into a grand adventure, by unleashing a greater flow of grace into everyday life.

To LOVE

love is a touch and yet not a touch - love is a touch and yet not a touch
"There are some people who think love is sex and marriage 522

I love you to bits - WordReference Forums 8 Mar 2005 Oh yes, if you love someone to bits you really really love them! Edit - thinking about your question I think I should make clear that it is not "romantic" love. You would say it to a

I love you --> me too / you too - WordReference Forums 12 Nov 2010 It is usually seen as a joke because it means "I love me too"! However it is a harmless joke. John: I love you Mary: Me too John: He he! I know you love you but do you love

You too and me too as responses to: I love you, I miss you, Thank 15 Jan 2010 Hi, Some native speakers of English in my office feel B's response in [1] rather odd-sounding. They regard "Me too" as more fitting. I just extrapolated B's response in [2], which I

"puppy love" Puppy love
