bible teachers commentary larry richards: *The Doctrine of God* Rev. Dr. Ethel L. Williams, 2023-04-27 For generations, many questions concerning life has eluded mankind. People have contemplated many of these questions and speculated on the true answers. Two questions that, no matter where you originate from or live on this planet, are by far the most intriguing to answer. The existence of a being with supernatural powers and the meaning of life are not the simplest questions to answer. Neither can be explained scientifically with a true answer. Many people believe that we, mankind, are the creation of God--a supernatural entity that has an intelligent purpose in creating us. That intelligent purpose is the meaning of life. If God exists and has an intelligent purpose in creating us, do we really know what this purpose is? And if so, do we find it meaningful in our lives? On the other hand, if God doesn't exist, the meaning of life can only be meaningless. Considering there have been endless numbers of wars, crimes, discriminations, mistreatment, accidents, diseases, and numerous other misfortunes that have affected human life, we naturally ask, Why do these things happen? And if God exists, why would he let them happen? A compelling thought to contemplate. A true answer about God and life is presented in the information provided throughout this book. The existence of God and his purpose in creating mankind is a true value for you to know. This book will guide you to the meaning of life and an understanding to your purpose as God's

creation.

Preston Poore has spent decades in corporate America. Despite all the excellent advice he was given for growing in leadership, there was something missing: a way to bring his Christian beliefs to bear in his professional life, not just his personal life. So Preston sought his own answer to how his faith could impact his management of hundreds of employees. What he discovered was this: the first step wasn't adjusting his leadership style. Instead, he needed to let God change him before he could effect real change in his workplace. And in order to model discipleship to his team, he needed to first be discipled by the Spirit. Here, in the day-to-day practice of being a disciple of Jesus Christ, Poore found where his faith and exceptional leadership intersect. Through personal stories, biblical principles, and hands-on workplace guidance, Poore offers readers a unique look at this seldom-discussed connection. He challenges struggling leaders to engage in the hard work of daily discipleship. And he charges experienced leaders to return to the fundamentals of their faith, encouraging them to disciple other Christians with leadership potential. For anyone wrestling with how to bring faith to the workplace, whether it be a cubicle or a boardroom, *Discipled Leader* reveals that leadership doesn't begin behind the desk—it begins in the soul.
