Celebrities Who Practice Witchcraft: Exploring the Mystical Side of Fame

celebrities who practice witchcraft have increasingly become a fascinating topic in pop culture. From Hollywood stars to musicians and authors, many well-known figures openly embrace various forms of witchcraft, spirituality, and occult practices. This trend sparks curiosity not only about their personal beliefs but also about how these ancient traditions intersect with modern life and fame. If you've ever wondered which celebrities are drawn to the mystical arts or how witchcraft influences their creativity and lifestyle, you're in the right place.

The Rising Popularity of Witchcraft Among Celebrities

In recent years, witchcraft has moved beyond the shadows of superstition and misunderstanding, gaining recognition as a legitimate spiritual path. Celebrities play a significant role in this shift, often sharing their journeys with witchcraft on social media or through interviews. Their openness helps demystify the practice and encourages fans to explore spirituality in new ways.

Why Are Celebrities Attracted to Witchcraft?

For many stars, witchcraft offers a sense of empowerment, connection to nature, and personal growth. The creative and ritualistic aspects of witchcraft can inspire their work and provide grounding amidst the chaos of fame. Additionally, the emphasis on intention-setting, mindfulness, and self-care aligns well with holistic wellness trends popular among celebrities.

Notable Celebrities Who Practice Witchcraft

While some celebrities keep their spiritual practices private, others openly discuss their involvement with witchcraft or related traditions. Here are a few famous names associated with the mystical arts:

1. Emma Watson

Best known for her role as Hermione Granger in the Harry Potter series, Emma Watson has expressed interest in feminist spirituality and ancient wisdom,

which often overlap with witchcraft themes. She has been involved in promoting self-awareness and holistic living, hinting at a deeper connection to spiritual practices.

2. Zoe Kravitz

Zoe Kravitz is one of the more vocal celebrities about her witchcraft practice. She openly embraces her identity as a modern witch, incorporating crystals, tarot, and meditation into her daily routine. Her style and public persona often reflect a bohemian, mystical vibe that resonates with fans.

3. Victoria Beckham

Victoria Beckham, formerly of the Spice Girls, has reportedly practiced witchcraft, especially during challenging periods in her life. She has mentioned using rituals and spells to bring positive energy and protection to herself and her family.

4. Winona Ryder

Winona Ryder's association with witchcraft dates back to the 1990s when she became linked to the "witchy" aesthetic popularized by her roles and personal style. She has spoken about her interest in tarot and esoteric knowledge, embracing the mysterious elements of witchcraft.

5. Janet Jackson

Janet Jackson is said to practice voodoo and witchcraft-inspired rituals. Her connection to these spiritual practices is often linked to her desire for healing, empowerment, and connecting with ancestral roots.

How Celebrities Incorporate Witchcraft Into Their Lives

Witchcraft among celebrities isn't just about wearing mystical jewelry or adopting a gothic look. It often involves meaningful rituals, meditation, and a philosophy that guides daily living.

Daily Rituals and Tools

Many celebrities use tools like tarot cards, crystals, and herbs to enhance their spiritual practices. These items can serve as focal points for meditation, protection, or manifestation. For instance, crystals like amethyst and rose quartz are popular for promoting calmness and love, respectively.

Manifestation and Intention Setting

A key component of modern witchcraft is the practice of setting intentions and manifesting goals. Celebrities often share how they use moon rituals or vision boards infused with spiritual symbolism to attract success and positivity.

Connecting With Nature

Nature worship is a fundamental part of many witchcraft traditions. Celebrities who practice witchcraft may spend time outdoors, celebrate seasonal changes, and incorporate natural elements into their rituals, fostering a deeper bond with the earth.

Witchcraft's Influence on Celebrity Culture and Fashion

The mystical aesthetic has significantly influenced celebrity fashion and branding. From red carpets to music videos, symbols associated with witchcraft—such as pentagrams, crescent moons, and occult imagery—appear frequently.

Fashion Statements With a Mystical Twist

Celebrities often use fashion to express their spiritual beliefs subtly or boldly. Gothic styles, flowing garments, and jewelry featuring esoteric symbols are common ways to channel witchcraft-inspired energy. This trend has sparked wider cultural acceptance and fascination with the mystical.

Music and Artistic Expression

Musicians like Stevie Nicks and Florence Welch incorporate witchcraft themes

into their lyrics and performances. Their art not only entertains but also invites audiences to explore spirituality and the unknown.

Understanding Modern Witchcraft: Beyond the Stereotypes

It's important to recognize that witchcraft practiced by celebrities today often differs significantly from the sensationalized versions in movies and media. Modern witchcraft is typically about personal empowerment, healing, and connection rather than dark magic or curses.

Types of Witchcraft Celebrities May Practice

- **Wicca:** A popular nature-based religion that celebrates the cycles of the moon and seasons.
- **Hoodoo and Voodoo:** African diasporic spiritual systems incorporating magic and ancestral reverence.
- **Eclectic Witchcraft:** A personalized form combining elements from various traditions.
- **Ceremonial Magic:** Structured rituals aimed at manifesting specific outcomes.

Tips for Exploring Witchcraft Inspired by Celebrities

If you're intrigued by the idea of witchcraft, following in the footsteps of your favorite celebrities can be a gentle introduction. Here are some tips to get started:

- Begin with learning about different traditions to find what resonates with you.
- Incorporate simple rituals like lighting candles or journaling intentions.
- Experiment with tools like crystals or tarot decks to deepen your practice.
- Spend time in nature to connect with the earth's energy.
- Stay open-minded and respectful of the cultural origins of these practices.

The Cultural Impact of Celebrities Embracing Witchcraft

When celebrities share their experiences with witchcraft, they contribute to broader cultural conversations about spirituality and identity. This visibility helps break down stigma and encourages a more inclusive understanding of alternative belief systems.

Moreover, the fusion of witchcraft with celebrity culture often sparks creativity and innovation in the arts, fashion, and media. It invites fans to explore their own spiritual paths in a way that feels authentic and empowering.

Whether it's through a whispered spell, a crystal pendant, or a full moon ritual, the presence of witchcraft in the lives of famous individuals reveals a timeless human quest for meaning, balance, and magic in everyday life.

Frequently Asked Questions

Which celebrities are known to practice witchcraft or identify as witches?

Several celebrities have openly discussed their interest or practice in witchcraft, including Emma Watson, who has expressed interest in feminist spirituality; Zoë Kravitz, who has mentioned her connection to witchcraft; and Rose McGowan, who identifies as a witch and incorporates it into her activism.

How do celebrities incorporate witchcraft into their daily lives?

Many celebrities incorporate witchcraft through rituals, meditation, tarot reading, astrology, and using crystals. They often use these practices for self-care, spiritual growth, and empowerment.

Is witchcraft practiced by celebrities related to any specific religion?

Witchcraft practiced by celebrities is often eclectic and personalized, sometimes drawing from Wicca, Paganism, or other spiritual traditions, but it is generally more about personal spirituality rather than a formal religion.

Why are celebrities attracted to witchcraft in recent years?

Celebrities are attracted to witchcraft as it offers a sense of empowerment, connection to nature, and alternative spirituality. It also resonates with themes of feminism, self-discovery, and mental wellness, which are popular in contemporary culture.

Are there any famous movies or TV shows featuring celebrities and witchcraft?

Yes, many celebrities have starred in movies and TV shows involving witchcraft, such as Sarah Jessica Parker in "Hocus Pocus," Nicole Kidman in "The Witches," and the cast of "Chilling Adventures of Sabrina," which has brought mainstream attention to witchcraft themes.

Additional Resources

****Celebrities Who Practice Witchcraft: Exploring the Intersection of Fame and Spirituality****

celebrities who practice witchcraft have increasingly drawn public curiosity as the boundaries between private belief systems and public personas blur. In recent years, the fascination with witchcraft has transcended beyond folklore and fiction into mainstream culture, with numerous high-profile personalities openly embracing various forms of witchcraft, Wicca, and pagan spirituality. This trend not only reflects evolving societal attitudes towards alternative spiritual practices but also highlights how modern celebrities navigate identity, empowerment, and personal growth in the spotlight.

The Rising Popularity of Witchcraft Among Celebrities

The resurgence of interest in witchcraft is closely linked to a broader cultural movement towards self-discovery and holistic wellness. For many celebrities, witchcraft represents more than mystical rites; it is a pathway to mental clarity, empowerment, and connection with nature. This spiritual practice often features rituals, meditation, and symbolism that resonate deeply with individuals seeking alternative ways to cope with the pressures of fame and public scrutiny.

From Hollywood actresses to musicians and influencers, the number of celebrities who practice witchcraft has notably increased. This rise is partly fueled by social media, where public figures share glimpses of their spiritual journeys, demystifying witchcraft and challenging outdated stereotypes of the practice as dark or sinister.

Understanding Witchcraft and Its Variants

Before delving into specific individuals, it's important to clarify what witchcraft entails. Witchcraft is an umbrella term encompassing various traditions, including Wicca, ceremonial magic, and folk magic. Unlike the often sensationalized depictions in media, contemporary witchcraft tends to focus on harmony with natural elements, personal empowerment, and ethical use of spiritual energy.

Key Features of Modern Witchcraft:

- Use of rituals and spells for healing, protection, and manifestation
- Reverence for natural cycles, such as lunar phases and seasonal changes
- Incorporation of symbolism, including crystals, herbs, and tarot cards
- Emphasis on personal responsibility and positive intentions

This diversity makes witchcraft appealing to a wide range of people, including celebrities who seek meaning beyond material success.

Prominent Celebrities Who Practice Witchcraft

1. ****Madonna****

Often dubbed the "Queen of Reinvention," Madonna has long been associated with eclectic spiritual practices. Her exploration of Kabbalah—a mystical form of Jewish spirituality—has elements that overlap with witchcraft's emphasis on esoteric knowledge and ritual. Throughout her career, Madonna has integrated these influences into her music and public persona, contributing to the mainstream curiosity about alternative spiritualities.

2. ****Florence Welch****

The lead singer of Florence + The Machine is known for her ethereal sound and mystical lyrics, heavily inspired by her personal interest in witchcraft and pagan traditions. Welch's public discussions about her spiritual beliefs have helped normalize witchcraft among younger audiences, highlighting its role in creativity and self-empowerment.

3. ****Janelle Monáe****

Janelle Monáe incorporates themes of mysticism and ritualistic symbolism into her art and performances. While not always explicitly labeling her practice as witchcraft, her references to spiritual empowerment and cosmic consciousness align with many modern occult and witchcraft traditions. Monáe's approach emphasizes the transformative power of spirituality in overcoming adversity.

4. ****Zoe Kravitz****

Actress and musician Zoe Kravitz has openly discussed her engagement with witchcraft and magic as a form of self-care and grounding. Kravitz represents a new generation of celebrities who blend ancient spiritual practices with contemporary lifestyles, making witchcraft relevant and accessible.

5. ****Beyoncé****

Though Beyoncé's relationship with witchcraft is more subtle and often speculative, elements of her visual albums and performances suggest a deep engagement with symbolism and ritualistic themes associated with witchcraft and Afro-diasporic spirituality. This fusion of cultural heritage and mystical motifs enriches her artistic narrative and resonates with global audiences.

The Appeal of Witchcraft for Celebrities

Witchcraft offers several distinct advantages for those in the public eye:

- ****Empowerment:**** Many celebrities find that witchcraft provides tools to reclaim agency in their lives, countering feelings of vulnerability that come with fame.
- ****Privacy in Practice:**** Despite public interest, witchcraft rituals can be deeply personal, offering celebrities a way to maintain boundaries and spiritual intimacy.
- ****Community and Identity:**** Engaging with witchcraft often connects practitioners to broader spiritual communities, fostering a sense of belonging beyond the celebrity bubble.
- ****Mental Health Benefits:**** The mindfulness and ritualistic aspects of witchcraft can promote mental well-being, stress reduction, and emotional resilience.

However, the public association with witchcraft also carries risks. Celebrities may face misunderstanding, stereotyping, or backlash from more conservative audiences who view witchcraft through a lens of superstition or negativity.

Cultural Impact and Media Representation

The visibility of celebrities who practice witchcraft has contributed to a shift in how witchcraft is portrayed in media and popular culture. Television shows, films, and books increasingly depict witches as complex, empowered figures rather than malevolent caricatures. This positive representation encourages a more nuanced understanding of occult practices.

Moreover, the intersection of witchcraft with feminism and social justice movements has amplified its appeal. Many view witchcraft as a form of rebellion against patriarchal norms and a reclamation of feminine power, an idea that resonates strongly with celebrities who advocate for gender equality.

Challenges and Controversies

While the trend of celebrities embracing witchcraft has popularized the practice, it has also sparked debates about cultural appropriation and authenticity. Some critics argue that high-profile figures may commodify or oversimplify witchcraft, detaching it from its historical and cultural roots. This has led to calls for respectful and informed engagement with spiritual traditions, especially when they originate from marginalized communities.

Additionally, the commercialization of witchcraft-themed merchandise—from tarot decks to crystal kits—raises questions about the commercialization of spirituality. Celebrities must navigate the fine line between sharing their beliefs and inadvertently promoting consumerism around sacred practices.

Witchcraft's Role in Celebrity Wellness Trends

In the broader context of celebrity wellness, witchcraft acts as both a spiritual and psychological tool. It complements other practices like yoga, meditation, and mindfulness, offering a holistic approach to health that integrates mind, body, and spirit. Many celebrities report that their engagement with witchcraft rituals helps them maintain balance amidst the demands of their careers.

This integration of witchcraft into wellness routines illustrates a significant cultural shift, where ancient spiritual traditions coexist with modern health paradigms, contributing to the normalization and destigmatization of occult practices.

The phenomenon of celebrities who practice witchcraft underscores a

fascinating cultural evolution where spirituality, identity, and fame intersect. As these public figures continue to share their journeys, they challenge old prejudices and open new dialogues about the diverse ways individuals seek meaning and empowerment in the contemporary world.

celebrities who practice witchcraft: Witchcraft Today - 60 Years On Trevor Greenfield, 2014-06-27 In the sixty years following the publication of Gerald Gardner's *Witchcraft Today*, new paths have appeared, and older ones emerged out of the shadow of repression and illegality, to express with a new and more confident voice their beliefs and practice, and share, with a steadily growing audience, their knowledge, their certainties, their questions and their vision. This book is a celebration of some of the many paths that Witchcraft/Wicca has taken and of the journeys that people have embarked upon.

celebrities who practice witchcraft: *The Wicked World of Witchcraft* Jenny Weaver, 2025-10-07 Witchcraft is more than a social media trend--It's the hidden dangers of modern-day enchantments. While reading this book, you will open your eyes to the devastating consequences of witchcraft in the spiritual realm. You will also resist the temptation of dark forces threatening to entrap your soul. Witchcraft is subtly infiltrating modern culture through trends, symbols, and practices disguised as empowerment and enlightenment. *The Wicked World of Witchcraft* exposes these hidden dangers and provides biblical insights to recognize and resist their influence. With practical guidance and real-life examples, this book equips you to: Navigate today's spiritual landscape Discern cultural deceptions Stand firm in faith Whether you're a parent, leader, or seeker of truth, this powerful resource unveils the spiritual battle shaping society and empowers you to protect your heart, home, and community from the encroaching grip of the occult.

celebrities who practice witchcraft: **The Star and Celebrity Confessional** Sean Redmond, 2013-10-18 In this book the different manifestations, meanings, and processes of the star and celebrity confessional will be explored. The confessional is taken to be any moment in which a star, celebrity, or fan engages in revelatory acts that are considered to be authentic, heart-felt, and honest. These confessional encounters can take place in an interview, through performance and presentation events, online, and in 'unscripted' encounters. A star may break down in tears, or reveal a previously unknown truth about their private life. However, this authenticity is often found to have been manufactured, or is timed to occur against a new release or product launch. Alternatively, the desire to confess may be seen to draw attention to the centrality of pseudo forms of emotion in contemporary culture and the obsessional behaviour it produces. In this book authors consider acts of confession by celebrities such as Tom Cruise, Michael Jackson, Jade Goody, Britney Spears, Sarah Jessica Parker, Tracey Emin, and Russell Crowe.

celebrities who practice witchcraft: **The Modern Witchcraft Guide** Luna Blackthorn, 2022-02-02 Have you always wanted to understand how to cast a spell to make an important change in your life? If you are curious about the Wicca religion, its rituals and traditions, this book will help you answer your questions and introduce you to unimaginable aspects. Witchcraft is for anyone who wants to improve their interior energy, live in harmony and have a deep contact with nature and

feels an organic pull towards a magic force that thrives on Earth. We can define it as an “active method of coping with existence”, rather than passively accepting events and resulting in an enhancement and increase of self-confidence. This practice offers various beginner spells, along with detailed descriptions of the most used and practical Wiccan rituals. Wicca is a modern religion with roots in ancient traditions that honor the regenerative energy of nature and the commitment to live in balance with the Earth. To achieve this you need to know when to harvest certain plants and how to dry them. Likewise, crystals will be effective if they are treated in the correct way. Every spell and ritual you will learn will contribute to your personal growth, helping you to change your lifestyle. The goal of this book is very simple: to help you develop your spirituality with the power of crystals and herbs through the Wicca religion with respect for nature and human life and obtain the spiritual and physical benefits by practicing it correctly. **DOWNLOAD: The Modern Witchcraft Guide: 2 Books In 1: Wicca For Beginners + Witchcraft For Beginners** In “Wicca For Beginners” you’ll discover: • The Origins And Beliefs of Wicca • How to harness the energy of the Earth enclosed in crystals, their properties and hidden meanings • Differences between Rituals and Spells that will help you develop your spirituality and get benefits for body and mind • How to use essential oils, plants and herbs In “Witchcraft For Beginners” you’ll find out: • The relationship with Nature in its deepest roots • White and Black magic spells • How to build Your Altar • Manipulation spells • Magic summoning: instructions on how to summon Spirits And much more... Find out everything you need to start practicing Wicca, Witchcraft and its Secrets. Grab your copy now!

celebrities who practice witchcraft: *The New Generation Witches* Peg Aloï, 2016-02-24 From the shelves of mainstream bookstores and the pages of teen magazines, to popular films and television series, contemporary culture at the turn of the twenty-first century has been fascinated with teenage identity and the presence of magic and the occult. Alongside this profusion of products and representations, a global network of teenage Witches has emerged on the margins of adult neopagan Witchcraft communities, identifying themselves through various spiritual practices, consumption patterns and lifestyle choices. *The New Generation Witches* is the first published anthology to investigate the recent rise of the teenage Witchcraft phenomenon in both Britain and North America. Scholars from Theology, Cultural Studies, Sociology, History and Media Studies, along with neopagan commentators outside of the academy, come together to investigate the experiences of thousands of adolescents constructing an enabling, magical identity through a distinctive practice of Witchcraft. The contributors discuss key areas of interest, inspiration and development within the teen Witch communities from the mid 1990s onward, including teenage Witches' magical practices and beliefs, gender politics, the formation and identification of communities, forums and modes of expression, media representation and new media outlets. Demonstrating the diversification and expansion of neopaganism in the twenty-first century, this anthology makes an exciting contribution to the field of Neopagan Studies and contemporary youth cultures.

celebrities who practice witchcraft: Magical: How Magic and its Star Performers Transformed the Entertainment Economy Bharat Rao, 2019-01-19 Are you ready for some magic? There are solo magicians today who are making over \$20,000 per performance, while those in the big leagues routinely bring in over \$20 million a year. How did they get there and what are the keys to their success? What skills and techniques do they possess and deploy that can be easily adapted for your own personal use? In this book, you will learn of the key attitudes and practices that propel their success, as well as the path they have paved for other magicians and performers hoping to gain an entry into this competitive yet lucrative industry. We look at the magic industry through the lens of two of its most celebrated performers, Penn and Teller, who are not just as magicians and entertainers, but smart entrepreneurs running a global entertainment business. In parallel, we look at how the field of modern magic has evolved since its inception, what the outlook is for its future in our global, interconnected, always-on economy. We consider the successful careers of legendary magicians like Jean Eugène Robert-Houdin, Harry Houdini, Dai Vernon, Doug Henning, and others, and how they have shaped the growing magic industry and made it a force to be reckoned with.

Through shows like Penn and Teller Fool Us, America's Got Talent, Britain's Got Talent, and The World's Best, and through social media outlets like Facebook, Twitter, Instagram and Youtube, contemporary magicians have an unprecedented opportunity to make themselves known to a global audience. The success secrets followed by the likes of Penn and Teller, David Copperfield, David Blaine, Criss Angel, and newer stars like Shin Lim, Dynamo, and Ryan Hayashi, both as professional magicians and business owners, can be applied by entrepreneurs, business people and self starters everywhere who want to make a mark in their careers. Through constant efforts at design, experimentation, prototyping, and field testing with peers and live audiences, these performers have been fine tuning their craft for decades. With their passion, perseverance, commitment, and unique and creative ways of identifying and solving problems, these trailblazers show the way for a better - and more magical future. In this book, you will not only learn how these stars successfully overcame their challenges, but also how YOU can transform your approach to magic and business. ADVANCE PRAISE FOR MAGICAL A modern synthesis of magic that every conjurer should keep in their knowledge bag of tricks. - Ryan Hayashi, International Stage Magician, Motivational Speaker, Samurai Entertainer, and Winner of the FU Trophy, Penn & Teller Fool Us. Entertaining, fast-paced, and full of ideas that will challenge your assumptions and beliefs about magic, and it's connections to popular culture and business. - Laura Vanderkam, Bestselling Author of What the Most Successful People Do Before Breakfast and Off The Clock. A rollicking ride into the business of magic. The connections to innovation, creativity, persistence and service excellence are engaging and insightful. Every entrepreneur should own a copy. - Michael McGetrick, Founder and CEO, Spark 451.

celebrities who practice witchcraft: Traditional Witchcraft for Urban Living Melusine Draco, 2012-02-16 For the witch whose career confines them to an urban environment, regular Craft practice may often seem like a futile gesture, especially if home is a small, gardenless-flat. Even the suburbs can be magically incapacitating, if there is constant noise from traffic and neighbours. People work long hour without having the opportunity to notice the subtle changing of the seasons. Weekends are a constant battle with family, domestic chores and socialising. It's no wonder that the urban witch has little time left for magical and spiritual development. Traditional Witchcraft for Urban Living deals with the constant barrage of psychic problems that confront the urban witch on a daily basis. Based on the teachings of a traditional Craft background, the author successfully manages to blend the Old Ways with practical contemporary practice. This book is part of the Traditional Witchcraft Series. Other titles in the series are Traditional Witchcraft for the Seashore (Jan 2012), Traditional Witchcraft for Fields and Hedgerows (Mar 2012) and Traditional Witchcraft for the Woods and Forests (Mar 2012).

celebrities who practice witchcraft: Religion and Magic in Socialist and Post-Socialist Contexts Alexandra Cotofana, James M. Nyce, 2017-03-28 Religion and magic have played important roles within Eastern European societies where social reality and socio-political balance may differ greatly from those in the West. Although often thought of as being two distinct, even antagonistic forces, religion and magic find ways to work together. By taking on various examples in the multicultural settings of post-Soviet and post-socialist spaces, this collection brings together diverse historical and ethnographic analyses of orthodoxy and heterodoxy from the pre- and post-1989 periods, studies on the relationship of religious and state institutions to individuals practicing alternative forms of spirituality, and examples of borderlands as spaces of ambiguity. This volume is at the crossroads of anthropology, history, as well as cultural memory studies. Its archival and field research findings help understand how repurposing religious and magic practices worked into the transition that countries in Eastern Europe and beyond have experienced after the end of the Cold War.

celebrities who practice witchcraft: Hoodoo and voodoo: secrets of folk magic, roots, witchcraft, mojo, conjuration, Haitian voodoo and New voodoo Orleans , 2023-10-08 Introduction

Hoodoo is a subject that has been around since Africans were brought to American shores as slaves and migrated across the country, sharing their magic and beliefs. The herbs and roots they used were amalgamated with other beliefs to form the practice we now know as Hoodoo. Many people think that Hoodoo is a religious practice, but the truth is exactly the opposite. Hoodoo is not based on the worship of gods, goddesses, or other formal deities. Instead, it is a way for people to practice folk magic using the most basic tools and ingredients. So, what relevance does Hoodoo have in today's society? Quite! Humans are beginning to understand what powers exist in nature and how to use them. The natural progression to magic and root-building rituals passed down in history seems inevitable. Understanding why some plants and herbs can attract good luck while others form a protective shield appeals to our personal sense of well-being. This type of magic and conjuration can be performed by anyone who wants to try it, as long as they respect the power and learn to protect themselves from evil. This book contains everything you need to know to get the job done safely and powerfully. Learn the ancient craft of Hoodoo and see how it can change your life forever!

This is a BIBLE!

celebrities who practice witchcraft: The Extra-Ordinary Girl Tina Belinda Benigno, 2025-07-18 Positioning the teen girl as a figure possessing exceptional power with the potential to instigate change, this book examines the "extra-ordinary" girl as she exists under neoliberalism today. Through a combination of textual and cultural analyses of figurations of girlhood in popular culture, and qualitative research group interviews with teen girls, the author emphasizes the importance of listening to real teen girls whose perspectives and values might not match those attributed to dominant cultural models of girlhood. This book explores contemporary girl figures and figurations of girlhood, on and off screen, highlighting how girls who are not in the public eye negotiate standards of exceptionality in relation to their own experiences of social power, while also defining the importance of care and connection to their relationships and personal values. This book is a unique and comprehensive combination of methodological and conceptual approaches to cultural, historical, and sociological analyses, while exploring questions of feminism and the speculative fiction genre. It will appeal to girlhood and feminist studies, film and media studies, child and youth studies, humanities, cultural studies, and social sciences.

Seen through the eyes of an experienced Hollywood talent manager, The Fame Game will guide readers past the carefully crafted public relations images splashed across the pages of their favorite tabloids to reveal how today's hottest celebrities live, thrive, and flourish in the glamorous world of show business where the cameras are always on, the fans' gossip ricochets through all the popular social media networks, and the money flows in multi-million dollar deals based on nothing more than notoriety instead of talent. If you want to learn how Hollywood really works and how you can use the techniques of show business to market yourself into the next Hollywood sensation or just to promote yourself within your own line of work, you need to learn the secrets told in The Fame Game.

celebrities who practice witchcraft: Globalization and Race Kamari Maxine Clarke, Deborah A. Thomas, 2006 Kamari Maxine Clarke and Deborah A. Thomas argue that a firm grasp of globalization requires an understanding of how race has constituted, and been constituted by, global transformations. Focusing attention on race as an analytic category, this state-of-the-art collection of essays explores the changing meanings of blackness in the context of globalization. It illuminates the connections between contemporary global processes of racialization and transnational circulations set in motion by imperialism and slavery; between popular culture and global conceptions of blackness; and between the work of anthropologists, policymakers, religious revivalists, and activists and the solidification and globalization of racial categories. A number of the essays bring to light the formative but not unproblematic influence of African American identity on other populations within the black diaspora. Among these are an examination of the impact of black America on racial identity and politics in mid-twentieth-century Liverpool and an inquiry into the distinctive experiences of blacks in Canada. Contributors investigate concepts of race and space in early-twenty-first century Harlem, the experiences of trafficked Nigerian sex workers in Italy, and the persistence of race in the purportedly non-racial language of the New South Africa. They highlight how blackness is consumed and expressed in Cuban timba music, in West Indian adolescent girls' fascination with Buffy the Vampire Slayer, and in the incorporation of American rap music into black London culture. Connecting race to ethnicity, gender, sexuality, nationality, and religion, these essays reveal how new class economies, ideologies of belonging, and constructions of social difference are emerging from ongoing global transformations. Contributors. Robert L. Adams, Lee D. Baker, Jacqueline Nassy Brown, Tina M. Campt, Kamari Maxine Clarke, Raymond Codrington, Grant Farred, Keshia Fikes, Isar Godreau, Ariana Hernandez-Reguant, Jayne O. Ifekwunigwe, John L. Jackson Jr., Oneka LaBennett, Naomi Pabst, Lena Sawyer, Deborah A. Thomas

celebrities who practice witchcraft: Celebrity Advocacy and International Development Dan Brockington, 2014-04-03 Celebrity advocacy is a curious phenomenon. It occupies a significant proportion of the public domain, but does so without engaging particularly well with much of the public. Yet this may not matter very much. Many people at the core of advocacy, and in political and business elites, simply do not notice any lack of engagement. In these circles celebrity advocacy can be remarkably effective. Celebrity Advocacy and International Development examines the work of celebrity advocacy and lobbying in international development. Its purpose is to understand the alliances resulting, their history, consequences, wider contexts and implications. It argues that celebrity advocacy signals a new aspect of elite rule. For populist celebrity advocacy can mark, ironically, a disengagement between the public and politics, and particularly the public and civil society. Recognising this poses new challenges, but also presents new opportunities, for the development movement. This book gives students and researchers in development studies and media

studies a wealth of original empirical data, including interviews across the NGO sector, media and celebrity industries, newspaper analysis, large surveys of public opinion, and focus group research.

celebrities who practice witchcraft: Image Makers Robert Jackall, Janice M. Hirota, 2000-07-20 Talking dogs pitching ethnic food. Heart-tugging appeals for contributions. Recruitment calls for enlistment in the military. Tub-thumpers excoriating American society with over-the-top rhetoric. At every turn, Americans are exhorted to spend money, join organizations, rally to causes, or express outrage. Image Makers is a comprehensive analysis of modern advocacy-from commercials to public service ads to government propaganda-and its roots in advertising and public relations. Robert Jackall and Janice M. Hirota explore the fashioning of the apparatus of advocacy through the stories of two organizations, the Committee on Public Information, which sold the Great War to the American public, and the Advertising Council, which since the Second World War has been the main coordinator of public service advertising. They then turn to the career of William Bernbach, the adman's adman, who reinvented advertising and grappled creatively with the profound skepticism of a propaganda-weary midcentury public. Jackall and Hirota argue that the tools-in-trade and habits of mind of image makers have now migrated into every corner of modern society. Advocacy is now a vocation for many, and American society abounds as well with technicians in moral outrage, including street-smart impresarios, feminist preachers, and bombastic talk-radio hosts. The apparatus and ethos of advocacy give rise to endlessly shifting patterns of conflicting representations and claims, and in their midst Image Makers offers a clear and spirited understanding of advocacy in contemporary society and the quandaries it generates.

celebrities who practice witchcraft: Cinema of the Psychic Realm Paul Meehan, 2009-10-21 Cinema is ideally suited to the world of psychic phenomena. A technique as simple as a voice-over can simulate mental telepathy, while unusual lighting, set design, or creative digital manipulation can conjure clairvoyant visions, precognition, or even psychokinesis. This book analyzes the depiction of paranormal powers in film, examining how movies like Star Wars, Independence Day, The Green Mile, and dozens of others both reflect and influence the way modern society thinks about psychic abilities. The theme is explored in nearly 100 films from a variety of genres including drama, comedy, horror, science fiction, crime melodrama, and children's films, providing a concise review of the history and concepts of mainstream cinematic parapsychology.
