Martyn Lloyd Jones (1899–1981) was a Welsh Protestant minister and medical doctor who became one of the leading voices in 20th-century evangelicalism. Known for his expository preaching at Westminster Chapel in London, Lloyd Jones emphasized the authority of Scripture and the centrality of the gospel.

His sermons on Romans, later compiled into the Romans commentary, reflect his commitment to teaching the Bible verse-by-verse. This method allows readers to grasp the nuances of Paul's writing, making complex doctrines accessible without oversimplification.

What Makes Martyn Lloyd Jones Romans Commentary Unique?

Expository Preaching at Its Best

Lloyd Jones's commentary isn't a dry academic treatise. Instead, it's rooted in expository preaching, which means he unpacks the biblical text methodically and explains it in a way that resonates with everyday believers. His style is both pastoral and intellectual, combining rigorous theology with heartfelt application.

Balance of Doctrine and Application

One of the most valuable aspects of the commentary is how it balances theological depth with practical application. Romans is known for its dense theological content—topics like justification, sanctification, sin, grace, and righteousness are central. Lloyd Jones doesn't shy away from these weighty themes. Instead, he illuminates them in a manner that encourages spiritual growth and transformation.

Historical and Cultural Context

Key Themes Explored in Martyn Lloyd Jones Romans Commentary

The commentary covers the entire book of Romans, but certain themes stand out for their emphasis and clarity in Lloyd Jones's exposition.

Justification by Faith

At the heart of Romans is the doctrine of justification by faith alone, a cornerstone of Christian belief. Lloyd Jones meticulously unpacks Romans 3:21-31, where Paul contrasts works of the law with faith in Christ. His explanation helps readers understand not just the theological implications but also the personal peace and assurance that come with trusting in Christ's righteousness.

Human Sinfulness and God's Righteousness

Romans vividly portrays humanity's sinfulness and the need for divine intervention. Lloyd Jones's commentary on chapters 1 and 2 highlights the universal problem of sin, laying the groundwork for understanding God's justice and mercy. He draws attention to the seriousness of sin without inducing despair, instead pointing toward the hope found in the gospel.

The Role of the Holy Spirit

Another crucial aspect is the transformative power of the Holy Spirit, especially in chapters 8 and beyond. Lloyd Jones explains how the Spirit enables believers to live victorious Christian lives, providing both comfort and power. Known for his robust preaching and theological depth, Martyn Lloyd Jones delivered a series of sermons that meticulously unpack the Apostle Paul's theological masterpiece. This commentary, although not a traditional written commentary, is derived from his sermons and has been transcribed, compiled, and studied extensively, providing valuable insights into Pauline doctrine and its practical implications.

In this article, we will conduct a thorough examination of Martyn Lloyd Jones's approach to the book of Romans, explore its theological distinctives, and evaluate its place among other notable Romans commentaries. Additionally, we will highlight the key features that make this commentary a treasured resource for pastors, theologians, and serious Bible students.

An Overview of Martyn Lloyd Jones's Approach to Romans

Martyn Lloyd Jones, a Welsh preacher of the 20th century, is widely regarded for his expository preaching style—systematic, theological, and pastorally sensitive. His "Romans Commentary" primarily consists of sermons preached over several years at Westminster Chapel in London. These sermons have since been transcribed and published in multiple volumes, offering a comprehensive verse-by-verse examination of the epistle.

What sets this commentary apart is Lloyd Jones's unwavering commitment to the authority of Scripture and his pastoral concern for the spiritual growth of his audience. Unlike some commentaries that lean heavily on academic jargon or historical-critical methods, Lloyd Jones emphasizes the transformative power of the gospel message articulated in Romans.

Theological Depth and Pastoral Sensitivity

One of the striking features of the Martyn Lloyd Jones Romans commentary is the balance he maintains between doctrinal precision and pastoral application. For instance, when addressing the doctrine of justification by faith, Lloyd Jones does not merely define theological terms; he passionately expounds on how this truth impacts the believer's assurance and daily walk. This dual focus ensures that readers not only grasp the theological nuances but are also encouraged toward spiritual maturity.

Moreover, Lloyd Jones's treatment of topics such as sin, grace, righteousness, and sanctification is characterized by a deep reverence for Scripture combined with a practical awareness of human frailty. His sermons often highlight the tension between the believer's new identity in Christ and the ongoing struggle with sin, offering hope grounded in divine grace.

Comparative Analysis: Martyn Lloyd Jones vs. Other Romans Commentaries

To fully appreciate the uniqueness of Martyn Lloyd Jones's Romans commentary, it is helpful to contrast it with other well-known scholarly works on Romans, such as those by Douglas Moo, John Stott, and N.T. Wright.

Expository Style and Accessibility

While scholars like Douglas Moo provide meticulous academic analysis with extensive footnotes and historical context, Martyn Lloyd Jones's sermons are more accessible for laypeople and pastors seeking practical exposition. His language is clear yet rich, making complex theological concepts understandable without oversimplification.

In comparison, John Stott's commentary on Romans also strikes a balance between scholarship and readability, but Lloyd Jones's work is often considered more fervent and devotional, reflecting his background as a preacher rather than a seminary professor.

Focus on Spiritual Transformation

N.T. Wright's approach to Romans incorporates historical and cultural criticisms that illuminate Paul's original context but may sometimes feel distant from devotional reading. Conversely, Martyn Lloyd Jones consistently returns to the spiritual transformation that Romans demands, emphasizing the gospel's life-changing power over mere intellectual assent.

Key Features of the Martyn Lloyd Jones Romans Commentary

- **Verse-by-Verse Exposition:** The commentary follows a systematic progression through the text, enabling readers to grasp the flow and logic of Paul's argument.
- **Emphasis on Justification and Sanctification:** Central doctrines of the Christian faith receive thorough treatment, highlighting their interrelation and practical significance.
- **Integration of Theology and Practice:** Each theological point is connected with how it should affect the believer's life and faith journey.
- **Pastoral Warmth:** Lloyd Jones's deep pastoral heart shines through, offering encouragement and rebuke as appropriate.
- **Engagement with Original Language Concepts:** Although accessible, the commentary does not shy away from exploring Greek terms and their implications.

Strengths and Limitations

Like any resource, the Martyn Lloyd Jones Romans commentary has its strengths and limitations. Its greatest strength lies in its passionate, clear exposition that nurtures faith and understanding. However, readers seeking detailed historical-critical scholarship or extensive archaeological background might find it lacking in those areas. Additionally, since the commentary is sermon-based, its format can feel repetitive or sermonic rather than the concise, reference-friendly style typical of academic commentaries.

Impact and Legacy of Martyn Lloyd Jones's Romans Commentary

The influence of Martyn Lloyd Jones's Romans sermons extends far beyond his lifetime. Many contemporary pastors and Bible teachers cite his work as foundational in their understanding of Pauline theology. His sermons have been translated into multiple languages and continue to be published in various formats, including print, audio, and digital.

Notably, his Romans commentary has inspired a resurgence of interest in

expository preaching and has contributed to the theological renewal in evangelicalism during the 20th and 21st centuries. The clarity and conviction with which he preached Romans have encouraged countless believers to deepen their grasp of gospel truths.

martyn lloyd jones romans commentary: **Other Elect** Jeremiah E. Dahl, 2025-05-30 An in-depth breakdown of the theological and exegetical basis for salvation amongst the unevangelized in Reformed theology. What is the fate of those who never hear the gospel? What becomes of the unevangelized? Does Reformed theology allow for belief that some (even many) who never hear the gospel are saved, and if so, what might that look like? Perhaps more importantly, does Scripture provide any hope for their salvation? A standard answer from the Reformed tradition is that those who never hear the gospel are simply not elect—if they were, God in His sovereignty would have sent the gospel to them. Yet the Westminster Confession affirms the reality of other elect, those incapable of being outwardly called by the ministry of the Word (WCF 10.3). Many luminaries of the Reformed tradition—W. G. T. Shedd, A. A. Hodge, John Gerstner, Douglas F. Kelly, Philip Rollinson, Richard J. Mouw, R. C. Sproul, and others—have left open the possibility this refers to the unevangelized. Granting this possibility, how can this be squared with the rest of Reformed theology, and what exegetical ground is there for such a view? This book seeks to establish the theological and exegetical framework necessary to support such a view. It argues both that Reformed theology has the tools to account for such a possibility, and that Scripture provides ample evidence to not just establish the possibility, but the reality of salvation amongst the unevangelized.

martyn lloyd jones romans commentary: Lamb of God - Saviour of the World J. E. Hazlett Lynch, 2015-06-10 This book provides the first ever evaluation of the teaching of Dr D. Martyn Lloyd-Jones on the atonement and shows that he held to the same understanding of the cross as that taught by John Calvin, Mose Amyraut, John Davenant, Richard Baxter, Matthew Henry, Philip Doddridge, and J. C. Ryle. On this 400th anniversary of the birth of Richard Baxter in 1615 (the 200th anniversary of the birth of J. C. Ryle is in 2016), it is fitting that the twentieth-century Baxter made his appearance in the person of Dr D. Martyn Lloyd-Jones. His published evangelistic sermons, like Baxters writings, do not suggest that he believed in limited atonement as held by high Calvinists, but that his view was closely aligned with that of Calvin and Amyraut rather than with Beza and Owen. 350 direct quotations from Lloyd-Jones own works substantiate this claim. Careful exegesis of his most frequently quoted Scripture texts also demonstrates that his soteriology is based on solid biblical teaching, and not on teaching dominated by medieval scholastic philosophy. His approach was determined by Deuteronomy 29:29. This new book from Dr Lynch will enlighten, instruct, encourage, challenge, and thrill all who read it.

martyn lloyd jones romans commentary: How Do We Glorify God? Daniel Klassen, 2021-04-15 ?The glory of God is a silver thread which must run through all our actions.? That?s how Puritan pastor Thomas Watson described the importance of the glory of God for the Christian life. God?s greatest concern is His glory?the Bible is clear about that. He will not give it to anyone else, and failure to glorify Him certainly warrants eternal judgement. But God?s glory is more than a mandate for His creation. He has intertwined it with our identity so we are unable to find meaningful purpose apart from displaying His glory in every part of life. Many Christians today are bombarded with philosophies, programs, and self-help books promising them a meaningful and purposeful life. But instead of helping them achieve their goal, they distract from the true source of meaning and purpose. *How Do We Glorify God* provides an accessible, clear, and practical guide to help Christians find meaningful purpose in a world of distractions. Through Puritan thought and Biblical study, faithfulness to Christ and His gospel is inspired, pressing questions about sin and suffering are covered, hope in the promises of God is instilled, and eternal satisfaction is guaranteed.

In *Preaching: How to Preach Biblically*, John MacArthur's well-known passion for the Bible combines with the expertise of faculty members at The Master's Seminary to inspire and equip preachers in effective biblical preaching. *Preaching: How to Preach Biblically* flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages, connecting what pastors learn in seminary with the sermons preached in a local church. This volume shows how to progress purposefully from one phase to the next in preparing to minister to God's people through preaching. This book answers these questions and more: What is expository, biblical preaching? What are the theological and historical foundations for insisting on expository preaching? What are the steps involved in preparation for and participation in biblical preaching? What models exist for expository preaching today? The Master's Seminary faculty, with over thirty years' experience in preaching and seminary training of preachers, contributes a treasury of expertise alongside insights from expositor John MacArthur. While united on their commitment to exposition, the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository excellence.

martyn lloyd jones romans commentary: The Gospel According to the Trinity Nicholas S. Perez, 2025-04-22 The gospel begins with God. God exists eternally as Father, Son, and Holy Spirit. How does what we believe about the Trinity impact the redemption of people before time began, in time, all the way to when time is no more? In *The Gospel According to Trinity*, Nicholas S. Perez takes readers from eternity to eternity, exploring the work of the triune God in redeeming people. While considering arguments from within his own ecclesiastical setting, the Stone-Campbell Movement, he challenges understandings of the outworking of redemption that do not maintain Trinitarian harmony and agreement between the Father, the Son, and the Holy Spirit. The result is a

more consistent view of the gospel within a Trinitarian framework.

martyn lloyd jones romans commentary: "All Things to All Men" Derek van Rensburg, 2012-02-14 How is it at all possible to project an image of being narrow-minded and judgemental and, at the same time, imagine that you can be an effective witness for Jesus Christ? The teaching of Jesus Christ unambiguously rejects such aberrations and, by definition, His Gospel of Grace renders them inadmissible. This is the paradox which Derek van Rensburg sees at the heart of the very conservative brand of Evangelicalism which has been his spiritual home for more than half a century. In order to facilitate affordable Bible studies, Van Rensburg has, over many years, compiled his own notes for distribution among the participants in his study sessions. Among others, wife Wendy has encouraged him to publish these notes and a selection of these comprise this book which he has entitled ALL THINGS TO ALL MEN in the spirit of the Apostle Paul. This title, taken from First Corinthians 9:22, is an expression of Van Rensburgs conviction that the Gospel of Gods Grace through Jesus Christ has often been hamstrung by a variety of anathemas and exclusivities. While this Gospel is so central to the conservative Evangelical Christian tradition to which he belongs, he identifies typical negative trends in this tradition which compromise the Gospel. A Christianity obsessed with anathemas is hardly a vehicle for the effective communication of Gods Grace to a hurting and broken world. By contrast, he notes the transformation of the pharisaically obsessed Saul of Tarsus into the Gospel-obsessed Apostle Paul. Coming from the one-time compulsive persecutor of the early church, with all his pharisaical hang-ups, the following quotation from First Corinthians 9:19-23 expresses a radical conversion-transformation. It also constitutes the Christ-like communication of the Gospel of Grace to a Christless world. Paul said: Though I am free and belong to no man, I make myself a slave to everyone, to win as many as possible. To the Jews I became like a Jew, to win the Jews. To those under the law I became like one under the law (though I myself am not under the law), so as to win those under the law. To those not having the law I became like one not having the law (though I am not free from Gods law but am under Christs law), so as to win those not having the law. To the weak I became weak, to win the weak. I have become all things to all men so that by all possible means I might save some. I do all this for the sake of the gospel, so that I may share in its blessings. How different that is to a very great deal of the conservative evangelicalism the author has known for many, many years. If evangelism really is fundamental to evangelicalism then the evangelical exclusivists among them need to take a good hard look at 1 Corinthians 9:19-23. This book, ALL THINGS TO ALL MEN is in two parts. Part One is comprised of six essays expressing the authors views on some contentious topics germane to the above-mentioned paradox. These essays are entitled: 1. Standpoint 2. I believe the Bible 3. In the beginning God created and Christians 4. Difficult Old Testament passages 5. The Resurrection (1 Corinthians 15) 6. Christian Inconsistency Part One is fairly polemical and should, accordingly, stimulate discussion on that level. Part Two consists of seven Bible studies in which the authors orthodox Evangelical theological grounding is very evident. He is committed to this theology but is convinced that certain important aspects of it are often misrepresented in the habits and practices of Christians and institutions associated with it. This conviction prompts the occasional searching question among more regular questions constituting the general method of thes
