What Is The Bible Knowledge Commentary?

It was first published in the early 1980s and has since become a staple reference for those wanting detailed yet readable explanations of biblical passages.

Scope and Structure

The commentary is divided into two volumes: one dedicated to the Old Testament and the other to the New Testament. Walvoord primarily authored the Old Testament sections, while Zuck focused on the New Testament. This division allowed each scholar to play to his strengths and produce a balanced, thorough examination of the Scriptures.

Each book of the Bible is introduced with helpful background information, including authorship, historical context, and theological themes. Following these introductions, the commentary breaks down the text into smaller passages, offering clear explanations, word studies, and cross-references to other biblical texts.

Target Audience

One of the reasons the Bible Knowledge Commentary is so popular is its accessibility. While it certainly contains scholarly insights, it avoids overly technical language, making it suitable for pastors, Bible study leaders, seminary students, and laypeople alike. Comparisons with Other Evangelical Commentaries

When compared to other popular evangelical commentaries such as the *NIV Application Commentary* or *The Expositor's Bible Commentary*, the Bible Knowledge Commentary distinguishes itself by its concise yet thorough approach. It is less exhaustive than multi-volume sets like *The New International Commentary on the Old and New Testament* but offers more theological depth than brief study notes or devotional guides.

Its dispensational framework also sets it apart, providing clarity on prophetic passages with an emphasis on premillennial eschatology. This makes it particularly useful for readers interested in prophetic interpretation aligned with Dallas Seminary's theological stance.

Theological Perspective and Interpretative Approach

The theological underpinning of John Walvoord, Roy Zuck, and the Bible Knowledge Commentary is firmly evangelical with a dispensational premillennial outlook. This perspective influences the interpretation of prophetic books like Daniel, Ezekiel, and Revelation, as well as New Testament eschatological passages.

Dispensationalism in the Commentary

Dispensationalism divides biblical history into distinct eras or “dispensations” in which God interacts differently with humanity. This interpretive framework is evident throughout the commentary, particularly in:

- Prophetic interpretation that distinguishes between Israel and the Church.
- Emphasis on a future literal millennial kingdom.
- Clear delineation of God’s promises to Israel and their fulfillment.

This approach provides a systematic way to understand complex prophetic texts and has been influential among many evangelical readers.

Exegetical Methodology

Walvoord and Zuck emphasize a grammatical-historical method, seeking to understand the original meaning of the biblical text in its historical context. The commentary frequently references original Hebrew and Greek terms to clarify nuances in translation and meaning.

While the commentary avoids overly technical linguistic analysis, it does not shy away from engaging with textual criticism and variant readings when they impact interpretation. This commitment to sound exegesis enhances the commentary’s credibility among scholars and pastors alike.

Practical Use and Audience

The Bible Knowledge Commentary’s balance of scholarly insight and practical application makes it a versatile tool for various audiences.

Pastoral and Teaching Utility

For pastors and Bible teachers, the commentary provides ready-made expositions with theological depth, supporting sermon preparation and curriculum development. Its clear summaries and doctrinal notes assist leaders in articulating biblical truths with confidence.

Layperson Accessibility

Lay readers benefit from the commentary’s straightforward language and clear explanations. The inclusion of practical application points encourages readers to integrate biblical principles into daily

life without feeling overwhelmed by academic complexity.

john walvoord roy zuck the bible knowledge commentary: *She Who Restores the Roman Empire* David Criswell, 2002-10 Of The Biblical prophecy of the Whore of Babylon St. Augustine said that the Church of Rome would one day apostatize while St. Jerome hinted that the day of apostasy may have already begun, but today even many Protestants reject this notion arguing instead that a new Babylonian kingdom will arise in Iraq. *She Who Restores the Roman Empire* is a thorough survey of this controversial prophecy. It examines the prophetic interpretations throughout history and shows their impact upon history. It shows how the prophecy itself helped shaped the Reformation and counter-Reformation. It also discusses the newer interpretations which predict a revival of ancient Babylon or a global New Age religion. Dr. Criswell's conclusion is based on thorough exegesis and on historical precedent. He contends that it is the Harlot who will initiate the restoration of the Roman Empire and the anti-Christ will initially be his puppet before turning on her and destroying her great city. Napoleon was an archetype of the coming anti-Christ who will promise a new world but deliver destruction. David Criswell has done an outstanding job in handling the subject of Babylon the Harlot in the book of Revelation. As a Tyndale Seminary graduate student, he was a thorough researcher and scholar. No matter what your view on the Babylon issue, this book is a classic at analyzing the subject. The reader will find this treatise a fascinating adventure in Bible study. —Dr. Mal Couch, president, Tyndale Seminary

Malawi, where 80% of the population identify as Christian is no exception, nor are the Ngonde at its northern border with Tanzania. john walvoord roy zuck the bible knowledge commentary: *Polygamy in Northern Malawi* Mlenga, Moses, 2016-01-13 The early missionaries brought Christianity from the monogamous West to the polygamous societies of Africa. Were the missionaries right in demanding that converts dismiss all but one wife? Was this the demand of the Christian faith or of Western civilization? And were the converts right to dismiss their wives though they had married them according to the laws of the land? And who asked the children if they wanted their mothers to be dismissed and may or may not be married to another man? The book argues that while polygamy is an African reality, it is below Christian moral standards. However is stopping converted polygamous men and women from baptism best practice if we believe that sin can be forgiven for the one who repents? Can the shedding of responsibility for wives and children be made a precondition for such forgiveness?

john walvoord roy zuck the bible knowledge commentary: *Rushing Ahead to Armageddon* Christopher M. Jones, 2010 The world seems to be on the brink as tensions in the Middle East are escalating daily. Russia is strengthening its ties with China, North Korea, Syria and Iran arming them with sophisticated military weaponry. Russia is building up its armed forces, returning to Cold War military tactics, including reopening ports used by the former Soviet Union. Tensions between Israel and Iran have never been higher with each nation poised to strike against the other in a moment's notice. Iran's nuclear ambition is well documented and is becoming a menace on the International stage. With Israel's very existence at stake, a preemptive strike against Iran's Russian built nuclear facilities is not out of the realm of possibility. A preemptive strike by Israel could provoke a retaliatory response by Russia and her allies. It seems that in a moment's notice the events described in Ezekiel 38 & 39 could break out right before our eyes...or is it? For many years, contemporary prophecy writers have been telling us that we are living in the last days and the Gog and Magog alliance is one sure sign that the Rapture and the Second Coming of Christ are near. However, there is strong biblical evidence that the candidate often identified as Gog,

Russia, may not in fact be the candidate that Ezekiel was referring too. Using the Bible as a guide, we can figure out who this obscure person is instead of using today's newspapers. With a long history of well documented failed predictions by contemporary prophecy writers, maybe it's time that we begin to reevaluate today's popular interpretation of Ezekiel 38 & 39 in light of the Bible. john walvoord roy zuck the bible knowledge commentary: Recognizing the Messiah's Message Jeffrey Leath, 2015-03-09 Hebrews were waiting for the Messiah to come and set them free; free from the bondage of the Roman enemy. But then, announced to a group of shepherds one night, the Messiah arrived, was wrapped in strips of cloth, and took His royal position in a feed trough. This was the Son of God who takes away the sins of the world! He was given authority from His Father. He would show signs of His Messiahship and have a great following because of His miraculous healings; even bringing the dead back to life! But His message was confusing to some. He didn't meet the expectations of the Messiah. He said that we should love our enemies. He said that God was a loving heavenly Father and even referred to Him as Daddy (Abba Father). And then there was His message of relating to God through humility. Matthews writing helped the early Hebrew Christians recognize Jesus is the Messiah; an important message that encourages one to stand firmly in faith. Recognizing and identifying with the Messiah's message will lead us to call upon our one true Teacher and Savior, Jesus Christ through whom we receive God's loving grace and mercy.

His careful study and explanation of various Bible passages will yield a useful orientation to the classic arguments furnished us by the Reformers and their faithful heirs. Dr. Nelson Kloosterman The present volume presents a devastating critique of natural theology and natural law. Its argument is solidly biblical, and its accumulation of biblical data is overwhelming. I hope that God prospers it so that many will read it and take heed. Dr. John Frame A.W.
