Amazing Grace Philosophy Gift Set: A Thoughtful Blend of Beauty and Meaning

amazing grace philosophy gift set is more than just a collection of skincare and fragrance products; it is a heartfelt expression of elegance, tranquility, and timeless charm. Whether you're searching for a meaningful present for a loved one or treating yourself to a touch of luxury, this gift set combines the soothing qualities of the popular Amazing Grace line with Philosophy's renowned commitment to self-care and inspiration. Let's explore why this gift set has captured the hearts of many and how it can add a special touch to everyday moments.

What Makes the Amazing Grace Philosophy Gift Set So Special?

When it comes to gift-giving, finding something that resonates emotionally while delivering quality can be a challenge. The Amazing Grace Philosophy gift set strikes the perfect balance by offering a sensory experience that's both uplifting and comforting. Founded on the principles of simplicity and elegance, Philosophy has crafted this set to nourish the skin and soul simultaneously.

The Signature Fragrance: Light, Fresh, and Uplifting

At the core of the gift set is the Amazing Grace fragrance, a delicate yet memorable scent known for its clean, floral notes. It's a fragrance that doesn't overpower but rather enhances your natural presence with hints of bergamot, muguet blossoms, and musk. This subtlety makes it an excellent choice for everyday wear, appealing to those who appreciate understated sophistication.

Skincare Meets Inspiration

The Philosophy Amazing Grace gift set often includes body lotions, shower gels, and sometimes even hand creams. Each product is thoughtfully formulated with skin-loving ingredients, such as moisturizing shea butter and vitamin E, ensuring your skin feels soft, hydrated, and pampered. What truly distinguishes this set, however, is Philosophy's signature approach to self-care — every product is accompanied by a thoughtful message or uplifting quote, turning your skincare routine into a moment of mindfulness.

Why Choose the Amazing Grace Philosophy Gift Set as a Present?

Gift sets generally work well because they offer a curated experience in one package. The Amazing Grace Philosophy gift set, specifically, has a few unique advantages that make it a standout choice.

Universally Appealing Scent and Presentation

The fragrance itself is known for its wide appeal. Unlike bold perfumes that might not suit everyone, Amazing Grace offers a fresh and clean aroma that many find comforting and familiar. The packaging reflects this elegance—often minimalist, clean, and stylish, making it a visually pleasing gift that fits various tastes and occasions.

Encourages Self-Care and Mindfulness

In today's fast-paced world, promoting self-care is more important than ever. Giving someone an Amazing Grace Philosophy gift set is like giving them permission to slow down, breathe, and enjoy a

moment of personal peace. The inspirational messages included in the product design encourage reflection and positivity, adding emotional value beyond the physical items.

Perfect for Multiple Occasions

Whether it's a birthday, anniversary, holiday, or just because, this gift set suits a wide array of special moments. Its elegant simplicity makes it appropriate for friends, family members, or colleagues. Plus, since the set often includes multiple products, recipients get to enjoy a full sensory journey—from shower to moisturized skin, wrapped in a beloved fragrance.

How to Make the Most of Your Amazing Grace Philosophy Gift Set

Owning or gifting this set is just the beginning. To truly appreciate everything it offers, consider these tips to enhance your experience:

Create a Relaxing Ritual

Turn your bathing routine into a mini-spa experience. Use the shower gel to cleanse gently, letting the fragrance envelop you. Follow up with the body lotion to lock in moisture and enjoy the calming scent throughout your day. Pair this routine with soft music or a few deep breaths to maximize relaxation.

Layer the Fragrance for Longevity

Philosophy's Amazing Grace line is designed for layering. Using several products from the set

together—like the shower gel, body lotion, and perfume—can help the fragrance last longer on your skin. This technique also intensifies the subtle floral notes without becoming overwhelming.

Share the Message

Many users find the inspirational quotes on Philosophy products uplifting. Consider sharing these messages with others, whether as a conversation starter or a little note accompanying the gift. It's a simple way to spread positivity and show you care about more than just the surface.

Exploring Related Products and Variations

While the Amazing Grace Philosophy gift set is a classic, Philosophy offers a range of products and variations within the Amazing Grace line to suit different preferences.

Travel-Sized Sets for On-the-Go

For those who love the scent but need portability, travel-sized gift sets are available. These are perfect for frequent travelers or as a convenient way to try the products before committing to full sizes.

Mix and Match with Other Philosophy Lines

Philosophy also offers other fragrance collections, such as Pure Grace and Falling in Love, which complement Amazing Grace beautifully. Some gift sets combine these scents, allowing for a personalized fragrance wardrobe.

Limited Edition Packaging

Seasonal and holiday releases sometimes feature limited edition packaging or bonus items, elevating the gift set's appeal. Keeping an eye out for these special editions can make your present even more unique.

Where to Buy the Amazing Grace Philosophy Gift Set

Finding the authentic Amazing Grace Philosophy gift set is straightforward, thanks to its popularity.

Authorized Retailers and Online Stores

Look for the gift set at well-known department stores, specialty beauty shops, and official Philosophy retailers. Online platforms like Sephora, Ulta, and Amazon frequently stock these sets, often with customer reviews that help you make informed purchasing decisions.

Consider Gift Wrapping and Personalization

Many sellers offer gift wrapping options, which can add an extra touch of elegance. Some retailers may even provide personalized notes or cards, perfect for special occasions.

Final Thoughts on the Amazing Grace Philosophy Gift Set

The Amazing Grace Philosophy gift set is a wonderful blend of fragrance, skincare, and inspirational messaging that elevates the concept of gift-giving into something truly memorable. Its ability to

combine simplicity with sophistication makes it an enduring favorite for both recipients and gift-givers alike. Whether you're drawn to its fresh scent, its moisturizing formulas, or the positive vibes it promotes, this gift set invites you to celebrate grace in everyday life.

****Unpacking the Amazing Grace Philosophy Gift Set: A Detailed Review****

amazing grace philosophy gift set has emerged as a popular choice among consumers seeking a blend of luxury, sentiment, and quality in gift items. Known primarily for its iconic fragrance, Philosophy's Amazing Grace line extends beyond mere scent, encapsulating a concept of elegance and simplicity that appeals to a broad demographic. This article delves into the components, value, and overall appeal of the Amazing Grace Philosophy Gift Set, providing an analytical perspective that can guide both casual buyers and aficionados of fine personal care products.

Understanding the Amazing Grace Philosophy Gift Set

The Amazing Grace Philosophy Gift Set typically includes a curated collection of skincare and fragrance products centered around the brand's signature scent. Philosophy, as a brand, emphasizes a minimalist yet effective approach to beauty and personal care, and this gift set is a reflection of that ethos. At its core, the set is designed to offer a cohesive sensory experience—combining fragrance with complementary body care essentials.

This gift set is often marketed as ideal for special occasions such as holidays, birthdays, or anniversaries, and it caters especially well to those who appreciate understated elegance. The packaging usually features clean, white containers with simple typography, reinforcing the brand's commitment to purity and grace.

Contents and Features of the Set

A standard Amazing Grace Philosophy Gift Set generally includes the following products:

- **Amazing Grace Eau de Toilette:** The hallmark fragrance, known for its fresh floral notes including bergamot, muguet blossoms, and musk.
- **Shower Gel:** A gentle cleansing formula that maintains the skin's moisture balance while imparting the signature scent.
- **Body Lotion:** A lightweight moisturizer that hydrates the skin and prolongs the fragrance's presence throughout the day.

Some variations of the set might include additional items such as a body scrub or a travel-sized spray,

depending on the retailer or seasonal promotions.

Analyzing the Appeal: Why Choose the Amazing Grace Philosophy Gift Set?

The Amazing Grace Philosophy Gift Set stands out in a crowded market of fragrance and skincare bundles thanks to several key factors:

1. Timeless Fragrance Profile

The scent of Amazing Grace is widely celebrated for its clean, fresh, and universally appealing floral notes. Unlike heavier or more complex perfumes, this fragrance is designed to be light and approachable, making it suitable for everyday wear. Its subtlety ensures that it complements rather than overwhelms, which is a major selling point for those who prefer understated elegance.

2. Versatility and Practicality

Combining fragrance with body care products enhances the overall experience, allowing users to layer the scent for longevity. This multi-product approach also adds value to the gift set, as recipients receive a comprehensive package rather than just a standalone perfume. The inclusion of moisturizing and cleansing products aligns with modern skincare trends that favor multi-functional and synergistic beauty routines.

3. Brand Reputation and Trust

Philosophy has built a reputation for quality and ethical product development, often emphasizing cruelty-free testing and thoughtful ingredient selection. This reputation lends credibility to the Amazing Grace set and reassures buyers that they are investing in products that meet certain standards of care and responsibility.

Comparisons with Similar Gift Sets

When placed alongside other fragrance gift sets in the same price range, the Amazing Grace Philosophy Gift Set holds its own through a balance of scent sophistication and product variety. For example, compared to luxury brands that focus solely on fragrance, this set provides added skincare benefits, which can appeal to consumers looking for more comprehensive personal care solutions.

On the other hand, some competitors may offer more exotic or intense fragrance profiles, catering to niche preferences that the subtle Amazing Grace scent may not satisfy. Therefore, the set's appeal is strongest among those who favor light, clean scents and practical skincare.

Pros and Cons

- **Pros:**
 - Light, universally appealing fragrance
 - Includes complementary skincare products for layering
 - Attractive, minimalist packaging
 - Good value for a multi-product set

- Suitable for all ages and occasions
- Cons:
 - Might be too subtle for those preferring bold scents
 - Limited variety in scent options within the set
 - Availability can fluctuate depending on season or retailer

Who Should Consider Purchasing the Amazing Grace Philosophy Gift Set?

This gift set is particularly well-suited for individuals who appreciate simplicity and elegance in their fragrance choices. It's an excellent option for gift-givers who want to ensure a safe, pleasant, and widely enjoyed present. Recipients who are new to Philosophy or those who prefer fresh, floral notes will likely find this set appealing.

Moreover, the presence of moisturizing and shower products makes it attractive to skincare enthusiasts looking to integrate fragrance into their daily routine without sacrificing skin health. The set's moderate price point compared to high-end luxury brands also makes it accessible to a broader audience.

Usage Scenarios and Gifting Ideas

- **Holiday Gifts:** The set's elegant presentation and versatility make it a popular choice for Christmas, Mother's Day, or Valentine's Day.
- **Personal Treat:** Ideal for self-purchase by those wanting to experience the brand's signature scent and skincare benefits.
- **Bridal or Bridesmaid Gifts:** Its clean fragrance and polished look align well with wedding-related gifting.
- **Corporate or Client Gifts:** The classy yet neutral appeal suits professional gifting contexts.

Final Reflections on the Amazing Grace Philosophy Gift Set

The Amazing Grace Philosophy Gift Set embodies a refined balance of fragrance and skincare that resonates with many consumers seeking simplicity and quality. Its strength lies in the cohesive sensory experience it offers, combining a beloved fragrance with complementary body care essentials that enhance both scent longevity and skin health. While it may not satisfy those looking for bold or exotic aromas, its universal appeal and versatility make it a safe and elegant gifting choice.

For individuals and gift buyers alike, this set represents a harmonious blend of practicality and sophistication—qualities that have cemented Philosophy's Amazing Grace as a staple in the personal care market. Whether for personal indulgence or thoughtful gifting, the Amazing Grace Philosophy Gift Set continues to uphold its reputation as a timeless symbol of grace and beauty.

amazing grace philosophy gift set: *From Sin to Amazing Grace* Patrick S. Cheng, 2012-03-01 Throughout the history of Christianity, lesbian, gay, bisexual and transgender ("LGBT" or "queer") people have been condemned as unrepentant sinners who are in dire need of God's saving grace. As a result of this condemnation, LGBT people have been subjected to great spiritual, emotional and physical abuse and violence. This issue takes on a particular urgency in light of the ongoing harassment and bullying of LGBT young people by their classmates. Cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws. Rather Cheng proposes a Christological model based upon the theologies of Irenaeus, Bonaventure and Barth, in which sin and grace are defined in terms of what God has done for us in Jesus Christ. This book serves as a useful resource for all people who struggle to make sense of the traditional Christian doctrines of sin and grace in the context of the 21st century.

amazing grace philosophy gift set: *In the Midst of Chaos* Bonnie J. Miller-McLemore, 2019-03-01 How the daily practices of life with children can shape our faith In the Midst of Chaos explores parenting as spiritual practice, building on Bonnie J. Miller-McLemore's fresh conceptions of children from her book *Let the Children Come*. She questions conventional perceptions that spiritual practices require silence, solitude, and uninterrupted prayer and that assume a life unburdened by care of others. She is both honest about the difficulties and attentive to the blessings present in everyday life and demonstrates that the life of faith encompasses children and the adults who care for them. Miller-McLemore explores how parents might use seven daily practices, such as play, reading, chores, and saying goodbye or goodnight as rich opportunities to shape both parent and child morally and spiritually. Through these experiences, she shows how the very care of children forms and reforms the faith of adults themselves, contrary to the belief that adults must form children. In the Midst of Chaos also goes beyond the typical focus on individual self-fulfillment by tackling difficult questions of social justice and mutuality in the ways families live together. Readers will find in this book an invitation to love those around them in the midst of life's craziness and to live more deeply in grace.

amazing grace philosophy gift set: *Children's Right to Freedom, Care and Enlightenment* Bertram Bandman, 2013-10-28 Professor Bandman presents a philosophical argument in answer to the question, How do we justifiably bring up our children? Bandman suggests that the status of children's rights in collusion with the method by which children are raised result in the strength and breadth of our rights as adults. This is an eminently worthwhile study, involving the interests of younger and older people alike, engaging us all in reflective examination of issues right at our doorsteps.

amazing grace philosophy gift set: *Karl Leonhard Reinhold and the Enlightenment* George di Giovanni, 2010-07-24 Karl Leonhard Reinhold (1757-1823) is a complex figure of the late German Enlightenment. Sometime Catholic priest and active Mason even when still a cleric in Vienna; early disciple of Kant and the first to try to reform the Critique of Reason; influential teacher and prolific author; astute commentator on the immediate post-Kantian scene; and at all times convinced propagandist of the Enlightenment--in all these roles Reinhold reflected his age but also tested the

limits of the values that had inspired it. This collection of essays, originally presented at an international workshop held in Montreal in 2007, conveys this multifaceted figure of Reinhold in all its details. In the four themes that run across the contributions--the historicity of reason; the primacy of moral praxis; the personalism of religious belief; and the transformation of classical metaphysics into phenomenology of mind--Reinhold is presented as a catalyst of nineteenth century thought but also as one who remained bound to intellectual prejudices that were typical of the Enlightenment and, for this reason, as still the representative of a past age. The volume contains the text of two hitherto unpublished Masonic speeches by Reinhold, and a description of recently recovered transcripts of student lecture notes dating to Reinhold's early Jena period.

amazing grace philosophy gift set: *The Shift* Kimberly White, 2018-06-05 A vivid depiction and real-world example of the personal and institutional impact of the Arbinger Institute's transformative ideas (Leadership and Self-Deception; 1.4 million copies sold) within a healthcare organization--The HG nursing homes. In general, nursing homes are scorned healthcare institutions--but it was in these transformed HG homes that Kimberly White discovered a new way of seeing people and underwent her own personal transformation. Both HG and White shifted their perspective and mindset based on their adoption of The Arbinger Institute's basic principles. Without realizing it, we tend to treat people as objects. We see them solely in terms of their usefulness to us. This invites tension and conflict, and changing this mindset is at the heart of the Arbinger Institute's work. This book is a moving true story of an unhappy woman whose life and family were transformed when she began researching how Arbinger's ideas were being implemented in nursing homes. Kimberly White was astonished to discover that those who choose to care for the elderly and ill, earning low pay in a maligned industry, were nevertheless full of satisfaction, compassion and love because of their ability to see their patients as real and true and valuable people. White's research became a personal exploration of how to see the people in her own life as people in that same profound way. When she did, everything in her life and her world changed--and the reader's will too--

amazing grace philosophy gift set: *The Museum of Broken Relationships* Olinka Vistica, Drazen Grubisic, 2017-11-14 In the spirit of Humans of New York and PostSecret, this is a gorgeous gift book celebrating the objects that outlast love: a poignant, funny, sometimes bizarre and always delightful window into modern love and loss. Leave[s] your heart feeling full and connected. -- Frank Warren, PostSecret A postcard from a childhood sweetheart. A wedding dress sealed in a jar. A roll of undeveloped film. An axe used to chop an ex-lover's furniture in a fit of rage. A wind-up toy, a bar of bath soap, a tin of Love Potion with the simple caption Doesn't work. These objects, and many more, make up the whimsical, imaginative, poignant population of the Museum of Broken Relationships. Started by two former lovers who wanted a way to commemorate their relationship even after it ended, who couldn't bear to simply throw away the objects that had once meant so much, the Museum of Broken Relationships has captured hearts and imaginations around the globe since its founding in 2010. Anonymous submissions have poured in by the thousands: objects with brief, compelling captions confessing to the story behind their meaning. The museum's Croatian exhibit quickly became a main draw for tourists from around the globe, and has garnered enthusiastic, glowing media attention from sources as disparate as the New York Times and the Chinese national news. Now, as the physical museum arrives for a permanent spot in Los Angeles, the authors have collected the best, funniest, most heartwarming and heartrending stories from their huge selection of submissions. Much like the bestselling Postsecret series, this beautiful oversized, four-color book will offer an irresistible glimpse inside other people's secret worlds, creating moments of deep human connection. It is a must read for anyone who has ever loved and lost.

amazing grace philosophy gift set: *Love Does Not Control* Thomas Jay Oord, John Loppnow,

Annie DeRolf, Christy Gunter, Lon Marshall, 2023-04-03 That love does not control seems obvious to many people. And yet the temptation to control—often with good motives — is strong. The long-term results of yielding to this temptation damage everyone. Contributors to Love Does Not Control explore uncontrolling love and a vision of God as uncontrolling. They do so from their perspectives as therapists, psychologists, and counselors. Writers ponder what uncontrolling love might mean for human healing. Open and relational theology operates as the underlying framework for most contributors. That theology fits nicely with the belief that love is uncontrolling. Open and relational theology rethinks divine power in light of love and postulates what it might mean for creatures to imitate their Creator's uncontrolling love. The essays in Love Does Not Control are diverse. Readers may discover some differences of opinion as they move from essay to essay. But contributors share in common the quest to explore what uncontrolling love means for issues in counseling, psychology, and/or therapy. These essays have a power that goes beyond mere theoretical reflection. The ideas in these pages have the capacity to transform our living. And even reading Love Does Not Control has the potential to become an exercise in uncontrolling love!

amazing grace philosophy gift set: Process and Providence Bradley J. Gundlach, 2013-11-30 Charles Hodge, James McCosh, B. B. Warfield -- these leading professors at Princeton College and Seminary in the nineteenth and early twentieth centuries are famous for their orthodox Protestant positions on the doctrine of evolution. In this book Bradley Gundlach explores the surprisingly positive embrace of developmental views by the whole community of thinkers at old Princeton, showing how they embraced the development not only of the cosmos and life-forms but also of Scripture and the history of doctrine, even as they defended their historic Christian creed. Decrying an intellectual world gone "evolution-mad," the old Princetonians nevertheless welcomed evolution "properly limited and explained." Rejecting historicism and Darwinism, they affirmed developmentalism and certain non-Darwinian evolutionary theories, finding process over time through the agency of second causes — God's providential rule in the world -- both enlightening and polemically useful. They also took care to identify the pernicious causes and effects of antiscientific evolutionisms. By the 1920s their nuanced distinctions, together with their advocacy of both biblical inerrancy and modern science, were overwhelmed by the brewing fundamentalist controversy. From the first American review of the pre-Darwinian Vestiges of the Natural History of Creation to the Scopes Trial and the forced reorganization of Princeton Seminary in 1929, Process and Providence reliably portrays the preeminent conservative Protestants in America as they defined, contested, and answered -- precisely and incisively -- the many facets of the evolution question.

amazing grace philosophy gift set: Diary of a Young Jesuit Barry Martinson, 2025-03-28 This diary of a young American Jesuit's vocation and first six years of seminary training in the early 1960s before being assigned as a missionary to Taiwan is full of youthful optimism. It is the positive, personal story of a vocation told in a relaxed, often humorous voice. It reveals the longing of a heart that finds fulfillment in giving up everything to follow Christ and serve others as a Jesuit. At the Jesuit seminary in Los Gatos, Calif., the novice learns both the skill of harvesting grapes in the novitiate vineyard and the art of meditating on the life of Christ in prayer. As he contemplates Jesus--walking from village to village, preaching, healing the sick, and announcing good news to the poor-- he wants to do the same in the foreign missions. He is encouraged in his hopes to be a

missionary by a saintly Jesuit who left the Chinese missions for health reasons and became his spiritual father. Gifted in art, music, and writing, the novice learns how to use his talents for the benefit of others. During his long years of study, he discovers happiness through sharing his life with the less fortunate, working in the fields with migrant laborers. This ever-growing desire not only to serve the poor but also to be one of them is a recurring theme in Fr. Martinson's diary. As a gateway for anyone discerning his vocation, or as manna for those already in religious life, this diary reveals the secret garden of a Jesuit's formative years, sharing many personal, joyful, and inspiring experiences, which, as the poet Gerard Manley Hopkins wrote, are rife with "beauty blooming".

amazing grace philosophy gift set: *Never by Itself Alone* David Grundy, 2024 Through its comprehensive history of post-war queer writing in Boston and San Francisco from the 1940s through the 21st century, *Never By Itself Alone* provides a new view of queer history. Grundy intertwines analysis of lesbian, gay, and queer literature of the time, centering voices which have not yet before been explored in existing criticism. The book elevates the underrepresented work of writers of color and those with gender-nonconforming identities, underscores the link between activism and literature, and insists upon the vital importance of radical accounts of race, class and gender in any queer studies worthy of the name.

amazing grace philosophy gift set: *Why Faith Is a Virtue* Philip Smith, 2014-03-10 What is faith? In what ways might faith be a virtue, a component of a life well lived? How might faith be corrupted and become a vice? In *Why Faith Is a Virtue*, Philip D. Smith builds on the work of Alasdair MacIntyre and Robert Adams to argue that faith contributes to human excellence. To make the argument, Smith sorts through conflicting possible faiths and shows how some of them are not virtues at all. Nevertheless, he argues that faith, properly understood, contributes to crucial human practices: scientific research, social reform, and parenting. He explains how and why faith is a virtue.

amazing grace philosophy gift set: *Go to Jail* Rick Bezanson, 2009-09 *Go to Jail!* is a call for Christians worldwide to take the mission of Christ outside the walls of the church. Dr. Bezanson provides a good model and keen insight into how a local church and its people can make a huge impact in the jail found near its own back yard. He brings out a sense of the amazing reality that occurs in God's kingdom as the battle rages for guilty and incarcerated people's souls and in the process some end up belonging to God. (Chaplain James Holder, AZ prison complex, Perryville) ...A life-changing and lifesaving story of caring people, who bravely follow their faith as they share God's word with those who have been forgotten. Thanks be to God for the servant hearts of Pastor Bezanson and the Amazing Grace Jail Pastors. (A grateful Mother of a former inmate) Rick Bezanson is the senior pastor of Amazing Grace Christian Church in Glendale, Arizona. During his tenure over six years the church has grown from worship attendance of 23 to over 170. He also implemented the planting of 5 jail churches in the Maricopa County jail complex and the commencement of Spanish worship at Amazing Grace. Rick recently received his Doctor of Ministry from Fuller Theological Seminary. His passion is for the outcast and disenfranchised. *Go to Jail!* is the culmination of many talks and training classes for pastors and laity interested in jail or prison ministry. He has found that prisoners are longing for transformation and are desperately in need of the words of Jesus. Remember, Jesus will equip the called. If you are considering this ministry, Jesus will bless you and equip you. Amazingly, you will be changed also as you bring Jesus' words to prisoners.

amazing grace philosophy gift set: *Lies Women Believe* Nancy Leigh DeMoss, 2007-05-01 Counter the lies that keep you from abundant living. Satan is the master deceiver and his lies are endless. And the lies Christian women believe are at the root of most of their struggles. Many women live under a cloud of personal guilt and condemnation, says Nancy DeMoss Wolgemuth. Many are in bondage to their past. Others are gripped by fear of rejection and a longing for approval. Still others are emotional prisoners. In best selling *Lies Women Believe*, Nancy exposes those areas of deception most commonly believed by Christian women—lies about God, sin, priorities, marriage and family, emotions, and more. She then sheds light on how we can be delivered from bondage and set free to walk in God's grace, forgiveness, and abundant life. Nancy

offers the most effective weapon to counter and overcome Satan's deceptions: God's truth!

amazing grace philosophy gift set: Doctrine That Dances Robert Smith, 2008 With enthusiasm and intelligence, professor Robert Smith steps up the interest in doctrinal preaching and teaching with *Doctrine That Dances*.

amazing grace philosophy gift set: Saving Zimbabwe Bob Scott, 2012-02-10 *Saving Zimbabwe* is the gripping story of a group of extraordinary black and white Zimbabweans who lived together forming 'The Community of Reconciliation'. They chose love over hate and integration over segregation. They believed in harmony over discord and that loving your former enemies was a higher way of life. Against all odds they succeeded in transforming a region of the nation into a life-giving community. By example they demonstrated that the course of Zimbabwe could be changed, and provided a working model for the road ahead. Tragically on 25 November 1987, the sixteen white members of the Community made the ultimate sacrifice and were martyred. Their killers thought they were 'liberating' their people but in fact drove the black community back under the oppressive forces of poverty. Why did they die? This book takes you on a journey to discover the answer to that haunting question and more. With the current political and economic uncertainty in Zimbabwe, the message of *Saving Zimbabwe* is more relevant than ever. The country needs transformation which should start in the heart of her people. The destiny of a nation and millions of lives are at stake.

amazing grace philosophy gift set: Breaking the Silence Ellen Grünkemeier, 2013 South Africa is one of the countries in the world most affected by HIV/AIDS, and yet, until recently, the epidemic was barely visible in South African literature. Much can be gained from approaching the South African epidemic through creative texts such as novels, photographs, films, cartoons and murals because they produce and circulate meanings of HIV/AIDS and its various facets such as its 'origin', 'transmission routes' and 'physical manifestations'. Other aspects explored are the denial of HIV/AIDS, its stigmatisation, discriminatory practices, modes of disclosure, access to anti-retroviral medication, as well as the role of alternative treatment. Creative texts, which are open to different and possibly contradictory readings, can serve as a starting point to increase the cultural visibility of the virus and to challenge dominant ideas about the epidemic. The cultural constructions of HIV/AIDS should be carefully examined because the meanings are pervasive and have very 'real' consequences: they play a powerful role both in determining which issues receive attention and in shaping public understanding of the virus.
