

i want an open relationship

I Want an Open Relationship: Navigating Love Beyond Traditional Boundaries

i want an open relationship—these words carry a mix of excitement, curiosity, and often, a hint of apprehension. More people today are exploring what it means to love and connect outside the traditional bounds of monogamy. Whether sparked by a desire for deeper honesty, freedom, or a richer emotional life, wanting an open relationship is a significant step that invites reflection and conversation. If you find yourself thinking about this, you're not alone, and understanding the dynamics can help you approach it thoughtfully.

Understanding What It Means When You Say, “I Want an Open Relationship”

At its core, an open relationship is a consensual arrangement where partners agree to engage in romantic or sexual experiences with others, while maintaining a primary connection together. This contrasts with monogamy, where exclusivity is the norm. Saying “I want an open relationship” often reflects a desire for more freedom, honesty, or a way to meet different needs that one person alone might not fulfill.

But open relationships come in many forms. Some couples might have clear rules about dating others but avoid physical intimacy outside the primary partnership. Others embrace a more fluid approach, openly exploring multiple connections. Understanding these variations is key to finding what fits you and your partner's unique values and boundaries.

Why People Choose Open Relationships

There isn't a one-size-fits-all reason. Here are some common motivations:

- **Desire for freedom:** Some individuals feel constrained by traditional monogamy and want the ability to explore other connections.
- **Emotional diversity:** Different relationships can fulfill different emotional needs.
- **Sexual exploration:** Open relationships can provide a safe space to discover and enjoy diverse sexual experiences.
- **Honesty and communication:** For many, open relationships encourage direct conversations about desires and boundaries.
- **Avoiding complacency:** Opening up a relationship might inject new energy and growth opportunities.

How to Approach the Conversation: “I Want an Open Relationship”

Bringing up the topic with your partner can be intimidating but is crucial for mutual understanding and respect. Here are some tips on navigating this sensitive conversation:

Choose the Right Time and Place

Discussing relationship boundaries requires a calm, private environment where both of you feel safe and uninterrupted. Avoid bringing it up during stressful moments or right before important events.

Express Your Feelings Honestly

Use “I” statements to communicate your feelings without placing blame or creating defensiveness. For example, “I feel like exploring an open relationship could help me grow and understand myself better.”

Be Ready to Listen

Your partner may have concerns, fears, or questions. Listen actively and validate their feelings. An open dialogue is the foundation of any successful relationship model.

Discuss Boundaries and Expectations

Talk openly about what an open relationship would look like for both of you. Would you share details about other partners? What are the safe sex practices? How will you handle jealousy or insecurity?

Common Challenges in Open Relationships and How to Address Them

While open relationships can be fulfilling, they are not without their hurdles. Being aware of potential issues helps in proactively managing them.

Jealousy and Insecurity

Jealousy is a natural emotion and can arise even in open relationships. Instead of suppressing it, try to understand what triggers it. Open communication about these feelings can strengthen your bond.

Time Management

Balancing multiple relationships requires good time management. Ensuring quality time with your primary partner while exploring other connections is essential to avoid neglect.

Social Stigma

Many people still face judgment or misunderstanding around non-monogamous relationships. Finding supportive communities or couples who share similar values can provide encouragement and reduce feelings of isolation.

Emotional Boundaries

Sometimes, feelings can grow unexpectedly. Defining emotional boundaries helps prevent confusion or hurt feelings. Regular check-ins with your partner about how you're both feeling can keep things on track.

Practical Tips for Making an Open Relationship Work

If you've decided to pursue an open relationship, here are some strategies to enhance your experience and keep your primary partnership strong:

1. **Set Clear Agreements:** Define what is and isn't acceptable early on to avoid misunderstandings.
2. **Practice Safe Sex:** Establish routine health checks and use protection to keep everyone safe.
3. **Communicate Regularly:** Make time for honest conversations about feelings, challenges, and changes.
4. **Be Patient:** Navigating open relationships can be a learning process. Give yourselves grace during adjustments.
5. **Respect Privacy:** Decide how much you want to share about other partners and respect each other's comfort levels.

Reflecting on Your Motivations Behind "I Want an

Open Relationship”

Before taking the leap, it’s helpful to spend some time in self-reflection. Ask yourself:

- What am I hoping to gain from an open relationship?
- Are my expectations realistic?
- How will this affect my current relationship dynamics?
- Am I prepared to handle the emotional complexities involved?

Understanding your deeper reasons ensures that your decision is aligned with your authentic self and not just a reaction to temporary frustrations.

Building Trust and Honesty in Non-Monogamous Relationships

Trust is the cornerstone of any relationship but becomes even more critical in open dynamics. Transparency about your interactions and feelings fosters a secure environment where both partners feel valued and respected. Honesty doesn’t mean sharing every detail if it causes unnecessary pain, but rather creating a space where both partners feel safe to express themselves fully.

How to Foster Emotional Security

- Regularly affirm your commitment to your primary partner.
- Validate their emotions and concerns.
- Establish rituals or quality time that reinforce your unique bond.
- Be mindful of jealousy triggers and support each other through them.

When Open Relationships Aren’t the Right Fit

While many thrive in open relationships, it’s not suitable for everyone. If either partner feels pressured or uncomfortable, it can lead to resentment or emotional distance. It’s important to respect each other’s boundaries and recognize when a different relationship model might be healthier.

Sometimes, couples find that exploring polyamory, swinging, or other forms of ethical non-monogamy better suit their needs. Other times, recommitting to monogamy with improved

communication and shared goals is the best path forward.

Choosing to live openly in your relationships requires courage, self-awareness, and a commitment to mutual respect. If you find yourself saying, “I want an open relationship,” embracing the journey with honesty and compassion can lead to richer experiences and deeper connections—whether with one partner or many.

Frequently Asked Questions

What does it mean to have an open relationship?

An open relationship is a consensual romantic relationship where partners agree to engage in emotional or sexual relationships with other people outside their primary partnership.

How do I bring up the idea of an open relationship with my partner?

Start with an honest and respectful conversation, expressing your feelings and reasons for wanting an open relationship. It's important to listen to your partner's thoughts and concerns to find mutual understanding.

What are the benefits of an open relationship?

Benefits can include increased personal freedom, variety in experiences, improved communication, and the opportunity to explore desires while maintaining a committed partnership.

What challenges might arise in an open relationship?

Challenges can include jealousy, communication difficulties, setting boundaries, and managing expectations. It requires strong trust and ongoing dialogue to navigate these issues.

How can we set healthy boundaries in an open relationship?

Discuss and agree on clear boundaries regarding emotional involvement, frequency of seeing others, safe sex practices, and how much to share about outside relationships to ensure both partners feel secure.

Is an open relationship right for everyone?

No, open relationships require a high level of trust, communication, and emotional maturity. They are not suitable for everyone and depend on individual values and relationship goals.

Where can I find resources or communities to learn more about open relationships?

You can explore books, online forums, podcasts, and support groups dedicated to non-monogamy and open relationships. Websites like Polyamory.com and Reddit communities offer valuable insights and experiences.

****Navigating the Desire: Understanding “I Want an Open Relationship”****

i want an open relationship—a phrase that encapsulates a growing trend in the landscape of modern romantic connections. As societal norms evolve and traditional paradigms of monogamy are increasingly questioned, more individuals are exploring the dynamics of open relationships as a viable alternative. This desire reflects a complex interplay of personal freedom, emotional needs, and shifting cultural attitudes toward intimacy and commitment.

In this article, we will explore the multifaceted aspects of wanting an open relationship by examining the motivations behind this choice, the challenges it presents, and the key factors to consider when contemplating this type of arrangement. Through a professional and analytical lens, we aim to provide a comprehensive understanding of what it means to pursue openness in romantic partnerships.

Understanding the Motivation Behind “I Want an Open Relationship”

The desire for an open relationship often stems from a variety of emotional and psychological factors. For some, it represents a quest for greater personal freedom within an intimate connection, while for others, it is about fulfilling unmet needs that a single partner cannot satisfy. Studies in relationship psychology suggest that approximately 4-5% of American adults are currently engaged in consensually non-monogamous relationships, a figure that has seen steady growth over recent decades.

Individuals expressing “I want an open relationship” may be influenced by:

- ****A need for autonomy:**** Seeking to maintain individuality and independence within a romantic context.
- ****Desire for varied intimacy:**** Wanting to explore different types of emotional or physical connections without the constraints of exclusivity.
- ****Dissatisfaction with monogamy:**** Experiencing limitations or challenges in traditional monogamous setups.
- ****Cultural and generational shifts:**** Younger generations often display more openness to alternative relationship models.

These motivations are not mutually exclusive and often overlap, reflecting a nuanced approach to how people conceptualize love and commitment today.

Defining Open Relationships and How They Differ from Other Forms

An open relationship is broadly defined as a romantic partnership where both individuals agree to engage in sexual or emotional connections with others outside of their primary relationship. This contrasts with polyamory, which typically involves multiple committed relationships simultaneously, and swinging, which focuses primarily on recreational sexual encounters.

Key features that distinguish open relationships include:

- **Mutual consent:** Both partners agree on the parameters of openness.
- **Communication:** Ongoing dialogue about boundaries, feelings, and experiences.
- **Flexibility:** Customizable rules that can evolve over time.

Understanding these distinctions is crucial for anyone considering the transition from monogamy to an open dynamic.

Challenges and Considerations When Pursuing an Open Relationship

While the phrase “I want an open relationship” often carries connotations of freedom and exploration, it is important to acknowledge the complexities involved. Open relationships require a high level of emotional intelligence, trust, and communication skills. Without these, the risks of jealousy, insecurity, and misunderstandings can increase significantly.

Communication and Trust

Effective communication is the cornerstone of any successful relationship, but it becomes even more critical in open arrangements. Partners must be willing to discuss their feelings openly and honestly, including discomfort or changes in boundaries. Trust is equally essential, as each person must feel secure that their primary relationship will not be undermined by external connections.

Jealousy and Emotional Management

Jealousy remains one of the most cited concerns among those considering open relationships. Contrary to popular belief, jealousy does not disappear simply because a relationship is non-monogamous. Instead, partners need to develop strategies for managing jealousy constructively, such as:

1. Recognizing triggers and discussing them openly.
2. Reaffirming commitment to the primary partnership.
3. Setting clear guidelines about what is acceptable.

Addressing these emotions proactively can help maintain relational stability.

Health and Safety Considerations

Engaging with multiple partners introduces practical considerations related to sexual health. Consistent use of protection, regular testing for sexually transmitted infections (STIs), and transparent communication about health status are essential components of responsible open relationships.

Pros and Cons: Evaluating the Impact of Open Relationships

Deciding to pursue an open relationship is a significant choice that can bring both benefits and challenges. A balanced view helps individuals and couples make informed decisions that align with their values and emotional needs.

Advantages

- **Personal growth:** Opportunities to explore identity and desires.
- **Reduced pressure:** Less expectation to fulfill all emotional or physical needs from one partner.
- **Enhanced communication:** Necessity of transparent dialogue can improve overall relationship quality.
- **Flexibility:** Customizable relationship structures that suit individual preferences.

Disadvantages

- **Complex dynamics:** Managing multiple relationships can be emotionally and logistically challenging.
- **Potential for jealousy:** Emotional discomfort requires careful management.
- **Social stigma:** Open relationships may face misunderstanding or judgment from others.
- **Risk of relationship strain:** Without clear boundaries, primary partnerships may suffer.

Steps to Take When Expressing “I Want an Open Relationship”

For those seriously contemplating this shift, approaching the topic thoughtfully is crucial. Here are practical steps to consider:

1. **Self-reflection:** Understand your motivations, expectations, and boundaries.
2. **Initiate open dialogue:** Discuss your desires honestly with your partner.
3. **Set clear agreements:** Define what openness means for both parties.
4. **Establish communication routines:** Regular check-ins to reassess feelings and boundaries.
5. **Consider professional guidance:** Relationship counseling can facilitate smoother transitions.

Approaching the conversation with empathy and patience increases the likelihood of a constructive outcome.

The Role of Technology and Communities

The rise of digital platforms has facilitated the exploration of open relationships by providing access to communities, resources, and dating apps tailored to non-monogamous individuals. These technologies offer support networks and education, helping people better understand the dynamics involved.

However, they also introduce challenges related to privacy and the potential for miscommunication. Navigating these tools with care is advisable.

Exploring the statement “I want an open relationship” reveals a dynamic and evolving landscape of modern intimacy. As cultural perceptions continue to shift, more people are redefining what commitment and love can look like. Whether motivated by personal growth, dissatisfaction with

monogamy, or a desire for varied experiences, pursuing an open relationship demands intentionality, communication, and respect. The journey is unique for each individual, underscoring the importance of thoughtful consideration and openness to ongoing learning.

i want an open relationship: Open Relationships Sanjay Agarwala, 2023-05-19 About the Book Love has always been a complex and ever-evolving journey. It has the power to uplift, transform, and challenge us in unexpected ways. In today's society, relationships are evolving beyond the traditional norms and individuals are embracing alternative paths to love and connection. Open relationships, once considered taboo, are now a topic of curiosity and interest for many. It is with great pleasure and excitement that I present to you my latest book, Open Relationships: Honoring Boundaries and Freedom. In this book, I want to explore the concept of open relationships and delve into the intricacies that arise when individuals choose to honor their own boundaries while seeking the freedom to connect with others. Drawing inspiration from the compelling love story of Vicky and Riya, I will take you on a captivating journey — from a chance encounter on a train to the depths of their open relationship and their eventual marriage. Chapter by chapter, we will embark on a comprehensive exploration of the benefits and challenges inherent in open relationships. We will delve into the intricacies of understanding boundaries, building trust and nurturing emotional intimacy. We will discuss the importance of sexual safety and explore ways to navigate jealousy and insecurity that may arise within open relationships. Furthermore, we will explore the concept of long-term commitment within the context of an open relationship. We will shed light on the evolving nature of relationships and offer insights into the future perspectives of these unique unions. By delving into Vicky and Riya's love story, we will gain a deeper understanding of the complexities and nuances that come with embracing an open relationship. Through their experiences, triumphs and challenges, we will find inspiration, guidance and practical advice for anyone seeking to embark on a similar path. Open relationships can be a source of personal growth, freedom, and fulfillment, but they require a commitment to honesty, communication and respect. This book aims to serve as a guide for individuals navigating the uncharted territories of open relationships, offering support and insights to help them create loving and meaningful connections while honoring their boundaries.

i want an open relationship: The Ethical Slut: A Practical Guide to Polyamory, Open Relationships, and Other Adventures Jamie Hall, 2025-06-20 Tired of the Same Old Story About Love and Relationships? The Ethical Slut is more than just a book; it's a roadmap to creating fulfilling and ethical relationships that align with your values and desires.

i want an open relationship: My Billionaire Husband Wants An Open Marriage Anna Kendra, 2025-07-03 "What do you do when the love of your life wants to love someone else?" "I want an open marriage. I want sex. And I just can't do that with you anymore." "How can you do this to me, Tristan? After everything?" Sophia's heart breaks when her husband, Tristan, pushes for an open marriage after twelve years, saying her life as a housewife and mom has killed their spark. Desperate to hold their twelve-year bond together, Sophia reluctantly agrees. Worse than the open marriage is how swiftly Tristan dives into the dating pool, blatantly violating their agreed boundaries. Hurt and angry, Sophia escapes to her art school, where she meets Nathaniel Synclair, a charming new sponsor who lights a fire in her. They talk, and Nathaniel suggests a wild idea: he'll pretend to be her fake lover to get back at her husband's double standards. Caught in a love triangle between her broken marriage and Nathaniel's pull, Sophia hesitates, sparking a mix of want, lies, and truth that shakes up all she knows about love, trust, and who she really is. "And if you're open to it, I'd like to be that someone for real—even if it means playing the fake lover in your open marriage. What do you say?" Note: A must-read for fans of billionaire romance, love triangles, open marriage, fake relationships, emotional drama, contemporary romance, and betrayal and trust. Book 1/4 of a Love Triangle Billionaire Romance Series. (Exclusive Copyright owned by WhosNovel)

i want an open relationship: My Husband Wants an Open Marriage Elysian Sparrow, 2024-12-03 Luke turns back to me, giving me a quick, teasing once-over. "You're sweaty." "Yeah, I burned some calories." He smirks, his hand brushing up and down my waist. "Would you like to burn some more?" I laugh, shoving him playfully. "Oh, please." ***** Julie's life is finally falling into place. She's found Luke—a man who makes her laugh, refreshes her, and makes her believe that she deserve everything better. But, just when she's beginning to believe in love again... The universe must truly hate me. It's like every time I find joy, Ryan's always there to ruin it. "You both will pay," he says. "You've started a war with me." Julie doesn't flinch. "You think you can win a war against me? Well, game on, Ryan." She wants a divorce and let Ryan get out of her house with his mistress and their baby! Wait, is the baby even Ryan's? ***** Julie stands strong, determined to put her past behind her, but Luke reveals a secret that shakes her to the core. "It's... the fifth anniversary of my son's death." I freeze. Luke had a son. And he died. How did I not know this?

i want an open relationship: My Husband Wants An Open Marriage 1 Elysian Sparrow, 2024-12-06 It's true what they say about marriage: one partner's always happier than the other. ~~~ Julie's world is shattered when her husband, Ryan, reveals that he wants an open marriage. His reason: he needs a child as they've been unable to have one. Julie reluctantly agrees to save her marriage. The next day, Ryan returns home with his secretary, confirming Julie's long-held suspicion that their affair was taking place behind her back. Julie, heartbroken and enraged, seeks solace in a bar, where she meets a fascinating stranger named Luke, who changes the game. Julie confides in Luke over drinks, and he proposes a risky plan: he will act as her boyfriend to turn the tables on Ryan. Julie agrees, setting off a chain of events that will challenge everything she thought she knew about love, loyalty, and herself. *** Chapter 1 PDA ~~Julie~~ My husband, Ryan, is standing on the karaoke stage, making a fool of himself. His shirt is unbuttoned halfway, his tie long abandoned, and his cheeks are flushed from too much whiskey. "And I.....will always love you....." he sings, closing his eyes. His voice is terrible. Standing next to him, practically glued to his side, is his secretary, Emily. *** This is Book One of the series.

i want an open relationship: Open Marriage Nena O'Neill, George O'Neill, 1984-03-01 The classic that revolutionized the way Americans see marriage. Sold more than 35 million copies and translated into 14 languages.

i want an open relationship: Summary of Susan Wenzel's A Happy Life in an Open Relationship Everest Media,, 2022-04-30T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Research shows that 20 million American couples are in sexless marriages and relationships. Many other couples decide to stay together even though they are not happy in their monogamous marriage, because of financial reasons, family unity, or religious values. #2 Consensual nonmonogamy is a relationship between two people who agree to have sexual or romantic relationships with other people. It is the opposite of monogamy, which describes relationships between two people who agree to sexual and romantic exclusivity. #3 CNM relationships can occur between any two people, regardless of their gender or sexual orientation. They typically involve an open relationship, wherein a couple decides to include experiences with other people for sexual pleasure. #4 In the polyamorous community, I would be considered a bipoly, or someone who is both bisexual and polyamorous.

i want an open relationship: More: A Memoir of Open Marriage Molly Roden Winter, 2025-01-14 An intimate memoir of love, desire, and personal growth that follows a happily married mother as she explores sex and relationships outside her marriage. This story is a balm for those with unmet yearnings and a triumph for those who have made their own first steps toward getting MORE out of life.—Christie Tate, bestselling author of *Group* and *BFF* Molly Roden Winter was a mother of small children with a husband, Stewart, who often worked late. One night when Stewart missed the kids' bedtime—again—she stormed out of the house to clear her head. At a bar, she met Matt, a flirtatious younger man. When Molly told her husband that Matt had asked her out, she was surprised that Stewart encouraged her to accept. So began Molly's unexpected open marriage and, with it, a life-changing journey of self-discovery. Molly signs up for dating sites, enters into passionate flings, and has sex in hotels and public places around New York City. For Molly it's a mystery why she wants what she wants. In therapy sessions, fueled by the discovery that her parents had an open marriage, too, she grapples with her past and what it means to be a mother and a whole person. Molly and Stewart, who also begins to see other people, set ground rules: Don't date an ex. Don't date someone in the neighborhood. Don't go to anyone's home. And above all, don't fall in love. In the years that follow, they break most of their rules, even the most important one. They grapple with jealousy, insecurity, and doubts, all the while wondering: Can they love others and stay true to their love for each other? Can they make the impossible work? *More* is an electric debut that offers both steamy fun and poignant reflections on motherhood, daughterhood, marriage, and self-fulfillment. With warmth, humor, and style, Molly Roden Winter delivers an unputdownable journey of a woman becoming her most authentic self.

i want an open relationship: Out , 1999-02 *Out* is a fashion, style, celebrity and opinion magazine for the modern gay man.

i want an open relationship: Love In Abundance Second Edition Kathy Labriola, 2024-11-01 Beyond the basics of polyamory lies a complex web of negotiations, agreements, pitfalls and rewards. Kathy Labriola, a relationships counselor who has worked for many years with singles, couples and groups in polyamorous and open relationships, sets forth some of the realities of alternative lifestyles: dealing with some of the common relationship-disrupters, managing jealousy, choosing compatible partners, combining BDSM with polyamory, distinguishing between sex addiction and polyamory, and much more.

i want an open relationship: Open Content Licensing Brian Fitzgerald, 2007-03-01 *Open Content Licensing: Cultivating the Creative Commons* brings together papers from some of the most prominent thinkers of our time on the internet, law and the importance of open content licensing in the digital age.

i want an open relationship: Opening Up Tristan Taormino, 2008-05-05 Relationship expert and bestselling author Tristan Taormino offers a bold new strategy for creating loving, lasting relationships. Drawing on in-depth interviews with over a hundred women and men, Opening Up explores the real-life benefits and challenges of all styles of open relationships — from partnered non-monogamy to solo polyamory. With her refreshingly down-to-earth style and sharp wit, Taormino offers solutions for making an open relationship work, including tips on dealing with jealousy, negotiating boundaries, finding community, parenting and time management. Opening Up will change the way you think about intimacy.

i want an open relationship: The Open-Hearted Way to Open Adoption Lori Holden, 2013-03-28 Prior to 1990, fewer than five percent of domestic infant adoptions were open. In 2012, ninety percent or more of adoption agencies are recommending open adoption. Yet these agencies do not often or adequately prepare either adopting parents or birth parents for the road ahead of them! The adult parties in open adoptions are left floundering. There are many resources on why to do open adoption, but what about how? Open adoption isn't just something parents do when they exchange photos, send emails, share a visit. It's a lifestyle that may feel intrusive at times, be difficult or inconvenient at other times. Tensions can arise even in the best of circumstances. But knowing how to handle these situations and how to continue to make arrangements work for the child involved is paramount. This book offers readers the tools and the insight to do just that. It covers common open-adoption situations and how real families have navigated typical issues successfully. Like all useful parenting books, it provides parents with the tools to come to answers on their own, and answers questions that might not yet have come up. Through their own stories and those of other families of open adoption, Lori and Crystal review the secrets to success, the pitfalls and challenges, the joys and triumphs. By putting the adopted child at the center, families can come to enjoy the benefits of open adoption and mitigate the challenges that may arise. More than a

how-to, this book shares a mindset, a heartset, that can be learned and internalized, so parents can choose to act out of love and honesty throughout their child's growing up years, helping that child to grow up whole.

i want an open relationship: *Relationally Queer* Silva Neves, Dominic Davies, 2023-04-10 *Relationally Queer* explores diverse intimate relationship styles and the connections with self for clinicians interested in gender, sex and relationship diversity. Offering readers a more inclusive and queer-friendly way of thinking about relationships, the book covers a range of topics that include intersectionality, consensual non-monogamy, working with shame, intimate partner violence, religious identities, and living with HIV. Exploring beyond a Eurocentric perspective, the book features a chapter on African-centred therapy and also includes the relationships of often erased populations such as bisexual people, sex workers, people with chronic health issues and trans people. The book will help psychosexual and relationship therapists, counsellors and psychologists who work with clients of diverse genders, sexualities and relationships.

i want an open relationship: *The Gay Man's Guide to Open and Monogamous Marriage* Michael Dale Kimmel, 2017-06-09 Legal gay marriage is still a relatively new phenomenon. As gay men who are now able to get married, we find ourselves in a bit of a quandary: for many male couples, sex is a lot more important for us than it is for heterosexuals. Two married men often have a stronger desire for sex - wanting more of it and with a wider variety of partners - than married opposite-sex couples. How does this work within the structure of a monogamous marriage? Is an open relationship a better structure for gay marriage? Assuming that gay marriages will emulate heterosexual marriages is neither a valid nor a helpful assumption. But, as gay men, where does that leave us? There are currently no "rule books" for how a marriage between two men could or should work. While there are lots of books about how to plan your gay wedding, there are virtually none that address what to do after the honeymoon is over (literally and figuratively). This book fills that void. It offers married gay couples (and gay men considering marriage) an easy-to-follow, practical framework that they can use to help create, adjust and structure their marriages. Using helpful examples and first-hand quotes throughout, Openly-gay psychotherapist Michael Dale Kimmel offers a roadmap for gay men who want to be married but have questions and concerns about monogamy and monotony.

i want an open relationship: *Open* Jenny Block, 2009-02-10 Finally, a book about open marriage that grapples with the problems surrounding monogamy and fidelity in an honest, heartfelt, and non-fringe manner. Jenny Block is your average girl next door, a suburban wife and mother for whom married life never felt quite right. While many books on this topic presuppose that the reader is ready to embrace an "alternative lifestyle," Block operates from the assumption that most couples who are curious about or engaged in open marriages are in fact more like her — normal people who question whether monogamy is right for them; good people who love their spouses but want variation; capable parents who are not deviant just because they choose to be honest about their desires. *Open* challenges our notions of what traditional marriage looks like, and presents one woman's journey down an uncertain path that ultimately proves open marriage is a viable option for her and others.

i want an open relationship: *LGBTQ Clients in Therapy* Joe Kort, 2018-03-20 All the answers clinicians need to work effectively with LGBTQ clients. A therapist who treats LGBTQ clients often must be more than "gay friendly." Clinical experience, scientific research, and cultural understanding are advancing rapidly, and the task of being LGBTQ informed is ever-changing in today's world. This book covers topics such as how to avoid making the common mistake of believing that a couple is a couple, thus treating LGBTQ couples the same as their heterosexual counterparts; how to treat clients struggling in mixed orientation marriages and relationships (straight and LGBTQ spouses in the same couple); and how to work with all clients who have non-heteronormative sexual behaviors and practices. Perhaps most importantly, the book discusses covert cultural sexual abuse (the trauma suffered from having to suppress one's own sexual and gender identity) as well as the difficult process of coming out to family and friends. A therapist's job is to help clients and their

identities through their own lens and not anyone else's—especially the therapist's. The gay affirmative principles put forward in this book will help you build a stronger relationship with your LGBTQ clients and become the go-to therapist in your area.
