

author of devil in the white city

****Exploring the Life and Works of the Author of Devil in the White City****

author of devil in the white city is a phrase that instantly brings to mind a fascinating blend of history, true crime, and masterful storytelling. The man behind this compelling narrative is Erik Larson, a celebrated American author known for his ability to weave intricate historical events with gripping narrative techniques. His book, **The Devil in the White City**, captivated readers worldwide by chronicling the chilling story of the 1893 Chicago World's Fair alongside the sinister tale of serial killer H.H. Holmes.

Understanding the author's background, writing style, and other works not only enriches the reading experience but also highlights why his storytelling resonates so deeply with audiences. Let's dive into who Erik Larson is, what makes his writing so unique, and how **The Devil in the White City** became a monumental success.

Who is the Author of Devil in the White City?

Erik Larson is an accomplished journalist and author, renowned for his narrative nonfiction style. Born in 1954 in New York City, Larson developed an early fascination with history and storytelling. After earning a degree in history from Hamilton College, he embarked on a career in journalism, contributing to prestigious publications such as **The Wall Street Journal**, **The New Yorker**, and **Esquire**.

Larson's transition from journalism to writing full-length books was marked by his skill in turning complex historical events into captivating narratives. His meticulous research, combined with a flair for suspenseful prose, has earned him both critical acclaim and a loyal reader base.

The Journey to Becoming a Bestselling Author

Before the success of **The Devil in the White City**, Erik Larson honed his narrative skills through years of reporting and writing shorter nonfiction pieces. His background in investigative journalism helped him develop an eye for detail and an ability to present factual information in a compelling way.

Larson's breakthrough came with his earlier books, which explored intriguing historical events through a thriller-like lens. This set the stage for what would become his signature style—bringing history alive with vivid characters, dramatic tension, and immersive settings.

The Making of **The Devil in the White City**

When exploring the author of **Devil in the White City**, it's impossible to ignore the immense research and creativity that went into the book. Published in 2003, the book is a dual narrative that

intertwines two distinct stories from 1893 Chicago: the ambitious construction of the World's Columbian Exposition (the Chicago World's Fair) and the horrifying crimes of H.H. Holmes, America's first known serial killer.

Research and Historical Accuracy

Erik Larson spent years digging through archives, newspapers, and historical records to reconstruct the events of the 1893 World's Fair and the sinister activities of Holmes. His journalistic dedication ensured the book's rich factual foundation, but what truly sets it apart is how he crafted these facts into an engaging narrative.

His ability to humanize historical figures, from the visionary architect Daniel Burnham to the twisted mind of Holmes, creates a vivid, almost cinematic experience. The book reads like a thriller, yet is grounded firmly in historical truth—a balance that requires immense skill and discipline.

Why the Book Resonates with Readers

The appeal of *The Devil in the White City* lies in its unique structure and storytelling approach. Larson doesn't just recount history; he immerses readers in the sights, sounds, and tension of the era. The juxtaposition of the World's Fair's grandeur against the dark underbelly of Holmes' crimes creates a gripping contrast that keeps readers hooked.

This dual narrative structure, combined with meticulous historical detail, has made the book a favorite among fans of true crime, history, and narrative nonfiction, helping to cement Erik Larson's reputation as a master storyteller.

Other Notable Works by the Author of Devil in the White City

Erik Larson's talent extends beyond *The Devil in the White City*. His bibliography is rich with books that follow a similar formula—historical events told with the tension and pacing of a thriller. Readers who enjoy Larson's work often explore his other titles, which also showcase his knack for bringing history to life.

Popular Books by Erik Larson

- **Isaac's Storm** (1999) – This book tells the harrowing story of the 1900 Galveston hurricane through the perspective of meteorologist Isaac Cline, highlighting human vulnerability against nature's fury.
- **In the Garden of Beasts** (2011) – A gripping account of the American ambassador to Nazi

Germany in the 1930s and his family's experiences as Hitler rises to power.

- **Thunderstruck** (2006) – A dual narrative focusing on the invention of the wireless telegraph and a murder case connected to it in early 20th-century England.
- **Dead Wake** (2015) – A dramatic retelling of the sinking of the Lusitania during World War I, blending political intrigue and personal stories.

Each of these works reflects Larson's signature style: blending historical detail, suspense, and vivid character portraits to engage readers deeply.

Writing Style and Unique Approach of the Author of Devil in the White City

One of the standout features of Erik Larson's writing is his ability to transform dense historical research into narratives that feel fresh and thrilling. Unlike traditional history books that can sometimes feel dry or overly academic, Larson's prose is accessible and cinematic.

Balancing Fact and Narrative

A major challenge for any author of historical nonfiction is maintaining factual accuracy without sacrificing storytelling. Larson accomplishes this by focusing on character-driven narratives. He crafts scenes that allow readers to experience history through the eyes of real people, making events more relatable and emotionally impactful.

Building Suspense in Nonfiction

Larson employs techniques usually found in fiction, such as cliffhangers, detailed settings, and pacing that escalates tension. This approach helps hold readers' attention, even when the subject matter is complex or unfamiliar.

Lessons from Erik Larson's Writing

For aspiring writers or history enthusiasts looking to tell compelling stories, studying the author of *Devil in the White City* offers valuable insights:

- **Use vivid, sensory details** to bring historical settings to life.
- **Focus on personal stories** within larger events to create emotional connections.
- **Structure narratives with suspense and pacing** to keep readers engaged.
- **Maintain rigorous research** to ensure accuracy and credibility.

The Impact and Legacy of *The Devil in the White City*

Since its publication, *The Devil in the White City* has had a significant cultural impact. It introduced a wide audience to a pivotal moment in American history, blending education with entertainment in a way that few history books manage.

Adaptations and Popular Culture

The book's popularity has led to multiple adaptation attempts, including plans for a television series and film projects. Although these have faced delays, the ongoing interest speaks to the enduring appeal of Larson's story.

Influence on True Crime and Narrative Nonfiction Genres

Larson's work helped popularize a subgenre of nonfiction that combines meticulous research with narrative techniques borrowed from fiction. Many contemporary authors cite him as an influence, and readers continue to seek out books that offer similarly immersive experiences.

Erik Larson, the author of *Devil in the White City*, remains a towering figure in the realm of narrative nonfiction. His ability to breathe life into history's forgotten corners invites readers not only to learn but to experience the past in all its complexity and drama. For anyone curious about the fascinating intersection of history, crime, and storytelling, exploring Larson's work offers a rewarding journey into the art of nonfiction narrative.

The Author of Devil in the White City: Unveiling Erik Larson's Mastery of Historical Narrative

author of devil in the white city is a phrase that immediately directs attention to Erik Larson, a celebrated American journalist and author renowned for his skillful blending of historical fact with compelling narrative storytelling. Larson's book, "The Devil in the White City: Murder, Magic, and Madness at the Fair That Changed America," published in 2003, stands as a testament to his unique ability to breathe life into history, making it accessible and thrilling to a broad readership. This article explores the background, literary style, and impact of the author of Devil in the White City, delving into why Larson's work continues to captivate audiences and influence the genre of narrative nonfiction.

Erik Larson: Background and Literary Journey

Erik Larson's path to becoming a prominent author was shaped by a combination of journalistic rigor and a passion for history. Born in 1954, Larson pursued journalism and initially worked as a reporter and editor for various magazines, including *The Wall Street Journal* and *Time*. His journalistic training is evident in the meticulous research and attention to detail that characterize his books. Unlike traditional historians who may focus heavily on academic analysis, Larson approaches history with a storyteller's eye, weaving together facts with narrative techniques that engage readers emotionally and intellectually.

The author of *Devil in the White City* has written several other bestselling nonfiction books, such as *"Isaac's Storm," "In the Garden of Beasts,"* and *"Dead Wake."* Each work reflects his commitment to uncovering the human stories behind historical events, elevating lesser-known episodes or perspectives through vivid descriptions and character-driven narratives. This approach has not only garnered critical acclaim but has also expanded the audience for historical nonfiction.

Research Methodology and Narrative Style

One of the defining features of Erik Larson's writing is his exhaustive research process. For *"The Devil in the White City,"* Larson spent years poring over archives, newspapers, and personal accounts from the 1893 Chicago World's Fair. This extensive research enabled him to reconstruct not only the grand architectural achievements of the fair but also the dark undercurrents embodied by serial killer H.H. Holmes, who used the fair as a cover for his crimes.

Larson's narrative style is characterized by alternating storylines that build suspense and contrast themes. In *Devil in the White City*, he juxtaposes the ambitious architects and planners striving to create a world's fair emblematic of progress and innovation with the sinister activities of Holmes. This technique enhances the book's readability and maintains a rhythm that appeals to both history enthusiasts and general readers. The author's ability to humanize historical figures, highlighting their motivations and flaws, further enriches the narrative.

The Impact and Legacy of Devil in the White City

Since its publication, *"The Devil in the White City"* has become a benchmark in narrative nonfiction, influencing how history is presented in popular literature. The book's commercial success and critical reception underscore the effectiveness of Erik Larson's approach. It spent considerable time on *The New York Times* bestseller list and has been translated into numerous languages, reflecting its international appeal.

Adaptations and Cultural Influence

The author of *Devil in the White City* has seen his work extend beyond the printed page. The book has inspired various adaptations, including a long-anticipated Hulu television series produced by Leonardo DiCaprio and Martin Scorsese, which aims to bring Larson's vivid historical world to life visually. Such adaptations highlight the enduring fascination with the themes Larson explores: the interplay between human ambition, technological progress, and moral darkness.

Moreover, *Devil in the White City* has influenced other writers and creators within the true crime and historical genres. Larson's blending of detailed historical research with narrative tension set a new standard, encouraging authors to adopt similar methods to appeal to a broader audience without sacrificing factual integrity.

Strengths and Criticisms of Larson's Work

While the author of *Devil in the White City* is widely praised, it is also valuable to consider critiques to fully understand his literary footprint. Among the strengths of Larson's work are:

- Meticulous attention to historical detail, ensuring accuracy and authenticity.
- Engaging storytelling that maintains reader interest through pacing and character development.
- Ability to connect historical events with broader cultural and societal themes.

However, some critics argue that Larson's narrative sometimes prioritizes drama over depth, potentially oversimplifying complex historical contexts. Others note that his focus on individual personalities may overshadow larger systemic factors. Despite such critiques, these aspects do not diminish the overall contribution of the author of *Devil in the White City* to popular history writing.

Erik Larson's Place in Contemporary Historical Nonfiction

Erik Larson's success with *Devil in the White City* helped catalyze a resurgence of interest in narrative nonfiction, particularly works that explore dark or complex episodes of history through a literary lens. His style has inspired a wave of authors who seek to blend rigorous research with compelling storytelling, appealing not only to academics but also to everyday readers.

In today's literary landscape, where true crime and historical narratives often intersect, Larson's model serves as a blueprint for balancing factual accuracy with narrative engagement. His ability to illuminate the human dimension behind historical events challenges the stereotype of history as dry or inaccessible, making it relevant for contemporary audiences.

The Author's Continued Influence and Future Projects

Erik Larson continues to write and publish, maintaining his reputation as a leading figure in historical nonfiction. His ongoing work promises to explore new aspects of history with the same investigative diligence and narrative flair that made *Devil in the White City* a standout. For readers and scholars alike, Larson's career offers a compelling example of how the past can be retold with vitality and insight.

In summary, the author of *Devil in the White City*, Erik Larson, represents a significant force in modern nonfiction writing. His ability to fuse detailed historical research with captivating storytelling has not only brought a pivotal moment in American history to life but also reshaped the expectations for historical literature. As his work continues to reach new audiences through books and screen adaptations, Larson's influence on the genre remains profound and enduring.

author of devil in the white city: *The Devil in the White City* Erik Larson, 2004 Author Erik Larson tells the stories of two men: Daniel H. Burnham, the architect responsible for the construction of the 1893 Chicago World's Fair, and H.H. Holmes, a serial killer masquerading as a charming doctor. For mature readers.

author of devil in the white city: *The Devil in the White City* Erik Larson, 2003 An account of the Chicago World's Fair of 1893 relates the stories of two men who shaped the history of the event--architect Daniel H. Burnham, who coordinated its construction, and serial killer Herman Mudgett.

author of devil in the white city: *The Devil In The White City* Erik Larson, 2010-09-30 'An irresistible page-turner that reads like the most compelling, sleep defying fiction' TIME OUT One was an architect. The other a serial killer. This is the incredible story of these two men and their realization of the Chicago World's Fair of 1893, and its amazing 'White City'; one of the wonders of the world. The architect was Daniel H. Burnham, the driving force behind the White City, the massive, visionary landscape of white buildings set in a wonderland of canals and gardens. The killer was H. H. Holmes, a handsome doctor with striking blue eyes. He used the attraction of the great fair - and his own devilish charms - to lure scores of young women to their deaths. While Burnham overcame politics, infighting, personality clashes and Chicago's infamous weather to transform the swamps of Jackson Park into the greatest show on Earth, Holmes built his own edifice just west of the fairground. He called it the World's Fair Hotel. In reality it was a torture palace, a gas chamber, a crematorium. These two disparate but driven men are brought to life in this mesmerizing, murderous tale of the legendary Fair that transformed America and set it on course for the twentieth century . . .

author of devil in the white city: *The Cloven: Book One* Garth Stein, 2020-07-28 From Garth Stein, the author of the #1 bestseller *The Art of Racing in the Rain*, and Matthew Southworth, the co-creator of *Stumptown* come a raucously funny and fast-moving series of graphic novels. James Tucker is the most successful Genetically Modified Human Organism ever created. Half-man, half-goat, Tuck's story unfurls like an action-packed fever dream spanning the Pacific Northwest, from a homeless encampment to a secret sanctuary in the woods where elites perform ritual goat sacrifices. *The Cloven Book One* features a special full-color four page fold-out spread.

author of devil in the white city: *Murdering the President* Fred Rosen, 2016 Shortly after being elected president of the United States, James Garfield was shot by Charles Guiteau. But contrary to what is written in most history books, Garfield didn't linger and die. He survived. Alexander Graham Bell raced against time to invent the world's first metal detector to locate the bullet in Garfield's body so that doctors could safely operate. Despite Bell's efforts to save Garfield,

however, and as never before fully revealed, the interventions of Garfield's friend and doctor, Dr. D. W. Bliss, brought about the demise of the nation's twentieth president. But why would a medical doctor engage in such monstrous behavior? Did politics, petty jealousy, or failed aspirations spark the fire inside Bliss that led him down the path of homicide? Rosen proves how depraved indifference to human life--second-degree murder--rather than ineptitude led to Garfield's drawn-out and painful death. Now, more than one hundred years later, historian and homicide investigator Fred Rosen reveals through newly accessed documents and Bell's own correspondence the long list of Bliss's criminal acts and malevolent motives that led to his murder of the president.

author of devil in the white city: The Devil in the White City Abookaday, 2016-07-28

Warning: This is an independent addition to The Devil in the White City, meant to enhance your experience of the original book. If you have not yet bought the original copy, make sure to purchase it before buying this unofficial summary from aBookaDay. The Devil in the White City: Murder, Magic, and Madness at the Fair that Changed America by Erik Larson, published in 2002, is an historical work centered on the Chicago World's Fair of 1893. More specifically, the focus of the author centers on two men and their accomplishments during this pivotal moment in the history of America's new modern era. The first is the chief architect of the fair, Daniel Burnham, whose vision shaped the fair, and by extension, the architectural aesthetic of modern cities more broadly speaking for the generations that followed. His story is one of the power of creation fueled by persistence in the face of obstacles. The second focus of the book is America's first known serial killer, Dr. H. H. Holmes, whose acts of evil during the time of the World's Fair would manifest a destructive power that lived in the shadows of metropolitan anonymity. This review offers a detailed summary of the main themes raised in this historical work. In general the summary follows the structure of the book, which is largely presented in chronological order, alternating between the main historical figures central to the story. However, parts of the summary are presented in an order that deviates slightly from that of the book in order to preserve the continuity and readability of the facts presented. The summary is followed by an analysis. Larson is both an accomplished journalist and historical novelist. He has written four New York Times bestselling books. He has written for The Wall Street Journal and Time Magazine as a staff journalist. He has been a contributing author to The Atlantic, Harper's, and The New Yorker. His academic background includes a bachelors in Russian history, language and culture from the University of Pennsylvania, and a Masters in journalism from Columbia University. Available on PC, Mac, smart phone, tablet or Kindle device. (c) 2015 All Rights Reserved

author of devil in the white city: Author Fictions Ingo Berensmeyer, 2023-10-04 Fictional novelists and other author characters have been a staple of novels and stories from the early nineteenth century onwards. What is it that attracts authors to representing their own kind in fiction? Author Fictions addresses this question from a theoretical and historical perspective. Narrative representations of literary authorship not only reflect the aesthetic convictions and social conditions of their actual authors or their time; they also take an active part in negotiating and shaping these conditions. The book unfolds the history of such 'author fictions' in European and North American texts since the early nineteenth century as a literary history of literary authorship, ranging from the Victorian bildungsroman to contemporary autofiction. It combines rhetorical and sociological approaches to answer the question how literature makes authors. Identifying 'author fictions' as narratives that address the fragile material conditions of literary creation in the actual and symbolic economies of production, Ingo Berensmeyer explores how these texts elaborate and manipulate concepts and models of authorship. This book will be relevant to English, American and comparative literary studies and to anyone interested in the topic of literary authorship.

author of devil in the white city: Haunts of the White City Ursula Bielski, 2020-07-31 The author of Chicago Haunts explores historical reports of ghosts, the curse of H.H. Holmes, and other dark tales from the Windy City. At the close of the nineteenth century, Chicago offered the world a glimpse of humanity's most breathtaking possibilities—and its most jaw-dropping horrors. Even as the White City emerged from the ashes of the Great Fire, serial killers like H.H. Holmes stalked the sparkling new boulevards and tragic accidents plagued the factories, slums and railroads that powered the churn of industrial innovation. In other words, amid the city's shining achievements, there were a lot of ghosts. Demons, mesmerists and birds of ill omen preyed on the unwary from the shadows. Ship captains spoke to the dead, while undertakers discovered reanimated corpses no longer requiring services. From posh mansions built on massacre grounds to the drowned quarries of a forest preserve, Chicago historian Ursula Bielski reveals the many hauntings and unexplained phenomena hidden within the Second City.

author of devil in the white city: The Shadow of Triumph Pasquale De Marco, 2025-05-08
The Shadow of Triumph is the definitive account of Scotland's Wars of Independence and the heroic figures who fought to secure the nation's freedom. At the heart of the story is James Douglas, one of Scotland's most beloved knights. A man of honor and courage, Douglas dedicated his life to fighting for his country's independence. Along the way, he inspired countless others to join the cause, including Eleanora Lovaine Douglas, a widow who vowed to avenge her husband's death and continue the fight for Scotland. Together, Douglas and Eleanora played a pivotal role in securing Scotland's independence. They fought alongside Robert the Bruce at the Battle of Bannockburn, a turning point in the Wars of Independence. And they continued to fight even after Bruce's death, leading the Scottish people to victory against the English. The Shadow of Triumph is more than just a story about war and politics. It is a story about the human spirit and the power of resilience. It is a story about the people who fought for their freedom and the sacrifices they made along the way. In the pages of this book, you will meet a cast of unforgettable characters, from the brave warriors who fought on the front lines to the women who supported them from home. You will witness the horrors of war and the triumphs of the human spirit. And you will come to understand the true meaning of freedom. The Shadow of Triumph is a book that will stay with you long after you finish reading it. It is a book that will inspire you, uplift you, and make you proud to be a Scot. **Praise for The Shadow of Triumph** A gripping account of one of the most important periods in Scottish history. Pasquale De Marco brings the story to life with vivid detail and unforgettable characters. - **Andrew Roberts, author of *The Storm of War** A must-read for anyone interested in Scottish history or the human

spirit. The Shadow of Triumph is a powerful and inspiring story that will stay with you long after you finish reading it. - **Candace Millard, author of *The River of Doubt** A masterpiece of historical storytelling. Pasquale De Marco has written a book that is both informative and deeply moving. The Shadow of Triumph is a must-read for anyone who loves history or a good story. - **Erik Larson, author of *The Devil in the White City** If you like this book, write a review on google books!

author of devil in the white city: The Vanishing Velázquez Laura Cumming, 2016-11-08 From one of the world's most expert art critics, the incredible true story--part art history and part mystery--of a Velázquez portrait that went missing and the obsessed nineteenth-century bookseller determined to prove he had found it. When John Snare, a nineteenth-century provincial bookseller, traveled to a liquidation auction, he stumbled on a vivid portrait of King Charles I that defied any explanation. The Charles of the painting was young--too young to be king--and yet also too young to be painted by the Flemish painter to which the work was attributed. Snare had found something incredible--but what? His research brought him to Diego Velázquez, whose long-lost portrait of Prince Charles has eluded art experts for generations. Velázquez (1599-1660) was the official painter of the Madrid court, during the time the Spanish Empire teetered on the edge of collapse. When Prince Charles of England--a man wealthy enough to help turn Spain's fortunes--ventured to the court to propose a marriage with a Spanish princess, he allowed just a few hours to sit for his portrait. Snare believed only Velázquez could have met this challenge. But in making his theory public, Snare was ostracized, victim to aristocrats and critics who accused him of fraud, and forced to choose, like Velázquez himself, between art and family. A thrilling investigation into the complex meaning of authenticity and the unshakable determination that drives both artists and collectors of their work, The Vanishing Velázquez travels from extravagant Spanish courts in the 1700s to the gritty courtrooms and auction houses of nineteenth-century London and New York. But it is above all a tale of mystery and detection, of tragic mishaps and mistaken identities, of class, politics, snobbery, crime, and almost farcical accident. It is a magnificently crafted page-turner, a testimony to how and why great works of art can affect us to the point of obsession.

author of devil in the white city: The Devil in the White City: by Erik Larson | Summary & Analysis Elite Summaries, "The Devil in the White City" is a dual biography book of Daniel Hudson Burnham and Dr. H. H. Holmes. Daniel Burnham is a steadfast architect who was the reason behind the World's Fair astounding success. On the other hand, Dr. H. H. Holmes is a devilish psychopath who operated his own massacre room in a hotel that he built near to the World's Fair. The book's setting took place in the 19th century Chicago, telling a gruesome history full of thrill and suspense. p.p1 {margin: 0.0px 0.0px 10.0px 0.0px; text-align: justify; font: 11.0px 'Trebuchet MS'; color: #000000; -webkit-text-stroke: #000000} span.s1 {font-variant: none} "The Devil in the White City" is an interesting read. It is full of small details that help maintain the reader's interest. It successfully retells the history of Daniel Burnham's effort in presenting Chicago's Columbian Exhibition in 1893. The readers will also get a very vivid picture about Chicago as a city, its image and its comparison to New York and Paris as a world-class city. A complete opposite to Daniel Burnham's inspiring efforts, "The Devil in the White City" also paints a clear picture of Dr. H. H. Holmes and his cold-blooded psychopathic self. "The Devil in the White City" is a breathtaking novel with factual accounts written by bestselling author Erik Larson. This book will present you with all the thrills that the best fiction novels can give, completed with historical discoveries.

author of devil in the white city: The Allure of Immortality Lyn Millner, 2015-10-28 Wall Street Journal's Five Best Books About Cults For five days in December 1908 the body of Cyrus Teed lay in a bathtub at a beach house just south of Fort Myers, Florida. His followers, the Koreshans, waited for signs that he was coming back to life. They watched hieroglyphics emerge on his skin and observed what looked like the formation of a third arm. They saw his belly fall and rise with breath, even though his swollen tongue sealed his mouth. As his corpse turned black, they declared that their leader was transforming into the Egyptian god Horus. Teed was a charismatic and controversial guru who at the age of 30 had been illuminated by an angel in his electro-alchemical laboratory. At the turn of the twentieth century, surrounded by the marvels of the Second Industrial

Revolution, he proclaimed himself a prophet and led 200 people out of Chicago and into a new age. Or so he promised. The Koreshans settled in a mosquito-infested scrubland and set to building a communal utopia inside what they believed was a hollow earth--with humans living on the inside crust and the entire universe contained within. According to Teed's socialist and millennialist teachings, if his people practiced celibacy and focused their love on him, he would return after death and they would all become immortal. Was Teed a visionary or villain, savior or two-bit charlatan? Why did his promises and his theory of cellular cosmogony persuade so many? In *The Allure of Immortality*, Lyn Millner weaves the many bizarre strands of Teed's life and those of his followers into a riveting story of angels, conmen, angry husbands, yellow journalism, and ultimately, hope.

author of devil in the white city: *The Library Book* Susan Orlean, 2019-10-01 Susan Orlean's bestseller, New York Times Notable Book, and Reese's Book Club Pick is "a sheer delight...as rich in insight and as varied as the treasures contained on the shelves in any local library" (USA TODAY)—a dazzling love letter to a beloved institution and an investigation into one of its greatest mysteries. "Everybody who loves books should check out *The Library Book*" (The Washington Post). On the morning of April 28, 1986, a fire alarm sounded in the Los Angeles Public Library. The fire was disastrous: it reached two thousand degrees and burned for more than seven hours. By the time it was extinguished, it had consumed four hundred thousand books and damaged seven hundred thousand more. Investigators descended on the scene, but more than thirty years later, the mystery remains: Did someone purposefully set fire to the library—and if so, who? Weaving her lifelong love of books and reading into an investigation of the fire, award-winning New Yorker reporter and New York Times bestselling author Susan Orlean delivers a "delightful...reflection on the past, present, and future of libraries in America" (New York magazine) that manages to tell the broader story of libraries and librarians in a way that has never been done before. In the "exquisitely written, consistently entertaining" (The New York Times) *The Library Book*, Orlean chronicles the LAPL fire and its aftermath to showcase the larger, crucial role that libraries play in our lives; delves into the evolution of libraries; brings each department of the library to vivid life; studies arson and attempts to burn a copy of a book herself; and reexamines the case of Harry Peak, the blond-haired actor long suspected of setting fire to the LAPL more than thirty years ago. "A book lover's dream...an ambitiously researched, elegantly written book that serves as a portal into a place of history, drama, culture, and stories" (The Minnesota Star Tribune), Susan Orlean's thrilling journey through the stacks reveals how these beloved institutions provide much more than just books—and why they remain an essential part of the heart, mind, and soul of our country.

author of devil in the white city: *So, You Want to Be a Writer?* Vicki Hambleton, Cathleen Greenwood, 2012-05-01 Make those writing dreams a reality with this comprehensive guide that explains how to go from staring at an empty page to becoming a published author. Designed to inspire creative expression and help aspiring young writers achieve their dreams, *So, You Want to Be a Writer?* takes readers through the fulfilling step-by-step process of becoming a professional writer, from learning how to generate ideas to getting published and promoting their work. Aspiring writers will learn how to tackle writer's block, improve technique, approach publishers, and more. A detailed list of magazines, websites, contests, and book publishers looking for young authors will keep readers' eyes on the prize, while exclusive interviews with bestselling authors and young published writers will keep them engaged and inspired. *So, You Want to Be a Writer?* includes exclusive insights from well-known authors, such as the late Jurassic Park author Michael Crichton and fantasy author Amanda Hocking, who self-published her first novels to huge buzz. And profiles on young writers who are out there working right now—from a Vanity Fair blogger to a lyricist—give a real-time perspective to the dream profession.

author of devil in the white city: *Summary of the Devil in the White City* Elite Summaries, 2016-07-17 *The Devil in the White City*: by Erik Larson | Summary & Analysis A Smarter You In 15 Minutes... What is your time worth? *The Devil in the White City* is a dual biography book of Daniel Hudson Burnham and Dr. H. H. Holmes. Daniel Burnham is a steadfast architect who was the reason behind the World's Fair astounding success. On the other hand, Dr. H. H. Holmes is a devilish

psychopath who operated his own massacre room in a hotel that he built near to the World's Fair. The book's setting took place in the 19th century Chicago, telling a gruesome history full of thrill and suspense. The Devil in the White City is an interesting read. It is full of small details that help maintain the reader's interest. It successfully retells the history of Daniel Burnham's effort in presenting Chicago's Columbian Exhibition in 1893. The readers will also get a very vivid picture about Chicago as a city, its image and its comparison to New York and Paris as a world-class city. A complete opposite to Daniel Burnham's inspiring efforts, The Devil in the White City also paints a clear picture of Dr. H. H. Holmes and his cold-blooded psychopathic self. The Devil in the White City is a breathtaking novel with factual accounts written by bestselling author Erik Larson. This book will present you with all the thrills that the best fiction novels can give, completed with historical discoveries. Grab a copy of the Devil, and I hope you will be thrilled much while reading! author of devil in the white city: The Art of Public Writing Zachary Michael Jack, 2020-10-28 Today's professionals recognize the need to elevate written communication beyond argument-driven pedantry, political polemic, and obtuse pontification. Whether the goal is to write the next serious work of best-selling nonfiction, to develop a platform as a public scholar, or simply to craft clear and concise workplace communication, The Art of Public Writing demystifies the process, showing why it's not just nice, but necessary, to connect with those inside and outside one's area of expertise. Drawing on a diverse set of examples ranging from Charles Darwin's On the Origin of Species to Steven Levitt's Freakonomics, Zachary Michael Jack offers invaluable advice for researchers, scholars, and working professionals determined to help interpret field-specific debates for wider audiences, address complex issues in the public sphere, and successfully engage audiences beyond the Corner Office and the Ivory Tower.
