

# never been kissed

Never Been Kissed: Understanding the Experience and Embracing Your Own Timeline

**never been kissed** — it's a phrase that often carries a mixture of curiosity, anxiety, and sometimes even embarrassment. For many people, the idea of sharing that first kiss is a significant milestone, loaded with emotional weight and cultural expectations. Yet, it's important to recognize that never having kissed someone is perfectly normal, and the timing of that first kiss varies widely from person to person. Whether you're approaching this moment for the first time or simply reflecting on why it hasn't happened yet, this article explores the topic from multiple angles, shedding light on the emotional, social, and personal dimensions of the experience.

## What Does It Mean to Have Never Been Kissed?

The phrase "never been kissed" typically implies that a person hasn't experienced a romantic or intimate kiss, often the kind that symbolizes budding affection or attraction. But kissing itself is more than just a physical act; it's a form of communication, a way to express feelings without words. For some, it might be a nervous first step into the world of dating, while for others, it could be a choice shaped by personal beliefs or circumstances.

## The Cultural Weight Behind the First Kiss

In movies, books, and popular culture, the first kiss is often portrayed as a magical, life-changing event. This portrayal can create pressure, making those who have never kissed feel like they're missing out or somehow behind in life. However, these depictions tend to oversimplify real-life experiences. The truth is, there's no "right" age or situation for a first kiss; it happens when the moment feels genuine and comfortable.

## Why Some People Haven't Been Kissed Yet

Several reasons explain why someone might have never been kissed:

- **Personal choice:** Some people prioritize emotional readiness and prefer to wait for the right person or moment.
- **Lack of opportunities:** Not everyone has had the chance to engage in dating or social scenarios where a kiss might happen.
- **Shyness or social anxiety:** Feeling nervous about intimacy or social interactions can delay romantic experiences.
- **Cultural or religious values:** Certain backgrounds emphasize waiting until marriage

or a committed relationship.

- **Past experiences:** Trauma or personal setbacks might affect comfort levels with physical affection.

Understanding these factors can help normalize the experience and reduce feelings of isolation or self-doubt.

## Embracing Your Own Timeline

It's easy to get caught up in comparisons, especially with social media showcasing seemingly perfect relationships and romantic moments. However, the journey toward intimacy is deeply personal and can't be rushed or forced.

## Building Confidence Before the First Kiss

Feeling ready for a first kiss often requires a foundation of self-confidence and comfort with your own emotions. Here are some tips to help build that readiness:

1. **Focus on self-love:** Knowing and accepting yourself creates a positive mindset that attracts healthy relationships.
2. **Practice social skills:** Engaging in conversations and building friendships can ease anxiety around romantic interactions.
3. **Learn about boundaries:** Understanding your own limits and respecting others' helps create safe and enjoyable experiences.
4. **Visualize the moment:** Imagining what feels right can reduce nerves and build anticipation.

Remember, it's okay to take things slow and let the kiss happen naturally rather than trying to orchestrate it.

## When the Moment Comes: Navigating the First Kiss

The first kiss can be exciting and nerve-wracking all at once. Here are some pointers to make it a positive experience:

- **Choose the right setting:** A comfortable, private, or meaningful place helps ease

tension.

- **Pay attention to consent:** Make sure both people feel ready and willing; communication can be verbal or through body language.
- **Keep it simple:** A gentle, soft kiss is a perfect way to start without overwhelming either person.
- **Don't overthink it:** It's normal for the first kiss to be a bit awkward — that's part of the charm!

## The Emotional Impact of Never Being Kissed

Feeling like you haven't reached a typical milestone can stir up a range of emotions, from loneliness to frustration. It's important to acknowledge these feelings without letting them define your self-worth.

## Overcoming Social Stigma

The idea of "never been kissed" can sometimes be stigmatized, leading people to feel embarrassed or less desirable. Challenging these ideas involves recognizing that everyone's romantic journey is unique and that intimacy doesn't have a deadline. Surrounding yourself with supportive friends and communities can help foster a healthier perspective.

## Turning the Experience Into Self-Discovery

Use the time before your first kiss as an opportunity to explore who you are, what you want in relationships, and what makes you feel safe and loved. This self-awareness can lead to more meaningful connections when you do decide to become romantically involved.

## Kissing Beyond the First Time

Once the initial milestone passes, kissing can become a rich part of emotional bonding and relationship intimacy. Understanding its role beyond just a "first" can deepen your appreciation for the act.

## The Different Types of Kisses and What They Mean

Kisses convey many messages—friendship, love, comfort, passion. Here are a few common types:

- **Peck:** A quick, light kiss often used as a greeting or sign of affection.
- **French kiss:** A more intimate, passionate kiss involving tongue.
- **Forehead kiss:** A gentle, caring kiss that expresses protection and love.
- **Cheek kiss:** Common in many cultures as a friendly or familial gesture.

Recognizing these nuances helps you communicate feelings more effectively.

## How Kissing Builds Emotional Connection

Physical touch, including kissing, releases hormones like oxytocin that foster bonding and trust. Regular affectionate kissing can strengthen relationships, improve mood, and even reduce stress, making it an integral part of romantic life.

## When “Never Been Kissed” Is Just the Beginning

If you’ve never been kissed, it’s easy to feel like you’re starting from behind. But every relationship and personal story begins somewhere, and often it’s the very first kiss that opens doors to new experiences and personal growth.

## Taking Steps Toward Romantic Experiences

If you’re ready to move forward, consider these approaches:

- **Expand your social circles:** Meeting new people increases chances for romantic connections.
- **Try online dating:** Many find it easier to connect and communicate digitally before meeting in person.
- **Communicate openly:** Sharing your feelings about intimacy can build trust and mutual understanding.
- **Be patient:** Meaningful connections and comfort take time to develop.

# Remembering That Everyone's Path Is Different

Ultimately, whether you've never been kissed or have had many romantic experiences, the key is to honor your own feelings and timing. Life's milestones aren't a race, and the moments that matter most are the ones that feel right to you.

---

The journey of never having been kissed is just one chapter in a much larger story about love, connection, and self-discovery. Embracing your unique timeline can empower you to build relationships that are genuine and fulfilling, whenever that first kiss happens.

## Frequently Asked Questions

### What is the meaning of the phrase 'never been kissed'?

The phrase 'never been kissed' typically refers to someone who has never experienced a romantic kiss, often implying innocence or inexperience in romantic relationships.

### Why do some people remain 'never been kissed' into adulthood?

People may remain 'never been kissed' into adulthood due to various reasons such as personal choice, shyness, lack of romantic opportunities, cultural or religious beliefs, or simply not having met the right person yet.

### Is it common to be 'never been kissed' in your 20s or older?

While many people have had romantic experiences by their 20s, it is not uncommon for some individuals to be 'never been kissed' at that age or older. Everyone's romantic timeline is different, and there is no set age for such experiences.

### How can someone overcome being 'never been kissed' if they want to experience it?

To overcome being 'never been kissed,' one can focus on building self-confidence, engaging in social activities, developing meaningful connections, and being open to romantic possibilities. Communication and patience are key in forming relationships that may lead to a first kiss.

### Are there any movies or books centered around the theme 'never been kissed'?

Yes, the 1999 romantic comedy film 'Never Been Kissed' starring Drew Barrymore centers

around a journalist who goes undercover at a high school and experiences her first romantic kiss. There are also various books and stories that explore themes of first love and innocence.

## **Does being 'never been kissed' affect one's romantic future?**

Being 'never been kissed' does not negatively affect one's romantic future. It simply means that a person has not yet had that particular experience. Many people find meaningful relationships and romantic happiness regardless of when they have their first kiss.

Never Been Kissed: Exploring the Cultural and Psychological Dimensions of a First Kiss

**never been kissed**—a phrase that often evokes a mixture of curiosity, anxiety, and social scrutiny. The experience of one's first kiss is universally regarded as a significant milestone, yet the reality of never having kissed someone can carry a complex array of emotions and societal implications. This article delves into the cultural narratives, psychological perspectives, and social dynamics surrounding the concept of never being kissed, offering a comprehensive analysis suitable for readers seeking a nuanced understanding of this intimate human experience.

## **The Cultural Significance of the First Kiss**

The first kiss holds a prominent place in many cultures as a rite of passage marking the transition from adolescence to adulthood or the beginning of romantic relationships. Movies, literature, and media often dramatize this moment, elevating it to a symbolic event imbued with expectations of romance, attraction, and emotional connection. However, the timing and circumstances of a first kiss vary widely across different societies and individual experiences.

Historically, cultural norms have shaped the perception of kissing, with some cultures placing less emphasis on public displays of affection or delaying romantic intimacy until marriage. Consequently, the concept of never been kissed carries different connotations depending on cultural background and societal values. In Western societies, where early and casual romantic interactions are more common, individuals who have never kissed by a certain age may feel stigmatized or out of sync with peer norms.

## **Media Portrayal and Social Expectations**

Popular culture often frames the first kiss as a defining moment in youth, which can contribute to pressure and anxiety for those who have yet to experience it. Films like "Never Been Kissed" (1999), starring Drew Barrymore, highlight the awkwardness and vulnerability surrounding this event, while also normalizing the idea that it is never too late

to have that first romantic experience. Such portrayals can both alleviate and exacerbate feelings of self-consciousness by simultaneously celebrating and scrutinizing the first kiss.

The rise of social media has further complicated this landscape, as peers share milestones online, creating a perceived timeline for romantic experiences. This visibility can lead to heightened awareness and sometimes embarrassment among individuals who have never been kissed, reinforcing social pressures and the fear of judgment.

## **Psychological Perspectives on Being Never Kissed**

From a psychological standpoint, never being kissed is not inherently indicative of social or emotional deficits. Research in developmental psychology and human sexuality suggests that variations in romantic and sexual milestones are normal and influenced by multiple factors including personality, social environment, and personal values.

### **Understanding Emotional Readiness**

Emotional readiness plays a crucial role in when and how individuals engage in intimate acts such as kissing. For some, delaying a first kiss may reflect a cautious approach to relationships, a desire for meaningful connection, or simply a lack of opportunity. Psychological models emphasize that readiness is a personal and subjective experience, and external timelines often fail to capture the nuances of individual development.

### **Impact on Self-Esteem and Social Anxiety**

While never been kissed can sometimes be associated with feelings of inadequacy or social anxiety, it is essential to recognize that these feelings are not universal. For some, the absence of romantic experiences may lead to self-doubt or social withdrawal, particularly in adolescence when peer comparison is most intense. Conversely, others maintain healthy self-esteem and social functioning irrespective of their romantic history.

Mental health professionals advocate for a compassionate understanding of these experiences, encouraging individuals to focus on self-acceptance and authentic relationships rather than conforming to external expectations. Cognitive-behavioral strategies and social skills training can be effective in addressing any distress related to social fears or misconceptions about intimacy.

## **Social Dynamics and the Never Been Kissed Experience**

The social implications of never having kissed someone extend beyond individual psychology, influencing interpersonal relationships and social integration.

## Peer Influence and Social Stigma

In many social groups, romantic milestones are markers of social status and maturity. Being never kissed may subject individuals to teasing or exclusion, particularly in school or youth settings where conformity is often emphasized. This social stigma can perpetuate feelings of isolation and reinforce negative self-perceptions.

However, shifts in societal attitudes toward romantic and sexual behavior are gradually reducing the intensity of such stigmatization. Increasingly, diversity in relationship trajectories is recognized and respected, creating space for varied experiences without judgment.

## Opportunities for Connection and Growth

For those who have never been kissed, the future still holds opportunities for meaningful romantic connections. Building confidence, expanding social networks, and engaging in environments conducive to meeting others can facilitate natural and consensual experiences of intimacy. Emphasizing communication and mutual respect in relationships ensures that the first kiss is a positive and affirming moment rather than a source of pressure.

## Comparisons and Broader Context

It is informative to compare the phenomenon of never been kissed with broader social and developmental trends. Studies indicate that the average age of first kiss varies globally but often occurs during early to mid-adolescence. However, recent data suggest a trend toward delayed romantic milestones among young adults, influenced by factors such as increased focus on education, digital communication replacing face-to-face interactions, and evolving social norms.

This shift challenges traditional narratives that equate early romantic experiences with social success. Instead, it highlights the importance of personal choice and the recognition that human development is not monolithic.

## Pros and Cons of Delayed Romantic Experiences

- **Pros:** Greater emotional maturity, clearer self-understanding, reduced risk of unhealthy relationships, and avoidance of peer pressure-driven decisions.
- **Cons:** Potential feelings of social isolation, missed opportunities for social learning, and vulnerability to stigma or self-doubt.

Understanding these advantages and drawbacks in context helps deconstruct the assumptions surrounding the never been kissed experience and supports a more empathetic discourse.

## Final Reflections on the Never Been Kissed Narrative

The concept of never been kissed encapsulates a complex interplay of cultural expectations, psychological factors, and social dynamics. While it remains a significant personal milestone for many, it should not be framed as a universal benchmark of maturity or desirability. Embracing diversity in romantic timelines and promoting open-mindedness can foster healthier attitudes toward intimacy and reduce the stigma associated with delayed or absent romantic experiences.

Ultimately, the experience of a first kiss—whenever it occurs—should be respected as an individual journey shaped by unique circumstances, values, and readiness.

**never been kissed: Advertising Language** Keiko Tanaka, 2005-07-05 Keiko Tanaka offers an analysis of the linguistic devices that are used in advertisements, looking at the strategems which advertisers employ to gain and retain the attention of their audience. Using relevance theory as a framework, she sets out its key aspects and applies them to the language of written advertising in Britain and Japan. Particular emphasis is placed on 'covert communication', puns and metaphors, and the book contains a unique chapter on images of women in Japanese advertising. It is fully illustrated throughout with recent contrasting advertisements drawn from the two countries. The book provides a compelling analysis of the language of advertising, and an exploration of Relevance Theory that will be of interest to scholars in many fields.

**never been kissed: *The Girl Nobody Wanted*** Lynn Raye Harris, 2012-10-16 Stop the Press: Jilted Bride Stranded with a Notorious Playboy! Anna Constantinides, publicly humiliated when her longtime fiancé announced his engagement to someone else, might have thought things couldn't get any worse.... Until her private jet crash-landed on an uninhabited island, leaving her stranded with billionaire hotel magnate Leo Jackson. Renowned playboy Leo's reputation is legendary, and if the smoldering looks they were fighting to contain when rescued are anything to go by, there can only be one question on everybody's lips: Just how long did it take wickedly sexy Leo to undress buttoned-up heiress Anna?

**never been kissed: American Sweethearts** Ilana Nash, 2006 Teenage girls seem to have been discovered by American pop culture in the 1930s. From that time until the present day, they have appeared in books and films, comics and television, as the embodied fantasies and nightmares of

youth, women, and sexual maturation. Looking at such figures as Nancy Drew, Judy Graves, Corliss Archer, Gidget, Buffy the Vampire Slayer, and Britney Spears, *American Sweethearts* shows how popular culture has shaped our view of the adolescent girl as an individual who is simultaneously sexualized and infantilized. While young women have received some positive lessons from these cultural icons, the overwhelming message conveyed by the characters and stories they inhabit stresses the dominance of the father and the teenage girl's otherness, subordination, and ineptitude. As sweet as a cherry lollipop and as tangy as a Sweetart, this book is an entertaining yet thoughtful exploration of the image of the American girl.

**never been kissed:** *A Counterfeit Christmas Summons* Ava Stone, In *The Counterfeit Christmas Summons*, Lady Emma Whitton has decided its time to take her future in her own hands. She has been in love with Viscount Heathfield since she was in leading strings. Unfortunately, it's been almost that long since she's laid eyes on her brother's old friend and vice versa. Tired of waiting for him to remember her, Emma pens a holiday invitation (in her brother's hand) to Heathfield and waits as patiently as she is able for her one true love to arrive. Heath isn't quite certain what to make of the very strange summons he received, but his curiosity is most definitely piqued. He heads north to Danby Castle, only to find that his very orderly life is about to be turned upside down. \* Previously found in A SUMMONS FROM YORKSHIRE

**never been kissed:** *Who Am I* Denita Christful, 2014-12-04 At a young age, Nyah wakes up alone in the woods with no memory. As she goes through life, it takes her in many directions. She goes from living with a homeless woman in the woods to staying with different foster parents. Along with all the changes that life brings to her, Nyah comes to learn that she is different from other people, and who she really is starts to be revealed. Will Nyah be willing to accept the truth of who she really is—a truth that could lead her to her family?

**never been kissed:** *His Secret Love* Anya Summers, 2018-11-27 Meghan Mallory has a plan for her life and it does not involve falling in love. She doesn't have the time nor the inclination. She's too busy trying to save the world. But when a freak snowstorm puts her in the path of a man she has secretly been fascinated with for years, she is forced to reconsider her stance on dating. Spencer is rude and obnoxious with his bad boy swagger but then he rescues her when she gets stranded on the side of the road, like a knight in tarnished armor, and sweeps her away to his house to ride out the blizzard. Spencer Collins likes his life just fine, thank you very much. As the owner of the lifestyle club Cuffs & Spurs in Jackson Hole, he has a bevy of available subs who are his to command – not that any of them have held his interest in longer than he can remember. When his best friend's sister-in-law gets herself into trouble, Spencer heads out to rescue the little brat who is in need of a firm hand. But he never expects to be forced to confront the incendiary heat that has always existed between them. As the storm rages around them, they surrender to a passion hotter than the sun. Now that he has felt her surrender, Spencer attempts to lure Meghan into his world. But will they let go of their pasts or will they allow secrets to destroy them? Publisher's Note: This steamy contemporary romance contains elements of power exchange. While it is part of the bestselling Cuffs & Spurs series, it can be read and enjoyed as a standalone.

**never been kissed:** *The Cowgirl's Secret - The Sweeter Version: Book Five* Anne Marie Novark, 2014-02-15 AUTHOR'S WARNING: This is a SWEETER (NOT sweet and clean) version of *The Cowgirl's Secret*. It's the same characters and story, but with love scenes that are less graphic and explicit. If you want a hotter sexier read, check out the original version in *The Diamondback Ranch Series*. BLURB: An Independent Young Woman Tori McCade is bound and determined to earn her degree and return home to practice veterinary medicine in Salt Fork, Texas. Nothing and no one can stop her, not even the hottest man she's ever met in her life. A man who knows what he wants Sam Garza meets the much younger Tori McCade in a dance club in Dallas, Texas, and all bets are off. He wants her, and he's going to have her . . . even if it means following her to Salt Fork. Both agree they need to keep things simple and uncomplicated. And he's okay with that . . . for now. EXCERPT: Tori's breath stalled in her lungs as her back lay nestled against Sam's solid-muscled chest. She felt his lips on her hair, his kiss burning her scalp. Hot prickles of desire infused her blood, and she couldn't

help tilting her head forward, wanting to feel his lips on her skin. He was quick to oblige, trailing kisses across the nape of her neck and collarbone. Suddenly, he twirled her around and Tori looked up at him. He really was a brutally handsome man, his features hard as granite. She fleetingly wondered how a man who looked so fierce, so feral, could scatter such gentle kisses across her sensitive skin. How a man who had uprooted his whole life so he could help his sick mother--how could such a man look at her with such intense yearning? Such hot passion? Sam's eyes dilated beneath heavy lids. He bent toward her, stopping only millimeters from her mouth. His breath was hot on her lips. Tori's stomach dipped in an alarming manner. I'm going to kiss you. His voice was rough with desire. I've been wanting to kiss you from the first moment I saw you at the bar. He yanked her into his strong arms and gathered her close. Before Tori could say or do anything, his mouth crushed down on hers in a hungry savage kiss. **never been kissed:** *The Lighthouse: A Love Story for the Ages* Lisamarie Patterson-Carlton, 2025-01-28 *The Lighthouse: A Love Story for the Ages*, is a coming-of-age romance, between a fourteen-year-old girl, and a sixteen-year-old boy. The story is set in Brooklyn, New York, in 1975, at a time when Brooklyn was very segregated. The young lady is of African descent, and the young man is Italian. The story is being told twenty years later, by the now thirty-four-year-old, as she returns to Brooklyn to investigate his murder. The entire relationship between the two main characters, takes place in a lighthouse, hence the title of the book, and is mostly told in backstory. All of the characters, with the exception of the protagonist, were developed at the speed of the story. The Novel was written alongside two other pieces: A collection of short stories, and a collection of poems. All three books took a year, and a half to write. I put my everything into this novel, in order to bring forth characters that my readers can relate to, and at times, be both sympathetic, as well as outrage. I hope that they connect to the characters on the same emotional level as I have.

**never been kissed:** *Unleashing Chaos* Crystal J. Johnson, Felicity Vaughn, 2024-06-11 This is the perfect spicy book to curl up in a bubble bath with. —USA Today Bestselling Author Ruby Dixon Will have readers hanging on the edge of their seats . . . Hand Johnson and Vaughn's (*Spellbound*) latest to readers who love quick whirlwind romances that feature lovable characters, a ton of humor, and favorite tropes such as forced proximity, fake dating, and only one bed. —Library Journal Desideria is looking for true love... When your father, the king of demons, tells you to find an eternal partner in ninety days, you do it—because the alternative is worse. Jace's heart is shattered and guarded...All I asked for was a quiet roommate to help with the bills; instead, I got a sassy demon princess. Cannon wants everyone to be happy, but ... Sure, I want to help my friends, but I've got ambitions too. Infernis help them. A visit to the human realm is Desi's last-ditch effort to find the partner of her dreams—she wants to marry for love—but with only three months to fall head over heels and take someone home to her chaotic family in Infernis, it seems impossible. When every date Desi goes on ends in disaster, she enlists the help of her two handsome roommates. While one is friendly and fun, willing to help in any way he can, the other is stern and impenetrable, resolute in his theory that everlasting love isn't possible. But as much as she'd like to deny it, Desideria is an agent of chaos, and she quickly starts knocking down walls and crossing boundaries—in every aspect of her romantic life... Maybe it was kismet that landed Desi in Denver, but the choice she and her new friends have to make will define not only their futures, but that of an entire realm.

**never been kissed:** *The Lady and the Laird* Sandra Madden, 2022-03-21 What could be better than an arranged marriage between old friends? Not a thing, according to Lily Munro. Lily returns to Glen Carin, her childhood home in the Highlands of Scotland, determined to arrange a marriage with Laird Edan Cameron. A marriage to Edan will enable Lily to save her sister from a dangerous situation. Besides, Lily's rather adored Edan since she was young and a wee bit wild. But the laird believes nothing could be worse than an arranged marriage to Lilith Munro. He would not wish Lilith, the shameless lass who ceaselessly tormented him when they were children, on any man.

**never been kissed: Vexing the Viscount** Christie Kelley, 2014-08-21 A beautiful folk healer is engaged in a high-stakes game of cat and mouse with a mysterious Viscount in this Regency era romance novel. Staffordshire, England, 1814. As the reluctant new Viscount Middleton, Braden Tavers already has several reputations to save—including his own. So it's imperative he stop his estate's folk healer Tia Featherstone from trying to find his rakehell brother Jonathon. But while he attempts to save the spirited beauty from her own misguided intentions, he will have to do whatever it takes to resist her unworldly charms. But that resistance only stokes his irresistible desire—and an insidious danger threatening them both . . . Tia must get Jonathon back under her care before his unforgiving brother discovers how ill he truly is. But while evading Braden and searching London's most scandalous haunts, Tia is also discovering the viscount's deepest secrets—and a longing to make his wounded heart her own.

**never been kissed: Billionaire Bachelor Collection** Melissa Stevens, All three Billionaire Bachelor books written by Melissa Stevens, this includes Justin, the gambler desperate to be accepted by society. Sean the construction mogul who wants children to pass the company on to. And Alex, the wounded and scarred veteran. Neither of them is looking for love, just a woman who meets their own, exacting criteria. But can the Diamond Bridal Agency fulfill not just their wants but their needs as well?

**never been kissed: Billionaire Bachelor: Alex** Melissa Stevens, Alex wants his brother off his back. Janie wants somewhere she feels safe. Can they discover that even though they've each been hurt, there are still good things out there? Alex hasn't been off his property in months. He surrounds himself with people who don't react to his scars. Scars that only remind him of his failures. He failed to save his unit. He failed to die with them. Instead he was left looking like a monster. Desperate to get his brother to leave him alone about leaving the ranch, Alex turns to the Diamond Bridal Agency. He doesn't plan to keep her, only keep her around long enough to placate his brother. Janie escaped an arranged marriage and a life of servitude when she was a teen. Only to find that foster care wasn't a whole lot better. She's made it to adult hood and adjusted to life, but she hates being around too many people. When Diamond Bridal Agency offered her a contract with the promise that she wouldn't be forced into anything. She would have the opportunity to leave if things went bad, then she jumped at it. But was the man she'd been matched with more scared that she was? Buy Billionaire Bachelor: Alex to find out if Alex and Janie can help each other heal.

**never been kissed: You're The One For Me** Zelda French, 2021-07-23 One of them has a plan. The other is clueless. Together they will discover what love really is about. Guarded and studious, sixteen-year-old aspiring actor Zak favours being alone above all else... except perhaps Alberto, the Italian god from Drama Club, with whom he's secretly in love. When their drama teacher takes the club to the French countryside to shoot a short film, Zak decides to temporarily hang his introvert hat and joins the party, confident Alberto will be cast as his love interest. Only... by accident or by mistake, the beloved — and most likely overrated — star football player Eric is chosen to play Alberto's part. As time goes by, stuck in the middle of nowhere with the most popular boy at school, Zak quickly sees his opinion of Eric shift from sworn enemy to endearing new friend; and soon enough, his feelings for him threaten to grow into something far more dangerous. A story about friendship, self-awareness and the dangers of appearances, You're The One for Me is the second installment in the Colette International series, where students from an international high school in Paris navigate their tumultuous love lives. Each of the Colette books can be read as a standalone, apart from He Looks So Fine Part One and Two. Warning: this novel is 170 000 words long. It's a slow burn of a summer romance, written for readers who enjoy slice of life entertainment with plenty of dialogue.

**never been kissed: Could He Be My Mister Right** Liv N. Love, 2025-07-25 Jennifer had spent most of her adulthood alone, with the exception of her friend Andrea. On Andrea's wedding day, she meets Greg, and everything in her life changes. Could he really be her mister right? Is it really possible to have the life she always dreamed of having, yet was too afraid to let anyone know she wanted? Greg was instantly taken by Jennifer, but he was determined to have the life and family he

wanted. He wasn't sure if Jennifer wanted the same things, but he did know she needed another friend if nothing more. Can they find a way to share what they both really wanted in life, and see if they could have it together?

**never been kissed: An Epilogue for Eleanor** Prudence Thayer, 2013 A faceless man often appears in Eleanor's dreams. He passionately engages her, carrying her into worlds unknown, speaking softly and making her feel beautiful inside and out. In her dreams, she is loved. But in everyday life, Eleanor has been wounded by date-rape and the pitfalls of teenage love. In everyday life, the free-spirited Eleanor is also trapped by the perfect ideals of the church's trapped by what is right and proper and who is higher. While trying to find solace and peace through doing all the right things, Eleanor lost herself. She married Mr. Wrong twice. She gave her life to the church only to be cast away and labeled unworthy. Throughout it all, the faceless man gives comfort and solace. But Eleanor longs for more than a faceless dream. She longs for more than a church that tosses away people like trash. She longs for more than rolling over in the morning to find the dream gone and the pain of everyday laughing at the end of the bed. And deep down inside, Eleanor wonders what happened to the carefree Eleanor of days gone by. Join Eleanor as she searches for something more than the dream, something more than the emptiness as she searches for happiness.

**never been kissed:** God's Choice Alan Peshkin, 1988-06-15 Is Bethany Baptist Academy God's choice? Ask the fundamentalist Christians who teach there or whose children attend the academy, and their answer will be a yes as unequivocal as their claim that the Bible is God's inerrant, absolute word. Is this truth or arrogance? In *God's Choice*, Alan Peshkin offers readers the opportunity to consider this question in depth. Given the outsider's rare chance to observe such a school firsthand, Peshkin spent eighteen months studying Bethany's high school—interviewing students, parents, and educators, living in the home of Bethany Baptist Church members, and participating fully in the church's activities. From this intimate research he has fashioned a rich account of Christian schooling and an informed analysis of a clear alternative to public education.
