The digital version can be accessed via the Good Sam website or app, offering searchable maps and filters.

Search Features and Filters

When using the directory online, you can filter campgrounds and RV parks by:

- Location (state, city, or proximity to landmarks)
- Park type (state park, private resort, national park campground)
- Amenities (full hookups, pull-through sites, pet-friendly, Wi-Fi)
- Special features (lakefront, hiking trails, swimming pools)
- Accessibility (handicap accessible sites)

This granular search helps tailor your options to your specific trailer needs and preferences.

One of the standout features of the Good Sam Trailer Life Directory is the integration of user reviews and photos. Travelers can share their experiences, rate parks on cleanliness, staff friendliness, and overall atmosphere, and upload photos of the grounds and amenities.
