

twilight zone time enough at last

Twilight Zone Time Enough at Last: A Deep Dive into One of TV's Most Haunting Episodes

twilight zone time enough at last is a phrase that instantly transports fans of classic television to a chilling and thought-provoking corner of the sci-fi anthology series created by Rod Serling. This iconic episode, originally aired in 1959 as part of the original Twilight Zone series, has secured a lasting legacy in pop culture due to its poignant narrative, unforgettable ending, and exploration of human desires and fears.

If you've ever wondered why "Time Enough at Last" resonates so deeply with audiences decades after its debut, this article will guide you through the episode's plot, themes, cultural impact, and the reasons it remains a standout installment in The Twilight Zone universe.

The Story Behind Twilight Zone Time Enough at Last

At its core, "Time Enough at Last" tells the story of Henry Bemis, a meek and bookish bank teller with an insatiable love for reading. Unfortunately, his passion is constantly undermined by his nagging wife and disapproving boss, who both see his reading habit as a waste of time. Bemis's life is a constant struggle to find moments where he can indulge in his favorite pastime without interruption.

Plot Overview

The episode opens by introducing Bemis as a man who finds solace only in books. He secretly reads during his lunch breaks and even hides books in his workplace. One day, he visits a bank vault to escape his wife's scolding, and shortly after, a nuclear explosion devastates the city. Bemis survives because he was protected by the vault's thick walls.

When he emerges, he discovers that he is the last person on Earth. At first, despair grips him, but soon a new sense of freedom dawns — he finally has endless time to read all the books he ever wanted without anyone to interrupt him. However, the episode's famous twist delivers a heartbreaking conclusion that has left viewers stunned and reflective for decades.

Why Twilight Zone Time Enough at Last Stands Out

The episode's brilliance lies not just in its plot, but in its emotional depth and commentary on human nature. Here are some reasons why "Time Enough at Last" remains a favorite among Twilight Zone fans and critics alike:

The Power of Loneliness and Desire

Henry Bemis's character embodies the loneliness many people feel when their passions aren't understood or valued. His desire for uninterrupted reading time is a simple yet profound human longing — the need for personal space and intellectual freedom. The episode taps into the universal fear of isolation and the bittersweet nature of having one's deepest wishes granted in unexpected ways.

Masterful Use of Irony and Twist Ending

Rod Serling's writing shines through in the episode's twist ending, where Bemis's glasses break just as he is about to indulge in his reading. This ironic conclusion emphasizes the cruel unpredictability of fate and serves as a cautionary tale about the fragility of human happiness. The moment is delivered with subtlety and devastating impact, making it one of the most memorable endings in television history.

Symbolism and Themes

"Time Enough at Last" explores several themes such as censorship, the value of literature, and societal pressures that suppress individuality. Bemis's wife and boss symbolize a society that prioritizes productivity over personal enrichment, echoing concerns about conformity and the undervaluing of intellectual pursuits. The nuclear apocalypse backdrop also adds a layer of Cold War-era anxieties about destruction and survival.

Legacy and Cultural Impact of Time Enough at Last

Over the years, "twilight zone time enough at last" has influenced countless writers, filmmakers, and artists. Its themes are echoed in various media that examine the human relationship with time, solitude, and knowledge.

Influence on Popular Culture

The episode's iconic imagery — the image of Henry Bemis sitting amid a pile of books, glasses broken — has been referenced and parodied in numerous TV shows, movies, and comic books. It's often cited as a quintessential example of The Twilight Zone's ability to blend speculative fiction with emotional storytelling.

Relevance in Modern Times

In today's fast-paced world, the longing for "time enough at last" feels more relevant than ever. With constant digital distractions and busy lifestyles, many people can relate to Bemis's desire for uninterrupted moments to engage with their passions. The episode encourages viewers to reflect on how they value their time and the importance of nurturing what truly matters to them.

Behind the Scenes: Making of Time Enough at Last

Understanding the creative process behind “Time Enough at Last” adds another layer of appreciation for the episode.

Rod Serling’s Vision

Rod Serling, the creator and writer, was known for weaving social commentary into his stories. Inspired by his own love of literature and frustration with societal norms, Serling crafted Henry Bemis as a sympathetic figure whose tragedy is deeply human. His script balances suspense with empathy, making the story resonate beyond its science-fiction premise.

Performance and Direction

Burgess Meredith’s portrayal of Henry Bemis is a standout performance, capturing the character’s meekness, hope, and despair with subtle nuance. Director John Brahm’s use of lighting and set design enhances the post-apocalyptic atmosphere and the claustrophobic feeling of Bemis’s emotional journey.

Exploring Themes: What Time Enough at Last Teaches Us

The episode is more than just a tale about surviving a nuclear blast; it’s a meditation on human priorities and the meaning of time.

The Illusion of Time and Freedom

“Time Enough at Last” challenges the idea that having more time automatically leads to happiness. Bemis’s initial joy turns to tragedy, highlighting how time alone isn’t enough — it must be paired with ability and health. This subtle message encourages viewers to appreciate the moments they have and not take them for granted.

The Role of Literature in Human Life

Books represent much more than entertainment in this story; they symbolize knowledge, escape, and identity. Bemis’s passion for reading reflects the real-world importance of literature as a refuge and a tool for understanding the world. The episode underscores the loss humanity faces when such intellectual freedoms are suppressed or destroyed.

Where to Watch Twilight Zone Time Enough at Last

For those eager to experience or revisit this classic episode, “Time Enough at Last” is widely available on streaming platforms that feature The Twilight Zone series. It often appears in collections of the original series or as part of curated Twilight Zone anthologies.

Tips for First-Time Viewers

To fully appreciate the episode:

- Pay attention to the character development of Henry Bemis and how his personality shapes the story’s emotional core.
- Reflect on the historical context of the 1950s, especially the nuclear fear prevalent at the time.
- Consider the episode’s themes beyond the sci-fi setting — such as loneliness, societal pressure, and the value of personal passions.

Experiencing “Time Enough at Last” with these perspectives in mind enriches the viewing and reveals why it remains one of The Twilight Zone’s most enduring tales.

The timeless appeal of twilight zone time enough at last continues to captivate audiences, inviting us to ponder the delicate balance between time, desire, and human connection. It’s a reminder that sometimes, what we wish for most can come with unforeseen consequences — a lesson wrapped in the haunting beauty of one of television’s greatest stories.

Frequently Asked Questions

What is the plot of the Twilight Zone episode 'Time Enough at Last'?

The episode follows Henry Bemis, a bookish bank teller who loves reading but is constantly interrupted. After a nuclear explosion, he finds himself alone with all the time to read, only to suffer a tragic accident that shatters his glasses, rendering him unable to see.

Who wrote the Twilight Zone episode 'Time Enough at Last'?

The episode was written by Rod Serling, the creator of The Twilight Zone.

When did the Twilight Zone episode 'Time Enough at Last' originally air?

It originally aired on November 20, 1959, during the first season of The Twilight Zone.

What is the main theme of 'Time Enough at Last'?

The main theme is the irony of fate and the consequences of isolation, highlighting the bittersweet nature of having time but no ability to enjoy it.

Who played the character Henry Bemis in 'Time Enough at Last'?

Burgess Meredith portrayed Henry Bemis in the episode.

Why is 'Time Enough at Last' considered one of the most memorable Twilight Zone episodes?

Because of its poignant story, unexpected twist ending, and Burgess Meredith's compelling performance, it remains a powerful commentary on human desires and loneliness.

What is the significance of Henry Bemis's broken glasses in 'Time Enough at Last'?

The broken glasses symbolize the cruel twist of fate; although Henry finally has all the time to read, his inability to see prevents him from enjoying his passion.

Has 'Time Enough at Last' been referenced or parodied in popular culture?

Yes, the episode has been referenced and parodied in various TV shows, movies, and literature, often highlighting its iconic twist and themes of irony.

Is 'Time Enough at Last' based on a true story or inspired by real events?

No, it is a fictional story created by Rod Serling to explore themes of irony and human nature, typical of The Twilight Zone series.

Additional Resources

Twilight Zone Time Enough at Last: A Deep Dive into an Iconic Television Episode

twilight zone time enough at last stands as one of the most memorable and poignant episodes of the classic anthology series The Twilight Zone. Originally airing in 1959 during the show's first season, this episode has captured the imaginations of viewers for decades, blending themes of irony, human desire, and the fragility of time. Its enduring popularity offers a rich case study for television historians, fans of speculative fiction, and those interested in narrative craftsmanship.

In-Depth Analysis of "Time Enough at Last"

"Time Enough at Last" centers on Henry Bemis, a mild-mannered, bookish bank teller who yearns for uninterrupted time to indulge in his passion for reading. In a world where his wife and boss constantly scold him for his literary obsession, Bemis's desire is both relatable and tragic. The episode explores universal themes such as loneliness, the search for personal fulfillment, and the cruel twists of fate.

At the heart of the story lies a catastrophic event—a nuclear apocalypse—that ironically grants Bemis an abundance of free time by eradicating the rest of humanity. The narrative tension peaks as Bemis discovers the ruins of the library, realizing he finally has the uninterrupted solitude he craved. However, the cruel twist ending, revealing that Bemis breaks his glasses and becomes unable to read, cements the story's reputation as a masterclass in tragic irony.

Thematic Exploration and Symbolism

The episode's core theme revolves around the concept of "time enough"—the idea that humans often long for more time to pursue their passions but are frequently denied this opportunity. Henry Bemis's plight symbolizes the human condition's paradox: the desire for time clashes with life's unpredictability.

Symbolism is evident throughout the episode. Bemis's broken glasses, for instance, serve as a metaphor for shattered dreams and the fragility of hope. The library ruins represent a lost world of knowledge and culture, emphasizing how easily civilization can be wiped away. Additionally, the episode subtly critiques societal attitudes toward intellectualism, as Bemis is marginalized for his love of books.

Performance and Direction

Burgess Meredith's portrayal of Henry Bemis is often hailed as one of the finest performances in *The Twilight Zone*'s history. His ability to convey Bemis's meekness, desperation, joy, and eventual despair in a mere 25 minutes highlights his range and depth as an actor. Meredith's nuanced expressions and body language effectively communicate the emotional arc without excessive dialogue.

Rod Serling's writing and direction contribute significantly to the episode's impact. Serling's script balances humor with tragedy, creating a narrative that is both entertaining and thought-provoking. The pacing allows viewers to immerse themselves in Bemis's world, making the final twist all the more devastating.

Legacy and Cultural Impact

"Time Enough at Last" has transcended its original broadcast to become a cultural touchstone. Its influence can be seen in numerous adaptations, parodies, and references across various media. The episode's themes remain relevant in contemporary discussions about time management, the value of

reading, and societal pressures.

Many fans and critics regard the episode as a quintessential example of The Twilight Zone's ability to merge science fiction with human drama. Its enduring appeal lies in its universal message and emotional resonance. The episode has been included in multiple "best of" lists and is frequently cited in academic studies analyzing television storytelling and speculative fiction.

Comparisons with Other Twilight Zone Episodes

When compared to other episodes such as "The Monsters Are Due on Maple Street" or "Nightmare at 20,000 Feet," "Time Enough at Last" stands out for its intimate focus on a single character's internal struggle rather than larger societal or supernatural events. Unlike episodes driven by external threats or mysteries, this story is deeply personal, anchored in the protagonist's psychological landscape.

This focus on individual tragedy, combined with a haunting twist, exemplifies a distinct narrative approach within the series. It contrasts with more overtly fantastical episodes, highlighting the versatility of The Twilight Zone's storytelling methods.

Relevance in Modern Media Consumption

In today's fast-paced digital environment, the message of "time enough at last" resonates differently. The episode's reflection on the scarcity of time to engage in meaningful activities, such as reading, parallels modern concerns about screen time, distractions, and the erosion of deep focus.

With the resurgence of interest in vintage television and streaming platforms making classic episodes more accessible, "Time Enough at Last" continues to find new audiences. Its themes encourage viewers to contemplate their relationship with time and leisure, reinforcing the episode's timelessness.

Key Features and Production Insights

- **Runtime and Format:** Approximately 25 minutes, fitting the standard half-hour television slot of the era.
- **Writer/Director:** Written and directed by Rod Serling, the creator of The Twilight Zone.
- **Main Actor:** Burgess Meredith as Henry Bemis.
- **Original Air Date:** November 20, 1959, during The Twilight Zone's inaugural season.
- **Setting:** A small-town bank and post-apocalyptic ruins.
- **Narrative Structure:** Linear storytelling culminating in a dramatic twist ending.

Production-wise, the episode utilized minimalist sets, relying heavily on performance and script to convey its powerful narrative. The use of sound effects and lighting helped establish the post-apocalyptic atmosphere without elaborate special effects, demonstrating resourceful storytelling techniques common in 1950s television.

Pros and Cons of the Episode's Narrative Approach

- **Pros:**

- Strong emotional engagement through character-driven storytelling.
- Effective use of irony to convey themes.
- Concise and impactful narrative fitting the anthology format.
- Timeless themes that continue to resonate.

- **Cons:**

- Limited action or plot complexity, which might not appeal to audiences seeking high-paced drama.
- The bleak ending may be unsettling for some viewers.
- Relies heavily on suspension of disbelief regarding the nuclear apocalypse and aftermath.

While the episode's mood and pacing may not suit all tastes, the narrative's strength lies in its simplicity and emotional honesty.

The Twilight Zone's Enduring Appeal Through "Time Enough at Last"

"Twilight zone time enough at last" exemplifies the series' hallmark blend of speculative fiction and human drama. Its exploration of time and the human condition underscores the show's larger philosophical inquiries. As a piece of television history, it not only entertains but also invites reflection on how we value time and the things we love.

This episode remains a must-watch for enthusiasts of classic TV, students of narrative structure, and anyone interested in stories that challenge perceptions of fate and fulfillment. Its legacy within The Twilight Zone canon is secure, continuously inspiring new interpretations and discussions decades after its first airing.

twilight zone time enough at last: *Everything I Need to Know I Learned in the Twilight Zone* Mark Dawidziak, 2025-06-25 Can you live your life by what The Twilight Zone has to teach you? Yes, and maybe you should. The proof is in this lighthearted collection of life lessons, ground rules, inspirational thoughts, and stirring reminders found in Rod Serling's timeless fantasy series. Written by veteran TV critic, Mark Dawidziak, this unauthorized tribute is a celebration of the classic anthology show, but also, on another level, a kind of fifth-dimension self-help book, with each lesson supported by the morality tales told by Serling and his writers. The notion that it's never too late to reinvent yourself soars through "The Last Flight," in which a World War I flier who goes forward in time and gets the chance to trade cowardice for heroism. A visit from an angel bares out the wisdom of follow your passion in "A Passage for Trumpet." The meaning of divided we fall is driven home with dramatic results when neighbors suspect neighbors of being invading aliens in "The Monsters Are Due on Maple Street." The old maxim about never judging a book by its cover is given a tasty twist when an alien tome is translated in "To Serve Man."

twilight zone time enough at last: *The Dance of Person and Place* Thomas M. Norton-Smith, 2010-04-01 Uses the concept of "world-making" to provide an introduction to American Indian philosophy. Ever since first contact with Europeans, American Indian stories about how the world is have been regarded as interesting objects of study, but also as childish and savage, philosophically curious and ethically monstrous. Using the writings of early ethnographers and cultural anthropologists, early narratives told or written by Indians, and scholarly work by contemporary Native writers and philosophers, Shawnee philosopher Thomas M. Norton-Smith develops a rational reconstruction of American Indian philosophy as a dance of person and place. He views Native philosophy through the lens of a culturally sophisticated constructivism grounded in the work of contemporary American analytic philosopher Nelson Goodman, in which descriptions of the world (or "world versions") satisfying certain criteria construct actual worlds "words make worlds." Ultimately, Norton-Smith argues that the Native ways of organizing experiences with spoken words and other performances construct real worlds as robustly as their Western counterparts, and, in so doing, he helps to bridge the chasm between Western and American Indian philosophical traditions. "a deft and self-aware exemplification of the task of cross-cultural comparison The writing is accessible and shows a deft and helpful interplay between abstract language and concrete illustrative material." "The Pluralist" "Norton-Smith does a good job illustrating how worlds are created through language and how language itself contains philosophy." "H-Net Reviews (H-Environment)" "Norton-Smith offers an insightful discussion of Native American epistemological concepts This book is an excellent exercise for all philosophy students as an expansion of worldviews and an examination of Western epistemological foundations and biases. It also offers an insightful discussion of indigenous philosophy for both philosophy and indigenous scholars Highly recommended." "CHOICE" "The author opens a unique and exciting avenue for philosophical discourse by demonstrating a method of inquiry that provides a new way of interpreting Native thinking, a method that not only promotes Native philosophical systems but allows for greater communication between Western and Native philosophers." "Lorraine Mayer, author of *Cries from a Métis Heart* "Challenging and provocative, this book is a great step forward in the conversation of academic Indigenous philosophy." "Brian Yazzie Burkhart, Pitzer College

twilight zone time enough at last: Dimensions of the Fantastic Daniel Ferreras Savoye, 2023-05-29 Not to be confused with fantasy or the supernatural, the fantastic is in actuality its own beast and perhaps the most deeply frightening of all narrative modes. From Dracula and Nightmare on Elm Street, to Carrie and Them, the fantastic has become an ideal vehicle to denounce deep cultural dysfunctions that affect not only the way we understand reality, but also how we construct it. This work studies the various dimensions of the fantastic mode, examining the influences of iconic authors such as H.P. Lovecraft and Jean Ray, and addressing key narrations such as Guy de Maupassant's The Horla and Jordan Peele's Get Out. It explains why the fantastic is not about ghosts or monsters, but about the incomprehensible sides of our own reality, and the terrifying unknown.

It's a question of Mastering the Game of Life and making a difference in our own totally unique way – bringing love and hope to the world...

twilight zone time enough at last: Un-American Dreams J. Jesse Ramírez, 2022-04-15 After the end, the world will be un-American. This speculation forms the nucleus of Un-American Dreams, a study of US apocalyptic science fiction and the cultural politics of disimagined community in the short century of American superpower, 1945-2001. Between the atomic attacks on Hiroshima and Nagasaki, which helped to transform the United States into a superpower and initiated the Cold War, and the terrorist attacks on the World Trade Center and the Pentagon, which spelled the Cold War's second death and inaugurated the War on Terror, apocalyptic science fiction returned again and again to the scene of America's negation. During the American Century, to imagine yourself as American and as a participant in a shared national culture meant disimagining the most powerful nation on the planet. Un-American Dreams illuminates how George R. Stewart, Philip K. Dick, George A. Romero, Octavia Butler, and Roland Emmerich represented the impossibility of reforming American society and used figures of the end of the world as speculative pretexts to imagine the utopian possibilities of an un-American world. The American Century was simultaneously a closure of the path to utopia and an escape route into apocalyptic science fiction, the underground into which figures of an alternative future could be smuggled.

twilight zone time enough at last: Time Enough At Last Morromatto Comics, 2023-01-12 "Time Enough at Last" is known as the eighth episode of the American television anthology series The Twilight Zone. The episode was adapted from a short story written by Lynn Venable. The short story appeared in the January 1953 edition of the science fiction magazine If: Worlds of Science Fiction about seven years before the television episode first aired. "Time Enough at Last" became one of the most famous episodes of the original Twilight Zone. It is "the story of a man who seeks salvation in the rubble of a ruined world" and tells of Henry Bemis, played by Burgess Meredith, who loves books yet is surrounded by those who would prevent him from reading them. The episode follows Bemis through the post-apocalyptic world, touching on such social issues as anti-intellectualism, the dangers of reliance upon technology, and the difference between solitude

and loneliness. This comic book version is a work of art, an experiment using rotoscoping, coloring and hand painting techniques to add value and recognition to a classic of international cinema, thus collaborating to preserve and popularize 20th century human culture for generations to come.

twilight zone time enough at last: The Last Midnight Leisa A. Clark, Amanda Firestone, Mary F. Pharr, 2016-10-13 Do you find yourself contemplating the imminent end of the world? Do you wonder how society might reorganize itself to cope with global cataclysm? (Have you begun hoarding canned goods and ammunition...?) Visions of an apocalypse began to dominate mass media well before the year 2000. Yet narratives since then present decidedly different spins on cultural anxieties about terrorism, disease, environmental collapse, worldwide conflict and millennial technologies. Many of these concerns have been made metaphorical: zombie hordes embody fear of out-of-control appetites and encroaching disorder. Other fears, like the prospect of human technology's turning on its creators, seem more reality based. This collection of new essays explores apocalyptic themes in a variety of post-millennial media, including film, television, video games, webisodes and smartphone apps.

twilight zone time enough at last: An Exploration of Space 1999 Through the Lens of Video Games: Payne 1999 John K. Balor, 2019-07-02 This book contains transcripts from Online Alpha discussions where the video game PAYNE 1999, game theory and game-study theories are used for analysing and commenting on problems of conflict and cooperation in SPACE 1999. The discussions build on more than a decade of conversations and debate about PAYNE 1999, and the aim of the book is to put the various threads together while also developing new ideas and providing direction for further investigations. The book has been developed on an idealistic basis, and it is sold at the lowest price the publisher was willing to accept. A free e-book version can be downloaded at www.lulu.com.

twilight zone time enough at last: Question Quest for Ages 8-14 Steve Bowkett, Tony Hitchman, 2025-05-29 The ability to ask incisive questions is a powerful skill set that children can acquire and develop if the classroom and whole-school environments support it. This essential book offers a range of engaging and inclusive activities that promotes children's questioning and feeds their natural sense of curiosity and wonder. Question Quest explores the various types of questions that can be asked in a number of educational contexts, from the point of view of both teachers and pupils. Packed with 100 practical activities, the book seeks to boost children's self-confidence in asking questions and provides the tools to establish a 'questioning classroom' where asking questions is encouraged and celebrated in order to enhance children's learning. With clear and practical explanations, the authors argue how questioning is an intelligent behaviour that is essential in nurturing children's innate desire to learn constantly. Topics covered include: Establishing a questioning classroom Questioning and creativity Questions and creative writing Conducting a discussion Philosophical enquiry Questioning and life coaching This book is a key resource for any school, teacher or parent looking to foster and develop critical thinking skills in children and young people.

twilight zone time enough at last: The Essential Cult TV Reader David Lavery, 2014-07-11 The Essential Cult TV Reader is a collection of insightful essays that examine television shows that amass engaged, active fan bases by employing an imaginative approach to programming. Once defined by limited viewership, cult TV has developed its own identity, with some shows gaining large, mainstream audiences. By exploring the defining characteristics of cult TV, The Essential Cult TV Reader traces the development of this once obscure form and explains how cult TV achieved its current status as legitimate television. The essays explore a wide range of cult programs, from early shows such as Star Trek, The Avengers, Dark Shadows, and The Twilight Zone to popular contemporary shows such as Lost, Dexter, and 24, addressing the cultural context that allowed the development of the phenomenon. The contributors investigate the obligations of cult series to their fans, the relationship of camp and cult, the effects of DVD releases and the Internet, and the

globalization of cult TV. The Essential Cult TV Reader answers many of the questions surrounding the form while revealing emerging debates on its future.

twilight zone time enough at last: *The Epic Structure of Space 1999* John K. Balor, 2018-02-18 This book contains transcripts from Online Alpha discussions where the epic and narrative structure of SPACE 1999 is being discussed by comparing episodes with themes, characters and elements of plot from the Homeric Odyssey and Lewis Carroll's stories about Alice. The discussion is motivated by questions raised in the scholarly literature and earlier Online Alpha debates about how to make sense of SPACE 1999 from the viewpoint of critical theory. The book has been developed on an idealistic basis. It is sold at the lowest price the publisher was willing to accept. A free e-book version can be downloaded at www.lulu.com.

twilight zone time enough at last: *The City's End* Max Page, 2008-01-01 From nineteenth-century paintings of fires raging through New York City to scenes of Manhattan engulfed by a gigantic wave in the 1998 movie Deep Impact, images of the city's end have been prolific and diverse. Why have Americans repeatedly imagined New York's destruction? What do the fantasies of annihilation played out in virtually every form of literature and art mean? This book is the first to investigate two centuries of imagined cataclysms visited upon New York, and to provide a critical historical perspective to our understanding of the events of September 11, 2001. Max Page examines the destruction fantasies created by American writers and imagemakers at various stages of New York's development. Seen in every medium from newspapers and films to novels, paintings, and computer software, such images, though disturbing, have been continuously popular. Page demonstrates with vivid examples and illustrations how each era's destruction genre has reflected the city's economic, political, racial, or physical tensions, and he also shows how the images have become forces in their own right, shaping Americans' perceptions of New York and of cities in general.

twilight zone time enough at last: *Miracle on 34th Street* Jeffrey Paul Thompson, 2024-08-06 Despite having been made into three TV movies, a radio drama, a stage play, a Broadway musical, a feature-film remake in color, and a book adaptation, the 1947 black-and-white film of Miracle on 34th Street still remains the favorite version of this modern Christmas classic. The American public seems to echo what Macy's stated when declining to participate in the 1994 remake: "We felt there was nothing to be improved upon." In many ways, it is a perfect film in the sense that there really is nothing that could have been done better: the story, the casting, the acting were all spot-on. The decade from 1941-1951 saw a bumper crop of classic Christmas including Christmas in Connecticut, Holiday Inn, and It's a Wonderful Life, but with the exception of the latter film none have had the staying power of Miracle on 34th Street. This book describes the origins of the story, the casting and production of the film, its marketing and publicity, and even how it elevated the Macy's Thanksgiving Day Parade from a local New York event to a national celebration. Finally, it looks at the film's legacy, including its high ranking among best Christmas movies of all time as well as its placement as ninth overall on the American Film Institute's list of the most inspiring films.

twilight zone time enough at last: *The Unbearable Lightness of Being Unbearable* Kelli Jae Baeli, 2010-04-09 I don't consider myself the sharpest knife in the drawer, but I'm certainly not a spoon. I think about things. I put human nature under a microscope. Sometimes to my own peril. And I write about it. And politics, science, cosmology, relationships, sex, coffee, my angst, my weirdness, my cats & anything else that pops or chaps. But I think you will often find me quite humorous. Especially if you like sarcasm. Unless you're just blithely cruising through life, you'll notice there's a lot going on in this macrocosm of existence. This means there's a lot going on the microcosm of my brain. Not that there's anything micro about my brain. Anyway-here is a collection in which I share my thoughts, ruminations, suggestions, complaints and epiphanies where these cosms are concerned. Wear a helmet.

twilight zone time enough at last: *1999: A Space Odyssey* John K Balor, 2018-08-03 Part of the premise of the online discussion transcribed in this book is how Gerry Anderson's television

series 'Space: 1999' can be understood in relation to Stanley Kubrick's '2001: A Space Odyssey' by looking at both narratives through the perspective of systems theory. As a result of doing so, an engaged debate concerned with the political and philosophical subtext of both stories developed. This book gives a full account of the debate with summaries of ideas and insights. The book has been developed on an idealistic basis. It is sold at the lowest price the publisher was willing to accept. A free e-book version can be downloaded at www.lulu.com.
