western philosophy by john cottingham download: Western Philosophy John G. Cottingham, 2021-07-06 The new edition of this celebrated anthology surveys the Western philosophical tradition from its origins in ancient Greece to the work of today's leading philosophers. **Western Philosophy: An Anthology** provides an authoritative guided tour through the great tradition of Western philosophical thought. The seminal writings of the great philosophers along with more recent readings of contemporary interest are explored in 144 substantial and carefully chosen extracts, each preceded by a lucid introduction, guiding readers through the history of a diverse range of key arguments, and explaining how important theories fit into the unfolding story of Western philosophical inquiry. Broad in scope, the anthology covers all the main branches of philosophy: theory of knowledge and metaphysics, logic and language, philosophy of mind, the self and freedom, religion and science, moral philosophy, political theory, aesthetics, and the meaning of life, all in self-contained parts which can be worked on by students and instructors independently. The third edition of the Anthology contains newly incorporated classic texts from thinkers such as Aquinas, Machiavelli, Descartes, William James, and Wittgenstein. Each of the 144 individual extracts is now followed by sample questions focusing on the key philosophical problems raised by

the excerpt, and accompanied by detailed further reading suggestions that include up-to-date links to online resources. Also new to this edition is an introductory essay written by John Cottingham, which offers advice to students on how to read and write about a philosophical text. Part of the Blackwell Philosophy Anthologies series, *Western Philosophy: An Anthology*, Third Edition remains an indispensable collection of classic source materials and expert insights for both beginning and advanced university students in a wide range of philosophy courses.

western philosophy by john cottingham download: Inquiry into Philosophical and Religious Issues Rosemary Laoulach, 2019-12-13 *Inquiry into Religious and Philosophical Issues* provides an educational experience of both wonder and discovery. The text's focus on epistemology applies this inquisitive discipline to an array of topics, including religious faith, ethics, personal meaning and happiness. Sources from philosophy, theology, and psychology interact with debates, role-playing, essays, and other student-centered activities to encourage meaningful thinking and engagement. Students are taught skills to develop personal awareness and resilience in order to help them flourish. Complex subjects such as religion and philosophy often lead to difficult questions and ideas that, for many students, go unheard. With *Inquiry into Religious and Philosophical Issues*, these questions and ideas will now have a voice.

western philosophy by john cottingham download: Raízes da dúvida Danilo Marcondes, 2019-03-21 Uma valiosa contribuição para o avanço e a divulgação da filosofia Na modernidade, o mundo sofreu uma transformação radical - e com ele as ideias e as formas de pensar. *Raízes da dúvida* mostra a influência decisiva da retomada do Ceticismo antigo para essa reviravolta. O livro examina os momentos mais significativos do percurso cético, da Antiguidade à retomada moderna e à dúvida em Descartes; discute aspectos centrais porém pouco explorados; e conclui que o pensamento contemporâneo pode ser visto como herdeiro dessas controvérsias e do pluralismo teórico que delas resulta - revelando o Ceticismo como uma corrente mais profunda e diversificada do que pode parecer, e uma alternativa para a filosofia hoje. Ao final do volume, um Painel cronológico da tradição cética destaca nomes e fases do Ceticismo desde a Antiguidade, recapitulando o debate para o leitor.
